**MAKE ENDS MEET**

# Making Ends Meet

**Kathryn Edin, Laura Lein**

## **Making Ends Meet:**

**Making Ends Meet** David Caplovitz, 1979-08      **Making Ends Meet** Barbara Howar, 1976      Making Ends Meet Ian Wedde, 2005

Passionate witty and erudite these essays by a radical curator describe how museums approach their sometimes conflicting missions to sponsor scholarship generate popular appeal and claim social significance This analysis includes discussions of art and ethnology the failure of late Modernist art history the construction of official culture the intellectual history of European exploration in the Pacific problems with cultural studies of the Pakeha Maori and the conservation of archives and narratives

**Making Ends Meet** Kathryn Edin, Laura Lein, 1997-04-17

Welfare mothers are popularly viewed as passively dependent on their checks and averse to work Reformers across the political spectrum advocate moving these women off the welfare rolls and into the labor force as the solution to their problems Making Ends Meet offers dramatic evidence toward a different conclusion In the present labor market unskilled single mothers who hold jobs are frequently worse off than those on welfare and neither welfare nor low wage employment alone will support a family at subsistence levels Kathryn Edin and Laura Lein interviewed nearly four hundred welfare and low income single mothers from cities in Massachusetts Texas Illinois and South Carolina over a six year period They learned the reality of these mothers struggles to provide for their families where their money comes from what they spend it on how they cope with their children s needs and what hardships they suffer Edin and Lein s careful budgetary analyses reveal that even a full range of welfare benefits AFDC payments food stamps Medicaid and housing subsidies typically meet only three fifths of a family s needs and that funds for adequate food clothing and other necessities are often lacking Leaving welfare for work offers little hope for improvement and in many cases threatens even greater hardship Jobs for unskilled and semi skilled women provide meager salaries irregular or uncertain hours frequent layoffs and no promise of advancement Mothers who work not only assume extra child care medical and transportation expenses but are also deprived of many of the housing and educational subsidies available to those on welfare Regardless of whether they are on welfare or employed virtually all these single mothers need to supplement their income with menial off the books work and intermittent contributions from family live in boyfriends their children s fathers and local charities In doing so they pay a heavy price Welfare mothers must work covertly to avoid losing benefits while working mothers are forced to sacrifice even more time with their children Making Ends Meet demonstrates compellingly why the choice between welfare and work is more complex and risky than is commonly recognized by politicians the media or the public Almost all the welfare reliant women interviewed by Edin and Lein made repeated efforts to leave welfare for work only to be forced to return when they lost their jobs a child became ill or they could not cover their bills with their wages Mothers who managed more stable employment usually benefited from a variety of mitigating circumstances such as having a relative willing to watch their children for free regular child support payments or very low housing medical or commuting costs With first hand accounts and detailed financial data Making Ends Meet tells the real story of the

challenges hardships and survival strategies of America's poorest families If this country's efforts to improve the self sufficiency of female headed families is to succeed reformers will need to move beyond the myths of welfare dependency and deal with the hard realities of an unrewarding American labor market the lack of affordable health insurance and child care for single mothers who work and the true cost of subsistence living *Making Ends Meet* is a realistic look at a world that so many would change and so few understand **Making Ends Meet**, 2015 **Making Ends Meet** Beverly R.

Howell, Bobbie Ruth Dixon Shaffett, Mississippi State University. Extension Service, 2005 **Making Ends Meet** Liz Webster, 1992 *Making Ends Meet* David Patton, Ron Powers, Steve Herminghausen, Ilse Tebbetts, National Issues Forums Institute, 2005 *Making Ends Meet* Klaus Nürnberger, 2008 **Making Ends Meet** Beverly Riggs Howell, Mississippi State University. Cooperative Extension Service, 1993 *Making Ends Meet in Contemporary Russia* Simon Clarke, 2002

This book reviews the available data to analyse the forms scale and incidence of these phenomena The author finds that so called survival strategies merely represent a continuation of traditional Soviet practices He demonstrates that they disproportionately benefit the better off and that they do not provide a means by which those who have suffered misfortune can compensate for a fall in their earnings Instead he illustrates that most Russian households have adapted simply by cutting expenditure rather than by finding new sources of income The author concludes by arguing that the notion of a household survival strategy is inappropriate for the study of post Soviet society **BOOK JACKET** *How to Make Ends Meet: A Prescription for Her Financial Wellness* Jennie Coombs Dixon Chfc, 2021-01-31 Have you ever wondered why as you are about to make ends meet someone moves the ends Does it seem like others in your peer group are headed for prosperity while you are destined for a life of financial struggle You work hard for your money and try to save but there is never enough to pay the bills save for your future pay off your credit card debt and have a little fun along the way *How to Make Ends Meet* c is an easy to read easy to understand money management primer Suitable for any income level it is an action oriented guide for getting control over your money so you can begin living the life you envision Packed with practical advice about money matters this book gives you the information you've been searching for It walks you through the basics of creating a plan to help you manage the money you've got so you can achieve your goals This friendly guide now revised and updated shows easy steps to help you Organize your finances Set financial goals Craft a workable spending plan Get out of debt Save for the future Deal with financial stress Plan for your family and much more This book is the outcome of more than two decades of author research education and experience in personal finance What you hold in your hands is not merely a book but an invitation to become aware go beyond and breathe easier as you journey to financial wellness **MAKING ENDS MEET**. ANNA. CLIFTON, 2016 **Making Ends Meet: Challenges Facing Working Families in America** Committee on the Budget, 2002 *Reducing Inequalities* Renato Miguel Carmo, Cédric Rio, Márton Medgyesi, 2018-01-17 This edited collection analyses social inequality in the European Union within and between countries The work critically explores both

