

An artistic illustration featuring a person with short brown hair, wearing a blue long-sleeved shirt and dark trousers, standing with their back to the viewer on a light-colored path. The path leads towards a large, glowing world map in the background. The map is framed by a thick, swirling ring of orange and yellow clouds. The entire scene is set against a dark blue background filled with smaller, lighter blue clouds and numerous small, glowing orange and yellow spheres, resembling distant planets or stars. The overall mood is one of exploration and hope for the future.

Making Of Tomorrow:

Making the Team LaurieLee Mitchell,2019-11-23 Tika has her heart set on getting a spot on the soccer team In this story she has many exchanges with family and friends and they all offer her advice on how best to achieve her goal Ultimately through late night conversation with her beloved bear friend Emri she is reminded of the wisdom she carries within and the importance of listening to your heart She learns that promising I ll be happy when if postpones the happiness we could be luxuriating in today and that we need to be in charge of that happiness ourselves instead of giving that power to others We know that we have innate knowledge that feeling in our gut when all evidence points elsewhere can t be denied We need to remember to trust in this as well as the good advice of others The story also touches on the concept of worry and trying to be what others expect of us Anyone who has ever really really wanted something will relate to this story
