Leader's Guide for Making Disciples: Faith Formation in the Wesleyan Tradition, Sondra Higgins Mathei [sic] Sara J. Fleming, 2001 Formation in Faith Sondra Higgins Matthaei, 2008-01-01 The ministry of congregations is to make disciples of Jesus Christ Behind that simple and seemingly self evident statement lies a problematic reality however While congregations know that disciple making is at the heart of their identity they often have trouble understanding how to go about it Apart from such traditional Christian education ministries as Sunday school too little formal thinking or planning goes into the task of forming Christians in the faith In this book Sondra Matthaei casts a vision in which congregations open up their life of faith to others as an invitation to connect the universal longing for authentic relationships and deeper meaning with the church's practice of faithful discipleship As folks enter the church's communion of grace Matthaei challenges church leaders to utilize the gifts of every member and lays out a plan to help congregations grow in faith and communion with God and creation including the context and goal of such ministry deciding what to teach and who shall teach and attendant relationships structures and practices **Making Disciples [MobiPocket EBook]** Sondra Matthaei, 2005-04-01 How is it that we come to know ourselves as Christian What were the elements and their interrelationships of John Wesley's work that contributed to spiritual formation for a Christian life Focusing on matters of formation and transformation in faith Sondra Matthaei answers such questions in light of early Methodist practices of formation Through research and dialogue with Wesleyan scholarship and constructive proposals related to the life of the church this insightful study encourages faithful and imaginative approaches to spiritual formation in churches today Key Features Focus is on matters of formation and transformation in faith Answers the question How do we come to know ourselves as Christian Analyzes these questions in light early Methodist practices of formation and an ecology of education within the Methodist movement Key Benefits The reader will understand John Wesley's idea of character formation and moral transformation The reader will understand how

Making Disciples in a World Parish Paul W.

Chilcote,2011-04-01 In this collection of inspirational and challenging essays Methodists from around the globe reflect on the practice of disciple making in their own contexts From their own perspectives they address questions like What are the challenges you face What biblical images shape your missional practice What examples of Christian authenticity inspire your communities What gifts related to mission and evangelism do you offer the global community of faith Churches on every continent have their own stories of struggle and faithfulness Indeed each distinct community within any given region has a voice of its own that deserves to be heard The voices included in this volume belong to women and men alike Likewise they resound with the accents of Africa and Asia Latin and North America Europe and Oceania Each voice is distinct but all articulate a vision of faith made effective through love In a world characterized variously by poverty and violence as well as prosperity and peace the church must reclaim its central mission to make disciples of Jesus Christ In their effort to articulate a vision of mission and evangelism the contributors to this volume bear witness to the fact that we can no longer do this work in isolation from one another To be the ambassadors of the gospel we need each other and we need to pay attention to the voices that sound different from our own This volume takes a large step in that vital direction

Seeking the Lost,

Keeping Them, Making Them Disciples

Dr. Benoit Petit-Homme,2018-08-27 Seeking the Lost Keeping Them Making Them Disciples By Dr Benoit Petit Homme God bless Dr Benoit Petit Homme for all the work he has done in putting this book together I believe that any church or leader who will follow these biblically grounded principles will see beautiful results in changed lives for the kingdom Teresa L Reeve PhD Associate Dean Seventh day Adventist Theological Seminary Associate Professor of New Testament Contexts Andrews University United States of America Dr Benoit Petit Homme s contribution to the discipleship crisis is a compelling re examination of scripture church history and 21st century pastoral experience Practical and convincing his straightforward style brings real solutions to the evangelistic Achilles heels of attrition He reminds us of what has been forgotten and calls us back to our relational roots Pr Ron Kelly Senior Pastor Village Seventh day Adventist Church Berrien Springs Michigan United States of America Seeking the Lost Keeping Them Making Them Disciples by Dr Benoit Petit Homme is a handy Christ based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping retaining and nurturing new believing Christians This is a must read for church officers pastors and ministry directors in the Christian church Ron C Smith PhD D Min President Southern Union Conference of SDA Every year many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community Unfortunately it is also true that every year many new converts leave a church relatively shortly after joining The specific reasons that each person leaves the church could fill a book by themselves but they all boil down to one thing a lack of focus on the part of the church community on turning converts into

disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord *Proleptic Pedagogy* Sondra H. Matthaëi, Nancy R. Howell, 2014-06-17

