Making Christian Decisions In An Age Of Deception:

Making Christian Decisions in an Age of Deception Loyst R Streeter, 2021-02-06 A Changing World Christians as never before in history are being required to make decisions that previous generations never had to face Choices such as are you for or against stem cell research genetic engineering the right to die cloning security versus freedom environmental legislation global warming etceteras In addition there are the constant pleas for financial support from a hundred or more religious humanitarian and political organizations disaster relief children s hospitals television evangelists animal rights supporters requests that are not limited to local needs but global concerns The list goes on and on Sound decisions require an understanding not merely of the issue but also of the morals ethics mores culture and customs of society Furthermore time itself plays an important part in any decision What was true in a previous generation may no longer apply in today's world Last but by no means least Christians must answer to a higher authority What if anything do the scriptures teach that can help sort through the conflicting claims and rhetoric coming from every quarter In a world rife with mendacity and alternative facts responsible adults need to be constantly vigilant for deception especially when it is deceitfully disguised under the cloaks of religion and patriotism It is the Author's hope that this book will provide to the reader a valuable understanding into the decision making process itself and will help clarify all of the factors involved While this book is written from a Christian perspective anyone who is required to make important decisions will benefit from its insight and increase their ability to discern the true from the false As a result they will develop a much greater confidence in making sound decisions which in turn will lead to a more just and better world for themselves their children and all mankind Loyst R Streeter

Constructing Moral Concepts of God in a Global Age Myriam Renaud, 2022-07-29

Constructing Moral Concepts of God in a Global Age focuses on what people say and think about God rather than on arguments about God's existence It advances a theological method or step by step approach to explore and reframe personal convictions about God and the worldviews shaped by those convictions Since a moral God is more likely to foster a moral life this method integrates an ethical check to ensure that understandings of God and their associated worldviews are validly moral The proposed method builds on the work of twentieth century theologian Gordon Kaufman during the Kantian phase of his work It anticipates a person like God who hears prayers loves without end and comforts in times of hardship To accommodate today's pluralistic and globalized world the ethical check integrated in the method is a widely collaborative and vetted global ethic the Parliament of the World's Religions Declaration Towards a Global Ethic This volume of constructive philosophical theology is written for seminary students educators clergy study groups and anyone interested in delving more deeply and systematically into understandings of God whether their own or those of others

The Path Rev. Dr. Ebele

Okonkwo Onuigbo,2016-06-23 Decision making is a fundamental aspect of our daily lives shaping our paths through the resolutions we reach after careful consideration From the simplest choices to the most complex dilemmas individuals continuously navigate the terrain of decision making throughout their lifetimes These decisions serve as compass points guiding us toward the fulfillment of our goals and aspirations whether they lead to positive outcomes or negative consequences How many individuals truly take the time to thoroughly consider the available facts before diving into the decision making process Engaging in wise deliberation of facts prior to making a decision is crucial for ensuring that the resulting choice will have a meaningful impact whether on the individual themselves or the circumstances at hand So how does one go about making a wise decision It involves carefully weighing the available information considering potential consequences and evaluating the implications for both oneself and others in the surrounding community Ultimately the decisions we make not only shape our own lives but also have far reaching effects on the well being and experiences of those around us In the modern world we observe a striking dichotomy between Jesus purpose driven ethos and the prevalent self centered pursuits that often consume individuals Amidst the clamor for material possessions societal status and personal comfort many seem to lose sight of life s deeper significance While the pursuit of such desires is not inherently erroneous an excessive fixation on them can obscure individuals from fulfilling their higher calling **The Most Important Decision**

Conrad Saldanha ,2022-07-31 Synod on Synodality Is one of the most insidious action ever of a Pope in the history of humanity since its beginning which will definitely lead to its ultimate death The Synod in a true Socio Marxist Humanistic spirit rejects the true authority given by Christ to the Church The ultimate act of destruction of the institution founded by Christ The Author well versed in these games shows how Francis as Pope in a way rejects the elite governing body and reaches out to any untrained humans apparent empowerment in true Marxist style in order to surreptitiously arrive at his own predetermined goal through the Synod on Synodality The author having been instrumental in exposing such frauds right through his youth brings out the power game play at work In this people are merely used through lies and intrigues as a pawn to achieve one s own insidious agenda a predetermined end detrimental to their Salvation Thus the author analyses the mind set of Francis to reaffirm the point through pertinent select examples to keep the book short and the urgency to reach out palpable To assuage the faithful the author briefly and logically brings out the reason for such a catastrophic situation in the Church and the way to deal with it Ultimately the book doesn t disappoint but consoles one in the right hope that leads to peace Why wait pick up a copy of the book now so as to save your soul and of the many **Constructing Objectivity: Emotions in Legal**

