Turn Focus Into High-Value Income Streams* Ahmed Musa ,2025-05-30 Distraction is the enemy Shallow work is the trap But deep work That s your golden goose Get Paid For Doing Deep Work is your guide to turning intense focus into premium income If you re sick of grinding through low paying tasks and want to build something meaningful profitable and lasting this book is for you It s not about doing more It s about going deeper Building assets Solving harder problems Creating work that pays you back

for years not minutes Inside you ll discover Why deep work is the last true edge in the online economy How to structure your days for uninterrupted creation and compounding value What types of deep work generate the most money with the least noise The mindset shift from task doer to asset builder Case studies of creators who turned deep focus into 6 and 7 figure businesses The world rewards those who can think clearly build quietly and deliver powerfully If you want to escape the hustle treadmill and get paid for doing your best work you re holding the blueprint Focus deeper Work smarter Earn more This is how professionals win in the creator economy BEING Ashkan Tashvir,2021-07-19 Why do some people and businesses accomplish deep and resounding success and prosperity while others do not What are the qualities that set them apart Prior to writing this book Ashkan Tashvir spent more than a decade working with and studying entrepreneurs startups leaders and investors including many exceptionally high achievers to discover the behavioural patterns and qualities that determine success or failure He found that it s not due to a lack of capital technology or the right techniques or strategies it s because of who and how they are BEING the underlying qualities that drive their behaviours and actions In his book BEING Ashkan lays out a comprehensive paradigm called the Being Framework which distinguishes each of these qualities mapping out how and why each plays a critical role in performance effectiveness influence and leadership Too many leaders overlook the people side of business This framework is engineered to deliver a unique systematic way to address this The Being Framework transcends far beyond today s popular quick fix recipes for success or self affirmation Instead it draws your attention to the extraordinary power of discovering and honing your well polished qualities and casting light on your Being to reveal the shadow or troubled parts of you explaining how those can be transformed Fundamentally this book focuses on how to BE so you can have whatever you care most about in life and make a meaningful contribution to humanity Why Startups Fail David Feinleib,2012-03-28 For the want to be entrepreneur thinking about taking the leap the boot strapped entrepreneur trying to energize a business three or four years in and the venture backed entrepreneur trying to scale Why Startups Fail shows you the key mistakes new ventures make and how to avoid them Nearly everyone has an idea for a product they could build or a company they could start But eight out of 10 new businesses fail within the first three years Even only one in ten venture backed startups succeeds and venture capitalists turn down some 99% of the business plans they see The odds appear to be stacked against you But entrepreneurs often make the same avoidable mistakes over and over Why Startups Fail can help you beat the odds and avoid the pitfalls and traps that lead to early startup death It s easy to point to successes like Apple Google and Facebook But the biggest lessons can come from failure What decisions were made and why What would the founders have done differently How did one company become a billion dollar success while another with a better product and in the same market fail Drawing on personal experience as well as the wisdom of the Silicon Valley startup community serial entrepreneur venture capitalist and blogger Dave Feinleib analyzes companies that have come and gone In short powerful chapters he reveals the keys to successful entrepreneurship Excellent product market fit passion

superb execution the ability to pivot stellar team good funding and wise spending In *Why Startups Fail* you ll learn from the mistakes Feinleib has seen made over and over and find out how to position your startup for success *Why Startups Fail* Shows venture backed startups and boot strappers alike how to succeed where others fail Is equally valuable for companies still on the drawing board as well as young firms taking their firststeps Takes you through the key decisions and pitfalls that caused startups to fail and what you can learn from their failures Covers the critical elements of entrepreneurial success
