Uysal, 2025-08-21 This book interrogates language teacher identity construction negotiation and meaning making in today's ever changing global contexts By exploring language teacher identity through a critical lens and drawing on insights from language teachers and language teacher educators it provides a deep understanding of how identity construction unfolds and transforms teaching practices Its chapters use a wide range of methodologies and theoretical perspectives including World

Englishes raciolinguistics postcolonial theory and auto ethnography This wealth of international case studies moves beyond simply contrasting native and non native speaking teachers to instead highlight their intersectional identities This approach foregrounds and problematizes the power imbalances woven into language teaching and teacher education documenting ways in which language teachers can advocate for themselves their profession students families and their communities It also suggests ways of sharing innovative critical approaches at the intersection of LTI agency and today s complex socio political and socio historical contexts

**Inclusion in Urban Educational Environments** Denise E. Armstrong, Brenda J. McMahon, 2006-06-01 This book is motivated by our experiences in working with students and their families in urban communities We are particularly concerned about the urgent imperative to address the endemic educational and societal challenges that pervade the lives of urban students particularly those who live in poverty are of minority and immigrant backgrounds and are otherwise marginalized within the current educational discourses and practices In spite of the fact that over the last 3 decades policy makers educators and communities across the globe have called for in depth structural changes this is rarely evidenced in the discourses practices and structures within academic and practitioner spheres This reluctance despite articulations to the contrary can be directly linked to normative theoretical and practical perspectives that are defined by assumptions that constrain urban students within restrictive boundaries These narrow outsider worldviews based on notions of what ought to be combined with ignorance of the realities of students lives focus on deviance and deficits They blind prospective change agents to the strengths and richness that students bring and they delimit the transformative potential of social justice praxis within urban environments The resulting discourse in the form of deficit beliefs thoughts actions and dialogues shapes urban research theory and practice We contend that in order to counteract the debilitating impacts of these harmful constructions of urban and social justice it is important to clarify this terminology

**Autism Spectrum Disorders** Megan Moore Duncan, Jeanne Holverstott, Brenda Smith Myles, Terri Cooper Swanson, 2007-09-30 With the increased number of children being diagnosed with Autism Spectrum Disorders parents and professionals are in search of materials that provide information that will enable them to better understand affected children While in the past individuals who were diagnosed had limited verbal and intellectual skills newly diagnosed children often have good language skills and even areas of giftedness This A to Z work contains original entries on the topic of Autism Spectrum Disorders Entries include facts about disabilities personal and historic perspectives interventions assessments educational methods trusted internet resources and national organizations The work outlines the contributions of founding researchers and other professionals and includes personal perspectives from individuals with ASD and their parents It also includes lesson plans that can be implemented in a home school or community setting No other such definitive resource exists that provides both educational and practical information related to ASD

*Intelligent Leadership* John M. Burger, Charles F. Webber, Patricia Klinck, 2007-08-16 Effective educational leadership while highly contextualized is more and more recognized as a crucial

input and process variable that determines to a very large extent the outcomes for educational organizations This book pulls together the thinking of 16 educators with diverse backgrounds and experiences all of whom hold keen interests in harnessing the forces that can improve educational opportunity for students Becoming an effective education leader requires more than a passing knowledge of leadership theory it also requires knowledge of what works in education and an on going commitment to thinking about how leadership dynamics and pedagogical theory intersect within contextual realities Intelligent Leadership Constructs for Thinking Education Leaders is intended to stimulate the thinking of every educator who aspires to influence decision making and to provide direction to their school district or institution [Encyclopedia of Educational Reform and Dissent](#) Thomas C. Hunt, James C. Carper, Thomas J. Lasley, II, C. Daniel Raisch, 2010-01-12 Educational reform and to a lesser extent educational dissent occupy a prominent place in the annals of U S education Whether based on religious cultural social philosophical or pedagogical grounds they are ever present in our educational history Although some reforms have been presented as a remedy for society s ills most programs were aimed toward practical transformation of the existing system to ensure that each child will have a better opportunity to succeed in U S society Educational reform is a topic rich with ideas rife with controversy and vital in its outcome for school patrons educators and the nation as a whole With nearly 450 entries these two volumes comprise the first reference work to bring together the strands of reform and reformers and dissent and dissenters in one place as a resource for parents policymakers scholars teachers and those studying to enter the teaching profession Key Features Opens with a historical overview of educational reform and dissent and a timeline of key reforms legislation publications and more Examines the reform or dissent related to education found in theories concepts ideas writings research and practice Addresses how reformers and dissenters become significant culture shaping people and change the way we conduct our lives Key Themes Accountability Biographies Concepts and Theories Curriculum and Instruction Diversity Finances and Economics Government Organizations Advisory Organizations Business and Foundations Organizations Curriculum Organizations Government Organizations Professional Organizations Think Tanks Public Policy Religion and Religious Education Reports School Types Special Needs Technology This authoritative work fills a void in the literature in the vast areas of educational reform and dissent making it a must have resource for any academic library Availability in print and electronic formats provides students with convenient easy access wherever they may be *Condition Critical—Key Principles for Equitable and Inclusive Education* Diana Lawrence-Brown, Mara Sapon-Shevin, 2015-04-26 This important book provides a unique merging of disability studies critical multiculturalism and social justice advocacy to develop both the knowledge base and the essential insights for understanding and implementing fully inclusive education Although inclusion is often viewed in schools as primarily serving students with disabilities this volume expands the definition to include students with a broad range of traditionally marginalized differences including but not limited to disabilities cultural linguistic racial background gender sexual orientation religion and class
