Paul Fromberg,2017-05-01 Everyday actions work to transform life personally and in community It s all too common for Christians to wonder if Jesus came to bring transformation and wholeness why do I still feel like the same old me and struggle with the same issues as always Paul Fromberg rector of St Gregory of Nyssa Episcopal Church in San Francisco offers a practical approach to life transformation that proves that church if done right can be the catalyst for bringing about real change in people s lives For those frustrated that they haven t had real experiences of transformation in their churches

and for church leaders who are frustrated that members aren't being transformed by their experiences in church Fromberg presents a way to move beyond cynicism sadness and alienation and reconnect with the deep passionate beautiful life that God has in mind for us The first step is to question assumptions but it takes relationships to make this change and courage to risk what you know for the sake of being made new The intersection between beauty justice and friendship is the place where people can dare to be transformed The best gift the church can give is to make transformation a real part of people's lives
