**Understanding Women's Career Experiences in Moroccan Businesses** Mouna Izelmaden,2024-06-27 Existing literature on women career development focuses on western industrialized countries and gives little attention to regions where patriarchy is prevailing like in North African countries The limited available research in the region takes a business oriented perspective to investigate the topic and focuses on business process optimization for an increased profitability In an attempt to close this gap the present book takes a sociological lens to investigate meanings and interpretations that skilled women in Moroccan organizations give to their experiences This project sought to understand how Moroccan professional women take decisions about their career path while taking a multi level approach to examine contextual factors In this book Bourdieu s theory of practice was used as a theoretical framework to examine the interplay of the different factors impacting the development of women career paths Using a qualitative research approach under the interpretivist paradigm and drawing on in depth interviews with 10 participants this research investigated female and male conceptualization of career and work objectives *The Oxford Handbook of the Disney Musical* Dominic Broomfield-McHugh,Colleen

**Sustained by Love Through the Wars** Hi-Dong Chai, 2023-08-18 I hate war. War kills. War maims. War orphans. And it leaves a deep scar not only on the land but also in the hearts of those who are affected by the war. I am one of those who carry a deep emotional wound to this day, more than sixty years later. During WWII, under Japan, my father was imprisoned because he was a Christian minister who refused to bow down to the picture of the Japanese emperor. My elder brother volunteered to join the Japanese military in the hope of having his father released from the prison. He left home as a vibrant 15-year-old boy and returned home as a worn-out, injured 18-year-old man; he died a year later. He was my best friend. During the Korean War, North Koreans took my father away. He never returned. Sustained by Love Through the Wars is a story of love, sacrifice, faith, and suffering, all wrapped in one package. The heroine in the story is my mother. Mother prayed without ceasing. Through her unceasing prayers, she was able to walk through the dark tunnel of trials and tribulations and lead us onward with love and grace and absolute faith in God.

**Cloud Cuckoo** R.E. Palmer, 2016-08-25 Following their shock discovery, Noah and Rebekah reluctantly return to the lower levels of The Ark. But Noah's attempts to unite the workers to rebel are halted when Mother begins The Purge. Her cruel, relentless trials bring Noah to breaking point as he fights to survive when faced by his worst fears. Forced to accept Mother's terms after a month in Re-Education, Noah finally learns the truth about his people's past that leaves him determined to defeat her once and for all.

Sexual confusion and dysfunction cause the unraveling of the perfect American family in small-town Georgia in 1960. Rose Cassidy's fantasy life is a haunting reminder that she's living a lie. So when she has the opportunity to act on those fantasies, she dives in without any thought to consequences. Rose's husband, Ryan, has fantasies of his own, and his actions cause unimaginable pain to the very children he tries so hard to protect. When the happiness each member of the Cassidy family seeks so desperately to find is shattered by shame, guilt, and ultimately murder, they must each face the truth that lies deep within their souls.