vertical inequality existing between those with high incomes and low incomes and horizontal inequality existing between groups according to nationality age ethnicity and gender Reducing Inequalities has been written by leading academics in the field who describe the current social situation in the European Union focussing on inequality from a multidimensional perspective that includes income poverty social exclusion education The authors argue that social issues such as these have become national prerogatives for countries within the European Union In response they ask How does the European Union engage with inequality today What principles of social solidarity ought to be applied between states and citizens of the European Union What should be the role of European Union and its institutions regarding the challenge of reducing inequality This book will be of interest to anyone seeking to understand inequality as a multidimensional concept rather than solely as an economic phenomenon across different geographical and historical contexts *Making Ends Meet* Barbara R. Rowe, Kay Hansen, Utah State University. Cooperative Extension Service, 1990

*A Dictionary of Anglo-American Proverbs & Proverbial Phrases, Found in Literary Sources of the Nineteenth and Twentieth Centuries* George B. Bryan, Wolfgang Mieder, 2005 A Dictionary of Anglo American Proverbs Proverbial Phrases Found in Literary Sources of the Nineteenth and Twentieth Centuries is a unique collection of proverbial language found in literary contexts It includes proverbial materials from a multitude of plays auto biographies of well known actors like Britain s Laurence Olivier songs by William S Gilbert or Lorenz Hart and American crime stories by Leslie Charteris Other authors represented in the dictionary are Horatio Alger Margery Allingham Samuel Beckett Lewis Carroll Raymond Chandler Benjamin Disraeli Edward Eggleston Hamlin Garland Graham Greene Thomas C Haliburton Bret Harte Aldous Huxley Sinclair Lewis Jack London George Orwell Eden Phillpotts John B Priestley Carl Sandburg Harriet Beecher Stowe Jesse Stuart Oscar Wilde and more Many lesser known dramatists songwriters and novelists are included as well making the contextualized texts to a considerable degree representative of the proverbial language of the past two centuries While the collection contains a proverbial treasure trove for paremiographers and paremiologists alike it also presents general readers interested in folkloric linguistic cultural and historical phenomena with an accessible and enjoyable selection of proverbs and proverbial phrases

*"Yes We Can"* Wolfgang Mieder, 2009 As President Barack Obama outlined his promise for change during the presidential campaign he made effective use of proverbs and proverbial phrases and invented many quotable epithets that have all the makings of future proverbs This book examines how Obama s natural and authentic reliance on traditional metaphors enhances his impressive rhetoric rather than reducing it to mere sound bites Proverbs with their often colorful metaphors add expressiveness and emotion to his communications giving people the opportunity to follow his pragmatic or philosophical arguments through common language No matter the subject Obama s prose contains metaphorical language that makes his rhetoric and oratory universally accessible This book contains detailed analyses of the proverbial rhetoric in Obama s books *Dreams from My Father* 1995 and *The Audacity of Hope* 2006 A section looks at his proverbial language in 229 speeches news conferences interviews and radio addresses and

the final section presents in depth studies of his seven most significant addresses It includes a comprehensive contextualized index of 1714 proverbial texts found within the writings and speeches from Obama s political beginnings to his memorable inaugural address

**Making Work Pay** Bruce D. Meyer,Douglas Holtz-Eakin,2002-01-10 Since its inception under President Ford in 1975 the Earned Income Tax Credit EITC has become the largest antipoverty program for the non elderly in the United States In 1998 more than nineteen million families received EITC payments and the program lifted over four million Americans above the poverty line Despite the rapid growth of the EITC throughout the 1990s little has been written about how the program works or how it affects low income families Making Work Pay provides the first full scale examination of the EITC exploring its effects on income distribution poverty work and marriage Making Work Pay opens with a history of the EITC its emergence in the 1970s as a pro work low cost antipoverty program and its expansion through the 1980s and 1990s The central chapters in the volume look at the substantial impact of the EITC on work incentives in recent years and show that the program in combination with welfare reform and a strong economy has led to an unprecedented increase in the employment of single mothers In one study researchers conclude that the EITC with its stipulation that one family member be a wage earner was the most important change in work incentives for single mothers between 1984 and 1996 a period when the employment rate of single mothers rose sharply Several chapters outline proposals for reforming the program addressing the concerns by policymakers about the work disincentives that rise as benefits fall with increasing income Finally Making Work Pay examines how EITC recipients view the credit and what they do with it once they get it The contributors find that not only does EITC s lump sum payment increase consumption but it also allows recipients to make changes in economic status Many families use the end of the year payment as a form of forced savings enabling them to save for home improvement a new car or other purchases to improve their lives and providing the extra economic cushion needed to move beyond mere day to day survival Comprehensive in scope Making Work Pay is an indispensable resource for policymakers administrators and researchers seeking to understand the ramifications of the country s largest programs for aiding the working poor

**Imaginings** Sainz Lopez,2008-09-28 Imaginings A book of experiences imaginations and inspirations Covering world events such as Twin Towers Pyres Of Death Witches Ghosts and Goblins not excluding Suicide children and the pitfalls they encounter approaching adulthood This book is soothing to the mind therapeutic and easy to read It hovers around the Cosmics global warming nature muscrats birds and the bees oceans creeks rivers and waterfalls growing up in Brooklyn while trying to make ends meet You can just about swim in it as you read It will take you places you ve never been never seen Thank you for bringing my words into your world
