The Chieftain and the Chair Maggie Taft,2023-05-22 A history of how Danish design rose to prominence in the postwar United States becoming shorthand for stylish modern comfort Today Danish Modern design is synonymous with clean midcentury cool During the 1950s and 60s it flourished as the furniture choice for Americans who hoped to signal they were current and chic But how did this happen How did Danish Modern become the design movement of the times In The Chieftain and the Chair Maggie Taft tells the tale of our love affair with Danish Modern design Structured as a biography of two iconic chairs Finn Juhl s Chieftain Chair and Hans Wegner s Round Chair both designed and first fabricated in 1949 this book follows the chairs from conception and fabrication through marketing distribution and use Drawing on research in public and private archives Taft considers how political economic and cultural forces in interwar Denmark laid the foundations for the postwar furniture industry and she tracks the deliberate maneuvering on the part of Danish creatives and manufacturers to cater to an American market Taft also reveals how American tastemakers and industrialists were eager to harness Danish design to serve American interests and how furniture manufacturers around the world were quick to capitalize on the fad by flooding the market with copies Sleek and minimalist Danish Modern has experienced a resurgence of popularity in the last few decades and remains a sought after design This accessible and engaging history offers a unique look at its enduring rise among tastemakers

Furniture Penny Sparke,1986      *Danish Modern Furniture, 1930-2016* Per H. Hansen,2018 The translation of Per H Hansen s magisterial history of Danish modern furniture has been eagerly awaited for some time The book presents a refreshing perspective from a business historian who weaves together ideas about image branding and national identity to reposition the standard narrative of modern Danish furniture Thoroughly researched and clearly argued it makes valuable archival information available to the English reader for the first time and will become a standard reference on the subject

**Georg Jensen** Alison Fisher,2018-01-01 This beautifully illustrated catalogue explores how Georg Jensen silver has expanded the boundaries of modern style changing the look of twentieth century homes and spreading Scandinavian design around the world *Design for Everyday Living* is the first scholarly treatment of Georg Jensen to approach the firm s output in an analytical way situating it in the context of twentieth century design history and focusing on the firm s unique evolution

and global influence This book is geared to a wide audience of interested nonspecialists and design historians rather than to a narrower readership of silver collectors It is also innovative in that it focuses on the story of the firm rather than solely on the career of its founder The essays are all original and include a contribution from Thomas Thulstrup the leading expert on Georg Jensen silver The book also benefits from a close collaboration with the Jensen firm which has allowed us access to images and archival materials published here for the first time     International Management Dean McFarlin,Paul D. Sweeney,2014-04-04 McFarlin and Sweeney provide students with an accessible application oriented approach to international management focusing on key challenges including motivation leadership and communication across cultural boundaries The book gives students a global perspective on the process of hiring training and developing employees as well as strategic decision making in relation to foreign markets Questions case studies examples of creative problem solving and testimonials from real world managers operating in the international arena are just a few of the tactics McFarlin and Sweeney use to help students begin to think about applied theory on a global level All chapters have been updated with recent articles from leading business sources and academic journals and new case studies have been incorporated     *Good Furniture and Decoration* ,1928     **Danish Foreign Office Journal** ,1968