Plesnicar,Louise Victoria Johansen,2025-08-28 The field of Law and Emotion originated in discussions that disputed the bifurcation of emotion and law In the past decade these discussions have inspired socio legal research on the dynamic and social dimensions of court work The field has grown exponentially in diverse disciplines such as sociology law philosophy anthropology and criminology At the core of legal decision making lies the fundamental principles of objectivity impartiality and independence The Research Topic Constructing Objectivity Emotions in Legal Decision making addresses the dialectical processes of translating these principles into everyday judicial practice across a wide range of legal systems Building on empirical research including observations interviews shadowing vignettes and workshops with legal professionals this collection engages with objectivity in the making It addresses such questions as What role does court architecture and material objects play in the emotional dynamic of the legal procedure How do judges manage victims emotional statements or evaluate their credibility How do judges make independent decisions in a collective setting What role does extra legal lay specialist expertise play in co constructing legal knowledge of relevance to decision making How do judges embrace the idea of objectivity How is all this influenced by the growing digitalization of courts and hearings In so doing it investigates the complexity of objectivity as an

Jenson, 2011-07 Volume 1 discusses dogmatics the Trinity the identity of God creation sin and Christology What Would Moses Say? Pamela Susanne Snyder, 2023-11-27 What Would Moses Say is a carefully researched and crafted book The author began with the premise that Moses s Law in fact much of Old Testament history is nonbinding for today s believer Her journey and findings brought a surprising revelation that all of God s word is useful for our spiritual growth As she explored each of the Ten Commandments the truth became even more clear The moral principles that God had established as a standard for the Israelites still hold true for today In fact as society continues to break down with prevailing lawlessness there has never been a better time than now to address our application of God s commandments Could it be that a careless disregard for the obsolete law is the reason for the lukewarm state of many believers in the twenty first century Decreased church attendance high divorce rates disobedient children loss of young adults to secular pursuits and an absence of God s name in day to day conversation all characterize the problem Could it be that good people who call themselves Christian could benefit from a deeper look at the Ten Commandments According to the findings the answer is yes The evidence points to the need for a new or renewed relationship with God s appointed head of the church Jesus Christ There cannot be any substantial law keeping in the absence of the lawgiver We must first love God the first commandment before we can love others The worldliness of today s church has impacted Christianity as we know it There is no other answer than to be unique and separate This book was written for readers in all stages of their spiritual journey It promises to be interesting challenging enlightening and instructional Use it for personal reading or a group study **The Healing Gods** Candy Brown, 2013-09-26 This book tells the surprising story of how complementary and alternative medicine CAM entered biomedical and evangelical Christian mainstreams despite its roots in non Christian religions and the lack of scientific evidence of its efficacy and safety An Ethnographic Study of African-American Women with Dysfunctional Histories Greenhow, 2010-12 Teria Greenhow is a graduate of Logos Graduate School with a Doctor of Religious Philosophy in Christian Counseling She hopes to draw closer to the Lord Jesus Christ and to encourage others to do the same to overcome any circumstance For more information about Teria Greenhow Ph D and to learn more about her research please contact teriagreenhow@yahoo.com Taking Hold of Eternal Life Paul Bird, 2022-02-14 The most important event of my life occurred during July 1969 when as an atheist I had an abrupt and totally unexpected encounter with the living God of the universe Believing I was thus born again from spiritual death and became by God s grace a new creation Since then I have been involved in a number of ministries traveled much lived in various countries My life has been exciting though not without sadness and tragedy When I encountered God I was a cynical hard bitten sarcastic sophist By His wonderful grace He has made me a hopefully productive member of His kingdom My consuming interest is to introduce others to the God I know For this is eternal life Taking Hold Of Eternal Life 1 Timothy 6 12 is what I did after God confronted me on the weekend of my

34th birthday July 27 1969 This book tells what led up to that momentous event and then what followed as God in His mercy delivered me from atheism and immediately plunged me into Biblical revelation and ministerial involvement in His kingdom As the account of my life walking hand in hand with Him shows in the pages of this book God used me in each of the five callings listed in Ephesians 4 11 Over the course of forty five years God has had me involved in numerous churches various ministries which has resulted in the comments and articles that are also contained in this book I pray that God uses this book to bless you greatly **Morning Serenity , Attacks on Christendom in a World Come of Age** Matthew D.

Kirkpatrick, 2011-08-19 Though Soren Kierkegaard and Dietrich Bonhoeffer both made considerable contributions to twentieth century thought they are rarely considered together Against Kierkegaard s melancholic individual Bonhoeffer stands as the champion of the church and community In Attacks on Christendom Matthew D Kirkpatrick challenges these stereotypical readings of these two vital thinkers Through an analysis of such concepts as epistemology ethics Christology and ecclesiology Kirkpatrick reveals Kierkegaard s significant influence on Bonhoeffer throughout his work Kirkpatrick shows that Kierkegaard underlies not only Bonhoeffer s spirituality but also his concepts of knowledge being and community So important is this relationship that it was through Kierkegaard s powerful representation of Abraham and Isaac that Bonhoeffer came to adhere to an ethic that led to his involvement in the assassination attempts against Hitler However this relationship is by no means one sided Attacks on Christendom argues for the importance of Bonhoeffer as an interpreter of Kierkegaard drawing Kierkegaard s thought into his own unique context forcing Kierkegaard to answer very different questions Bonhoeffer helps in converting the obscure obdurate Dane into a thinker for his own unique age Both Kierkegaard and Bonhoeffer have been criticized and misunderstood for their final works that lay bare the religious climates of their nations In the final analysis Attacks on Christendom argues that these works are not unfortunate endings to their careers but rather their fulfilment drawing together the themes that had been brewing throughout their work
