Cohen,2019-09-20 The Making of a Reform Jewish Cantor provides an unprecedented look into the meaning of attaining musical authority among American Reform Jews at the turn of the 21st century How do aspiring cantors adapt traditional musical forms to the practices of contemporary American congregations What is the cantor s role in American Jewish religious life today Cohen follows cantorial students at the School of Sacred Music Hebrew Union College over the course of their training as they prepare to become modern Jewish musical leaders Opening a window on the practical social and cultural aspects of aspiring to musical authority this book provides unusual insights into issues of musical tradition identity gender community and high and low musical culture

Foundations of Musical Grammar Lawrence M. Zbikowski,2017-08-02 In recent years music theorists have been increasingly eager to incorporate findings from the science of human cognition and linguistics into their methodology In the culmination of a vast body of research undertaken since his influential and award winning *Conceptualizing Music* OUP 2002 Lawrence M Zbikowski puts forward *Foundations of Musical Grammar* an ambitious and broadly encompassing account on the foundations of musical grammar based on our current understanding of human cognitive capacities Musical grammar is conceived of as a species of construction grammar in which grammatical elements are form function pairs Zbikowski proposes that the basic function of music is to provide sonic analogs for dynamic processes that are important in human cultural interactions He focuses on three such processes those concerned with the emotions the spontaneous gestures that accompany speech and the patterned movement of dance Throughout the book Zbikowski connects cognitive research with music theory for an interdisciplinary audience presenting detailed musical analyses and summaries of the basic elements of musical grammar CMJ New Music Monthly ,1995-07 CMJ New Music Monthly the first consumer magazine to include a bound in CD sampler is the leading publication for the emerging music enthusiast NMM is a monthly magazine with

interviews reviews and special features Each magazine comes with a CD of 15 24 songs by well established bands unsigned bands and everything in between It is published by CMJ Network Inc The Dialectic of Digital Culture David Arditi, Jennifer Miller, 2019-08-01 This edited collection analyzes the role of digital technology in contemporary society dialectically While many authors journalists and commentators have argued that the internet and digital technologies will bring us democracy equality and freedom digital culture often results in loss of privacy misinformation and exploitation This collection challenges celebratory readings of digital technology by suggesting digital culture s potential is limited because of its fundamental relationship to oppressive social forces The Dialectic of Digital Culture explores ways the digital realm challenges and reproduces power The contributors provide innovative case studies of various phenomenon including metoo Etsy mommy blogs music streaming sustainability and net neutrality to reveal the reproduction of neoliberal cultural logics In seemingly transformative digital spaces these essays provide dialectical readings that challenge dominant narratives about technology and study specific aspects of digital culture that are often under explored Check out the blog for more <http://blog.uta.edu/digitaldialectic>
