Make The Old Testament Live From Curriculum To Classroom:

Make the Old Testament Live Richard S. Hess, Gordon J. Wenham, 1998 Written by educators from five continents this book offers fresh perspectives on teaching the old Testament today and addresses problems of Curriculum context and communication

Advances in the Study of Biblical Hebrew and Aramaic Benjamin J. Noonan, 2020-02-18 Advances in the Study of Biblical Hebrew and Aramaic by Benjamin J Noonan examines issues of interest in the current world of Biblical Hebrew and Aramaic scholarship and their impact on understanding the Old Testament it provides an accessible introduction for students pastors professors and commentators to understand these important issues

Enjoying the Old Testament Eric A. Seibert, 2021-11-16 Is it really possible to enjoy the Old Testament Eric Seibert understands why many Christians find this part of the Bible confusing theologically troubling or just uninteresting Offering dozens of practical exercises for hands on interaction with the text this unique resource equips readers with a variety of creative approaches to bring even the seemingly dry passages to life

The Blessing and the Curse Jeff S. Anderson, 2014-07-07 The magical power of the spoken word is a topic that often comes up in a discussion of biblical blessings and curses What is the source of social and linguistic power behind these blessings and curses Many theologians would agree that God can and does bless but does God also curse If so what does that mean to the biblical theology of the Old Testament and the Christian church Anderson's *The Blessing and the Curse* applies speech act theory as one way to understand the performative function of blessings and curses The concept of speech acts provides a method of recognizing the potent social power of language to accomplish certain ends without drawing a hard line of distinction between word magic and religion Even though the chief concepts and practices of blessings and curses are deeply rooted in the broad cultural environment of the ancient Near East tracing specific trajectories of Old Testament blessings and curses as theological themes conveys broad inescapable implications for the biblical narrative and the Christian church

Reading the Law J. G. McConville, Karl Møller, 2007-11-15 The volume will be a collection of essays by leading scholars on the interpretation of the Old Testament on the topics of law and ethics

Zion, City of Our God Richard S. Hess, Gordon J. Wenham, 1999 For three thousand years Jerusalem has held a special place in the hearts of Jews and Christians More than any other site in the Bible Jerusalem signifies God's judgment and hope It is the focus of much of the Old Testament and acquaintance with this background is essential for understanding the importance of the city in Jesus time in our own age and in the prophecies of the world to come

Fishers of Fish and Fishers of Men Tyler R. Yoder, 2016-09-01 The metaphor is a hallmark of Classical Hebrew poetry Some metaphors such as Yhwh is king or Yhwh is warrior play a foundational role The same does not hold for metaphors from the fishing industry Because they had access to only two major freshwater sources archaeological research demonstrates that this industry did not play a major socioeconomic role in ancient Israel Fishing has nevertheless made a substantial contribution to prophetic and wisdom literature All metaphors manifest reality but given the physical circumstances of a largely agrarian nonmarine

society what does the sustained presentation of fishing metaphors in the Hebrew Bible communicate Examining the use of fishing images in the Hebrew Bible is a formidable task that demands an open mind and a capacity to mine the gamut of contemporaneous evidence In *Fishers of Fish and Fishers of Men* Tyler Yoder presents the first literary study devoted to the fishing images used in the Hebrew Scriptures as well as in the Mesopotamian textual records This calls for a penetrating look into cultural contact with Israel's neighbors to the east Mesopotamia and southwest Egypt Though nearly all fishing metaphors in the Hebrew Bible carry overt royal or divine connotations that mirror uses well attested in Mesopotamian literature this comparative analysis remains a largely untapped area of research In this study of the diverse literary qualities of fishing images Yoder offers a holistic understanding of how one integral component of ancient Near Eastern society affected the whole bringing together the assemblage of disparate materials related to this field of study to enable scholars to integrate these data into related research and move the conversation forward

What is Stronger Than a Lion? Brent A. Strawn, 2005 Revised thesis Ph D Princeton Theological Seminary 2001 **Elenchus of Biblica**, 2005 Hebrew studies, 1999 Cumulated Index to the Books, 1999 **American Book Publishing Record Cumulative 1998** R R Bowker Publishing, 1999-03 **Index to Jewish Periodicals**, 2001 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests Current Contents.
