Making Love How To Be Your Own Sex Therapist:

Making Love Patricia E. Raley, 1976 **Make Love, Not War** David Allyn, 2016-05-23 When Helen Gurley Brown's *Sex and the Single Girl* hit bookstores in 1962 the sexual revolution was launched and there was no turning back Soon came the pill the end of censorship the advent of feminism and the rise of commercial pornography Our daily lives changed in an unprecedented time of sexual openness and experimentation *Make Love Not War* is the first serious treatment of the complicated events ideas and personalities that drove the sexual revolution forward Based on first hand accounts diaries interviews and period research it traces changes in private lives and public discourse from the fearful fifties to the first tremors of rebellion in the early sixties to the heady heyday of the revolution Bringing a fresh perspective to the turbulence of these decades David Allyn argues that the sexual revolutionaries of the 60s and 70s by telling the truth about their own histories and desires forced all Americans to re examine the very meaning of freedom Written with a historian's attention to nuance and a novelist's narrative drive *Make Love Not War* is a provocative vivid and thoughtful account of one of the most captivating episodes in American history Also includes an 8 page insert *How to Make Love All Night (And Drive a Woman Wild)* Lance Candella, 2015-12-27 Daniel and Allison have been making love on a rainy Sunday morning and they are both totally turned on It started in the shower with a slow massage and moved to the bedroom where they have been having intercourse for the past ten minutes Daniel knows that Allison needs at least another five minutes of intercourse before she can climax Here's the problem Daniel doesn't think he has five minutes left in him If Daniel continues having intercourse the way he has for the past ten minutes it may be only a matter of seconds before he has an orgasm He thinks about slowing down or stopping but to break the rhythm now would only make it more difficult for Allison to climax He knows that Allison is at that stage where any kind of change in his movement would only frustrate her Besides if he tried to stop or to change the rhythm Daniel could lose strength in his erection which would complicate matters even further This dilemma is making the whole experience a lot less pleasurable for Daniel The first few minutes of sex were pure excitement but now he is worried and conflicted It is hard to enjoy sex when you're fighting your own body Truth is you really can't enjoy sex when you're fighting your own body And neither can your partner What Daniel does not yet know is that he has another option male multiple orgasm The multi orgasmic man has staying power He doesn't have to hold back He doesn't have to fight his own body and deny himself his own pleasure He can enjoy all of the erotic sensations of intercourse have a full orgasm and keep going If he wishes he can have a second orgasm and keep going He can last as long as his partner wishes experience all of the excitement and release and keep going For the multi orgasmic man the sky is truly the limit Daniel is not the only man who has this exciting option Today techniques have been perfected to make male multiple orgasm an option for almost every man Age doesn't matter Previous experience doesn't matter Young or old virgin or veteran all you need is the desire your penis and a few minutes a day So don't stop now Turn the page and cross the threshold into a whole new sense of your own

sexuality and a whole new relationship for you and your partner Enjoy your ebook Sex how to make love all night