Could we have imagined how much theological education would change in the new millennium Shifting needs of students classrooms and churches have demanded constant revisions of the curriculum course design classroom technology and pedagogical strategies Saint Paul School of Theology felt the tide of change within our own walls and designed a project called Proleptic Pedagogy to address three distinct pedagogical challenges for the future of theological education First instead of fitting new technologies into old pedagogies how are teaching and learning transformed by shifting needs of students who are digital natives digital immigrants or distance learners Second instead of reactive strategies what pedagogy proactively eliminates accommodations because courses are designed with flexibility and openness to diverse learning styles disabilities and needs Third instead of engaging student diversity with the tools of the 1960s what new teaching and learning strategies anticipate future student racial and ethnic demographics and interracial educational experiences This volume of essays narrates our classroom stories teases out pedagogical issues examines pedagogical literature reflects on theology of pedagogy and constructs pedagogical proposals with an open invitation for other theological educators to join our conversation about the future of theological education **Recapturing the Wesleys' Vision** Paul Wesley Chilcote, 2009-08-20 Paul Wesley Chilcote introduces the dynamic faith of John and Charles Wesley showing how they were able to balance faith and works Word and Spirit the personal and the social head and heart mission and service **The Quest for Love Divine** Paul W Chilcote, 2024-04-25 John Wesley's impact on Methodist theology and practice is well established but there are many other early figures who shaped Methodism just as thoroughly Quest for Love Divine explores the contributions of Charles Wesley by exploring the impact of his lyrics on Methodist worship and the importance of lyrical theology in the founding of Methodism Chilcote also examines the contributions of early Methodist women such as Dorothy Fisher Mary Taft and Sarah Crosby exploring how the Wesley brothers and their community sought to inhabit faith working by love leading to holiness of heart and life In his collection of essays Chilcote explores the salient themes of Wesleyan theology and practice and reflects on its legacy in the Wesley's time and in ours By focussing on the nature of their discipleship and the centrality of love divine Chilcote brings Wesleyan theology into sharp and practical focus *The Oxford Handbook of Methodist Studies* William J. Abraham, James E. Kirby, 2009-09-25 With the decision to provide of a scholarly edition of the Works of John Wesley in the 1950s Methodist Studies emerged as a fresh academic venture Building on the foundation laid by Frank Baker Albert Outler and other pioneers of the discipline this handbook provides an overview of the

best current scholarship in the field The forty two included essays are representative of the voices of a new generation of international scholars summarising and expanding on topical research and considering where their work may lead Methodist Studies in the future Thematically ordered the handbook provides new insights into the founders history structures and theology of Methodism and into ongoing developments in the practice and experience of the contemporary movement Key themes explored include worship forms mission ecumenism and engagement with contemporary ethical and political debate

Seymour,2014-03-18 Christian religious education provides the content processes and settings to empower the church s mission in the world a mission that includes health care peace with justice and disciple making ministries Today the field Christian Education is clear about its tasks of helping form and nurture faith that is then embodied in faithful practices Research studies on Christian faith practices show how participating in Christian community undergirds and complements thoughtful living through one s life With an emphasis on practices and mission this book offers readers concrete ways to empower vital faith formation in congregations as it describes current trends which include richer diversity entrepreneurial spirit and interfaith dialog This book will also help prepare students for leadership in the Church universal and in the field of Christian Education Loving God, Loving Neighbor Peggy Kendall; Claire Smith; Tim Ke,2008-04-01 In almost every congregation there is a searching youth who is somehow different from the rest one who thinks more deeply asks more questions and wants to make a difference in the world This young person may be seen as a loner an upstart or someone who does not fi t Youth workers may not know what to do with these inquisitive youth and a youth program that meets the congregation s expectations probably won t connect with the needs and interests of searching youth Eventually searching youth turn into searching adults who continue to stir things up and enrich the life of our congregations with their questions insights witness and service These young people have the capacity and ability to provide signifi cant leadership in our congregations now and in the future Because of their unique gifts we are offering this book as a resource for pastors teachers and youth leaders who work with them In this book faculty members students and recent graduates of Saint Paul School of Theology look through the eyes of their academic disciplines and ministry experience to explore the foundations for ministry with searching youth and to offer designs for your ministry **John Wesley** Prof. Kenneth J. Collins,2003-06-01 John Wesley A Theological Journey has been nominated for a Wesleyan Theological Society Book Award Abingdon Press would like to congratulate Kenneth Collins on this

honor John Wesley remains a seminal figure not only for the people called Methodist but also within the larger Protestant tradition Understanding his theology is a requirement for understanding the development of the Western Christian tradition in the modern period In recent years much work has been done to grasp the intricacies of Wesley s theology However most of this work has been thematic in organization studying Wesley s thought according to a topical or systematic outline The weakness of this approach argues Kenneth J Collins is that it fails to demonstrate the evolution and changes of Wesley s theology What is called for is a historical presentation one that examines the development of Wesley s theology across the span of his long and eventful theological career Collins thus provides a chronological presentation of the development of Wesley s theology Drawing on an extensive examination of the primary sources and demonstrating an intimate knowledge of the different contexts and social locations in which Wesley s theology took place John Wesley A Theological Journey will be necessary reading for anyone wishing to understand the broad scope of the Methodist leader s theological development and contribution

