John W. Hill

Making Disciples Serving Those Who Are Entering The Christian Life:

Making Disciples John W. Hill, 1991 John Hill's insightful book on the adult catechumenate rite of Christian initiation for adults offers an excellent entry point for those wishing to rethink the baptismal process within an Anglican setting The Hoskin Group *Accompanying the Journey* Lester Ruth, 2012-05-11 *Accompanying the Journey* is a practical handbook designed to help sponsors in United Methodist congregations and congregations in other denominations develop a hands on approach to guiding individuals who seek initiation into the Christian faith through baptism Using the metaphor of presentation the book outlines crucial ways in which sponsors embody the congregation's welcome both in and outside worship services as they accompany adult initiates to the waters of baptism The book also provides extensive guidance for sponsoring children for baptism and for sponsoring adults returning to the baptismal covenant This book provides a helpful overview of the process of Christian initiation outlines in detail the responsibilities of sponsors in the worship services connected with the initiation process helps sponsors understand their relationships with the congregation and with others who lead the work of making disciples provides church leaders with guidelines for selecting forming and nurturing sponsors including a discussion of the place of discernment in the process presents a brief overview of the role and historical context of sponsors in the Christian tradition and in Methodism includes an appendix containing An Order for Commissioning Sponsors **Holy Hospitality** Clayton L. Morris, 2005-12 What does it really mean to proclaim the good news of God in Christ and to continue in the apostles teaching and fellowship in the breaking of the bread and in the prayers These promises from the baptismal rite of the Book of Common Prayer have become very familiar to most Episcopalians but they have yet to be fully lived out in most congregations In this lively and accessible guide Clayton Morris argues that everyone present on Sunday mornings has a ministry of hospitality coming together in a proclamation of welcome to all *Faith on the Way* Peter Ball, Malcolm Grundy, 2001-01-01 Bringing together the authors's experience of working in Europe the United States and Australia this book includes the latest rites for welcoming adults into church membership together with a detailed account of the Adult Catechumenate and the way in which adults may make a journey into faith making commitment at the right time on the way and following through into discipleship *On the Way*, 1995 This report studies the catechumenate as an approach to Christian initiation and sees in it an encouraging framework on which a way forward could be based Issues relating to children are considered including parental faith infant baptism and the difficulties with children receiving communion *The Christian Work and the Evangelist*, 1905 *The Priority of Making Disciples* Danny Clymer, 2020-08-18 Those in the church and ministry are familiar with the Great Commission the call to go forth and make disciples However for many it isn't that easy in a world increasingly influenced by doubters and distractions Many Christian leaders may talk about it but few really do it Making disciples isn't a complicated program but a simple plan that comes only from Jesus Now a diverse group of pastors representing urban and rural communities secular and Christian areas as well as diverse

multicultural backgrounds and all known for successfully making new disciples have gathered these sermons to encourage others to be disciple makers too Discover How Jesus practiced the Great Commission before He ever preached it Why discipleship begins with a whole life understanding of worship When disciple making gets confused with church growth efforts These and countless other insights will help guide you in a faithful deliberate effort to fulfill the Great Commission no matter where you live or what communities in which you minister Included in the book are The sermon texts and their outline formats 12 study guides one for each sermon that can be used in small group or one on one settings in the week following the preaching of the sermon A final appendix providing a self evaluation tool that helps each person being discipled to evaluate the progress they are making in their walk with Christ In the World But Not of It-Serving Christ in the Modern World Robert Barr,2008-12 Book two examines the various aspects of the world around us in light of the Bible teaching laid out in book one **Strategic Disciple Making** Aubrey Malphurs,2009-01-01 For many people church is there to meet their needs with programs designed with them in mind Strategic Disciple Making teaches these churchgoers to develop a servant s heart Readers will discover that they control the destiny of their church If they seek personal contentment they must grow as disciples and church expert Aubrey Malphurs explains the true meaning of the word This refreshing resource offers a radical how to for renewing faltering faith It is perfect for burned out ministers and downcast church leaders who want a more authentic discipleship experience **The Topical Excerpt Library** Euclid Beauclerc Rogers,1908 *Preparing for Baptism* Robert Ross,1993 **When God Is Not Enough** John Greer,2015-12-09 Faith is messy We are often disappointed if not disillusioned with God Disappointment divorce sin and suffering often dominate our Christian landscape When these things come our way our response is often to find our needs met outside of God ministry or the church Consciously or not we say I tried God failed I ll meet my needs myself This often leads us down a path of even more disappointment broken relationships unsatisfied ambitions and heartfelt needs Is God really enough for all we need When God Is Not Enough brings to light God s sovereignty and love within the biblical narrative and through some of the characters of Scripture He has so lovingly chosen to reveal His glory In viewing His story and theirs we find meaning and purpose in our ownand this not just for ourselves but also for the life of the world But this story would be incomplete without its fulfillment in Jesus Christ and what He has done When God Is Not Enough takes a hard look at what it truly means to be not only a Christian but a disciple of Jesus Christ With Christ as our life we find it is in dying that we truly live and so to live is really to truly die This is the way Christ has made for us If Jesus in living this life to the fullest lost His life on the cross then it will surely cost us no less in attempting to do the same When God Is Not Enough gives an honest look at what it takes to live a life for God and what is truly available through Him for our joy and for the life of the world *Joining Creation's Praise* Brian Brock,2025-08-19 In the beginning God created Thus begins the Bible s story of a long conversation between God and creatures one in which humans are often the least edifying contributors They need to learn what it means to confess themselves creatures if they are

to begin to understand what it means to be human and how to live

Joining Creation's Praise a major statement by a leading Christian ethicist shows how confessing that we are creatures deeply reshapes every aspect of Christian thinking and living Human beings are made to embody Christ's image in the world not as dominators but as conduits of divine life In this comprehensive yet clear volume of theological ethics Brian Brock follows the first few chapters of Genesis in order to discover the things that the sages of Israel took to be crucial for the ethical life of human beings among other creatures in God's world Informed by theological rigor and careful exegesis the many ethical reflections in this volume allow an ancient wisdom to shed fresh light on very postmodern ethical questions about conversion life with God knowledge and wisdom dominion Sabbath vocation economics human dignity our relationship with the rest of creation sexuality marriage family sin death and politics

Centering Discipleship E. K. Strawser, 2023-04-26 The church often lacks maturity and missional impact because discipleship is at its periphery To get discipleship to the center leaders need a locally rooted culturally contextual discipleship pathway This gutsy practice based guidebook is for leaders doing the hard work turning spectators into missional mature followers of Jesus
