Disney, Culture, and Curriculum Jennifer A. Sandlin,Julie C. Garlen,2016-03-10 A presence for decades in individuals everyday life practices and identity formation the Walt Disney Company has more recently also become an influential element within the big curriculum of public and private spaces outside of yet in proximity to formal educational institutions Disney

Culture and Curriculum explores the myriad ways that Disney's curricula and pedagogies manifest in public consciousness, cultural discourses, and the education system. Examining Disney's historical development and contemporary manifestations, this book critiques and deconstructs its products and perspectives while providing insight into Disney's operations within popular culture and everyday life in the United States and beyond. The contributors engage with Disney's curricula and pedagogies in a variety of ways through critical analysis of Disney films, theme parks, and planned communities, how Disney has been taught and resisted both in and beyond schools, ways in which fans and consumers develop and negotiate their identities with their engagement with Disney, and how race, class, gender, sexuality, and consumerism are constructed through Disney content. Incisive, comprehensive, and highly interdisciplinary, *Disney Culture and Curriculum* extends the discussion of popular culture as curriculum and pedagogy into new avenues by focusing on the affective and ontological aspects of identity development, as well as the commodification of social and cultural identities, experiences, and subjectivities.

Reading Across Multiple Texts in the Common Core Classroom, K-5 Janice A. Dole, Brady E. Donaldson, Rebecca S. Donaldson, 2014-07 This teacher-friendly resource addresses one of the most important critical reading skills in the Common Core State Standards: reading across multiple texts. As the world grows ever more complicated, students more than ever need to become skillful at reading multiple sources, comparing, contrasting, and integrating texts. Responding specifically to Standards 7 and 9, this guide shows teachers how to work with students as they read, think about, critique, and evaluate multiple texts, including narrative and informational print, graphic, and video, hard copy, and online. The authors provide strategies for helping students answer text-dependent questions, find evidence in a text, and scan for information. Model lessons developed and taught by the authors and their professional colleagues will be especially useful to teachers.

whether they are beginning or expanding their own teaching of multiple texts The Silent Partner ,1921 **Lily's Wishful Garden** AQEEL AHMED,2023-10-27 This lovely book Lily s Wishful Garden takes readers to a small picture perfect town tucked between a sparkling river and rolling hills Lily a tiny child is the main character of the story She is known for being very kind and very interested in everything She lives with her parents Mr and Mrs Johnson in a small house In their backyard she finds a magical garden that gives wishes This garden is one of a kind with daisies that look like stars and bright singing flowers that cast soothing light The coolest thing about it is that it can grant wishes if the people who make them are kind and sincere When Lily is old enough to understand its power her parents bring her to this garden and teach her how to ask for the best Lily makes her first wish with a special seed from the garden She wants something that will make everyone in the town happy She takes very good care of the seed and watches it grow into a beautiful plant with green leaves The seed bears fruit after a few weeks a bunch of pretty flowers This meets her goal Lily s heart is full of love as she gives the flowers to the other people in the town and they are very thankful Lily keeps making wishes for others in the garden and the neighborhood turns into a happy place where everyone can live together in peace and laugh One day Lily finds a strange plant in the yard Its blooms reflect light in a rainbow shape She knows that now is the right time to give her biggest wish yet one that will have an impact on the whole world As Lily begs the garden a soft breeze blows the seeds of happiness into the air making Lily s wish reach many hearts Every season Lily s wish comes true a little more People care about the earth there is a lot of kindness and warmth and there is so much happiness The story of Lily s Wishful Garden gives the world its inspiration to change into a place of peace and hope Reading this book will always be meaningful and inspiring for people of all ages because it shows so well how kindness love and selflessness can bring about good things Following Lily s request and her journey as the caretaker of the magical garden showed the lasting magic in people s hearts and the power of true wishes to change things This is how the story starts A long time ago there was a little girl named Lily who lived in a peaceful town with rolling hills and water that flowed slowly Lily lived in a lovely town with a thatched roof It was a safe place to escape the wild things that happen in nature Being around her was always a joy and she was very interested in everything around her But the most attention was paid to the lush area behind the house a beautiful yard like no other This garden wasn t like any other it was a beautiful spot where dreams could come true The parents of Lily Mr and Mrs Johnson had found the beautiful garden s secret gem many years ago It had won their hearts so they chose to tell Lily the closely guarded secret when she was old enough to understand how powerful it could be The flowers in this beautiful garden were so bright and colorful that they seemed to sparkle with an ethereal brightness as they were lit by the sun Roses were among these beautiful flowers Their leaves showed a rainbow of bright colors and made lovely sounds that people found relaxing like the sound of a faraway symphony Lilies that were bathed in soft beautiful light sent a sense of peace to everyone who came across them The stars which were spread out across the yard like celestial constellations made the petals of the daisies shine with the brightness of

the stars Their love for the garden s magic was so strong that they decided to tell Lily its carefully kept secret as soon as she was old enough to understand its overwhelming power This magical garden was a big canvas full of many bright colorful flowers that sparkled like ethereal gems in the soft sunlight There were roses among the magical flowers The petals were a beautiful patchwork of colors that made you feel good with sounds that sounded like an orchestra playing far away Everyone who came into contact with lilies felt calm because of the beautiful peaceful light they gave off Daisy sparkled with a brightness that made me think of the stars that were spread out across the yard like constellations in the night sky The most amazing thing about the garden though was that it could grant wishes People used to say that if a certain seed was planted in rich soil and cared for with love and attention to detail the garden would make the things that people wanted come true That being said there was a big disclaimer in this beautiful fabric of wishes The wish had to come from a pure heart that didn t care about itself without the evil shadow of greed But the garden was the most beautiful because it had the power to make dreams and make them come true According to a story if a certain seed is placed and loved forever the garden will work its magic to make one s wildest dreams come true In the middle of this magical web of wants though one important factor jumped out Many people thought that the wish had to come from a heart that was completely unselfish and free of any selfishness Even with all of its beauty the most amazing thing about the garden was that it could grant dreams A common belief was that if a certain seed was planted and cared for with the greatest love and care the garden would have to make plans for the person to achieve their deepest desires That being said there was a situation that made making wishes better like a symphony with a small but powerful change The desire had to come from a place where there was no selfishness or bad motives Still there was one thing about the garden that stood out it had the power to make dreams come true A lot of people thought that if they put a special seed and loved and cared for it the garden would do its magic and make all their dreams come true It was possible to make wishes come true but there was a big catch that would test your goals People were sure that the wish had to come from a heart that was free of the darkness of greed and full of the light of selflessness While the garden on the other hand has a special quality that no other place has it can fulfill wishes Many people thought that if a certain valuable seed was placed and lovingly cared for the garden would work its magic and turn the threads of desire into real things But somewhere in this country wishes were needed in a very important way that made wishes themselves very important It was made clear that the wish had to come from a heart that wasn t selfish that it had to come from a heart that was pure and full of selfless purpose One bright morning Lily s mother carefully walked up to her daughter as the sun s golden rays danced through the big oak tree s lush leaves casting beautiful shadows on their house She held a tiny gem in the palm of her hand It was a seed that looked like it was full of stardust It was the seed from the magical garden from the story