Is There a Future for God's Love? Henry H. Knight, 2012 Is postmodernism right Henry Knight says No by interpreting evangelical theology s insistence on religious experience and the transformed heart that is faithfully lived out in community

The Evangelistic Love of God & Neighbor Bishop Scott J. Jones, 2010-08-01 There are it seems as many definitions of the term evangelism as there are people doing the defining For some it means proclaiming the gospel to those who have not heard it To others it means making disciples of Jesus Christ To others it means working for the transformation of the world into the kingdom of God For still others it has principally to do with building vibrant healthy congregations Underlying this confusion is a fundamental inability to locate the practice of evangelism within one s overall theological convictions We will never understand the part that proclamation disciple making kingdom building and church growth play in evangelism until we first ask a more important question What does evangelism have to do with who God is What is it we know about God that makes evangelism a central part of what it means to be Christian In this comprehensive theology of evangelism Scott J Jones proposes to ground the practice of evangelism in an understanding of God s love for the world specifically as seen in the incarnation of God in Christ In Jesus God took on all of what it means to be human Because of this evangelism must be a ministry to the whole person The typical distinctions between soul winning social action and church growth evaporate individual conversion and acts of mercy are part of the same ministry of bringing persons more fully into the reign of a loving God

Unleashed Peter J. Bellini, 2018-10-31 The ministry of casting out demons is either entirely dismissed on one hand or misused and abused on the other A closed system natural worldview utterly rejects the notion of a spirit world with spirit beings To the other extreme some shortsighted deliverance ministries reject the validity of the health professions and identify every problem in the life of the believer as demonic The theology of these ministries fails to account for the power of the cross and its daily application in the life of the believer as the normal way in which God delivers from sin and evil All challenges in the life of the believer do not necessitate a deliverance session Unleashed is a book that offers a

balanced perspective on these matters including an instrument that can be used to assist in discerning the probable need for deliverance The C1 13 instrument is revolutionary transcending the usual inventories by applying variables that are key factors to differentiating degrees of demonic influence The instrument is also distinct due to its integrative approach that cross references the work of other professional fields to arrive at a comprehensive picture of the problem and thus a more extensive and effective treatment

A Crown and a Cross Andrew Goodhead, 2010-04-09 This book critically reviews the origins development and decline of the Class Meeting Beginning with an overview of the religious and societal milieu from the sixteenth century and examining the heritage of John and Charles Wesley the inheritance John Wesley took from the past is studied The rise of the Anglican Unitary Societies is considered and Wesley's active work within those societies drawn out The arrival of the Moravians in London in 1738 to form a group for Germans resident in London influenced many of the Anglican society members not least the Wesley brothers These influences are also considered before the Methodist movement and particularly the Class Meeting are considered in detail This book is unique in its drawing together the manner of religious association experienced in the Evangelical Revival and aims to show how Methodism was a fusion of pre existing ideas formed into a new working model of religious association Paramount to the success of the early Methodist was the Class Meeting This book draws on testimony diary and journal records to provide first hand accounts of people's lives being changed through attendance at the Class Meeting and its making possible growth in grace and holiness In the early period of Methodism the Class Meeting was the crown to Methodist identity An analysis of the primary aims of this meeting which gave the Methodist people their distinct characteristics is followed by a study of the social identity and group processes that occurred when prospective members considered joining the Methodists The decline of the Class Meeting to 1791 forms the concluding chapters and using three classic sociological models Weber routinisation Durkheim totemism and Troeltsch primary secondary religion as themes the reasons why the class became a cross are examined Journal diary and testimonial material support the Methodists declining interest in the class that led to its irrelevance for a people seeking respectability rather than an immediate encounter with God

The Devout Life Roger Helland, 2017-10-06 The church in the Western world is largely faltering in its spiritual and missional vitality There's a crisis of piety or the devout life heartfelt devotion to Christ and his cause The Pietist movement of the seventeenth and eighteenth centuries grew into a revolutionary torrent of spiritual renewal that influenced the Moravians the Methodists the great awakenings and global evangelicalism as we know it today The Devout Life explores and expands on ten key features of Pietism to plunge the depths of spiritual renewal for today

Evangelical Hospitality Tory K. Baucum, 2008 Evangelical Hospitality Catechetical Evangelism in the Early Church and Its Recovery for Today describes a church that has lost touch with its deep memory of evangelization the recovery of that memory in catechetical ministry and the practices this recovery spawns in the Church After describing the social construction of faith communities the book examines four core practices that are entailed in creating cultures of faith places

where believing in Christ becomes plausible and possible Evangelical Hospitality concludes with perennial principles from Christian communities that learn to construct faith cultures BOOK JACKET
