Finding Home Julie K. Aageson, 2020-07-24 For all who know the security of home in all its iterations and for those who don't finding home is complicated Home always is characterized by joy and sorrow grief and gladness the realities of complicated lives What is it like to flee the horrors of war as a refugee in search of home When daily life is unbearable what exactly does home mean How do we learn to be at home in our bodies at home with ourselves What does it mean to be made in the likeness of the Holy One Can we find home in the company of strangers and how do we reclaim our earth home So many images swim just below the surface of my memory all the houses where I came to know home It takes little to retrieve them a shared story the pungent smell of tide flats the sound of rain on a tin roof But home of course is much more than houses These reflections invite readers to explore identity the importance of rootedness discovering home away from home what it means to be home for one another Finding home literally and metaphorically is challenging *Make Room for God* Germaine Hustedde PHJC, 2022-05-22 MAKE ROOM FOR GOD is an invitational exploration of one's journey through life using an enhanced mode of awakening It is a pathway for the earnest searcher to live at a deeper and enriched level of existence Drawing on theories of psychologists and philosophers the author presents an interesting well crafted and readable text constructed on the principles of formative spirituality drawing on contemporary thinkers and classical spiritual masters Each chapter concludes with a Prayer Poem and several reflective questions to enable the reader to enter more fully into the inward journey Personal biographical inserts gives the book a unique and interesting flavor which will inspire the reader

Farley, 2013-05-15 The Gospels portray Jesus as one who often sought solitude whether for himself or in quietude before his Father To do so he had to withdraw from both his disciples and others Such moments enabled him to renew his inner strength to find God's consolation for himself as well as to imbue him with insight and courage for the inimitable journey that God had selected him to travel We too need those same personal moments with God those quiet occasions for withdrawal and reflection If you have ever hungered for such Fairest Lord Jesus filled with simple direct and uncomplicated meditations will speak to you Within its pages you will journey with Jesus across the Gospels to his Cross hear his voice of solace and commission while resting with him in village after village as he pauses to mend the hearts of the contrite and the lonely and heal the broken dispirited and ill and finally on that Morning of mornings stand with him in that Sacred Garden of the soul where he fills all hearts with the joy of his presence and his eternal love In addition enriching the collection are numerous vignettes drawn from Farley's years of teaching philosophy and religion courses along with poignant stories of the passage of time **In Honor of the Ninetieth Birthday of Charles Frederick Johnson, Professor of English in Trinity College, 1883-1906** Odell Shepard, Arthur Adams, 1928

Díaz, 2022-09-13 *Queer God de Amor* explores the mystery of God and the relationship between divine and human persons It does so by turning to the sixteenth century writings of John of the Cross on mystical union with God and the metaphor of sexual relationship that he uses to describe this union Juan's mystical theology which highlights the notion of God as lover and God's erotic like relationship with human persons provides a fitting source for rethinking the Christian doctrine of God in John's own words as *un no sé qué* as I know not what In critical conversations with contemporary queer theologies it retrieves from John a preferential option for human sexuality as an experience in daily life that is rich with possibilities for re-sourcing and imagining the Christian doctrine of God Consistent with other liberating perspectives it outs God from heteronormative closets and restores human sexuality as a resource for theology This outing of divine queerness that is the ineffability of divine life helps to align reflections on the mystery of God with the faith experiences of queer Catholics By engaging Juan de
