

MAKING ENEMIES

War and State Building in Burma

Mary P. Callahan

Making Enemies War And State Building In Burma

Jacques Fomerand

Making Enemies War And State Building In Burma:

Making Enemies Mary Patricia Callahan, 2004 Sets out to explain the extraordinary durability of the Burmese military regime by examining the history of relations between the junta and society in Burma The authors unparalleled access to the military and its leaders allows her to correct existing explanations of Burmese authoritarianism and to supply new information about the coups of 1958 and 1962

Making Enemies Mary Patricia Callahan, 2018 The Burmese army took political power in Burma in 1962 and has ruled the country ever since The persistence of this government even in the face of long term nonviolent opposition led by activist Aung San Suu Kyi who was awarded the Nobel Peace Prize in 1991 has puzzled scholars In a book relevant to current debates about democratization Mary P Callahan seeks to explain the extraordinary durability of the Burmese military regime In her view the origins of army rule are to be found in the relationship between war and state formation Burma s colonial past had seen a large imbalance between the military and civil sectors That imbalance was accentuated soon after formal independence by one of the earliest and most persistent covert Cold War conflicts involving CIA funded Kuomintang incursions across the Burmese border into the People s Republic of China Because this raised concerns in Rangoon about the possibility of a showdown with Communist China the Burmese Army received even more autonomy and funding to protect the integrity of the new nation state The military transformed itself during the late 1940s and the 1950s from a group of anticolonial guerrilla bands into the professional force that seized power in 1962 The army edged out all other state and social institutions in the competition for national power *Making Enemies* draws upon Callahan s interviews with former military officers and her archival work in Burmese libraries and halls of power Callahan s unparalleled access allows her to correct existing explanations of Burmese authoritarianism and to supply new information about the coups of 1958 and 1962

Making Enemies Mary Patricia Callahan, 2005

Opposing the Rule of Law Nick Cheesman, 2015-03-12 The rule of law is a political ideal today endorsed and promoted worldwide Or is it In a significant contribution to the field Nick Cheesman argues that Myanmar is a country in which the rule of law is lexically present but semantically absent Charting ideas and practices from British colonial rule through military dictatorship to the present day Cheesman calls upon political and legal theory to explain how and why institutions animated by a concern for law and order oppose the rule of law Empirically grounded in both Burmese and English sources including criminal trial records and wide ranging official documents *Opposing the Rule of Law* offers the first significant study of courts in contemporary Myanmar It sheds new light on the politics of courts during dark times and sharply illuminates the tension between the demand for law and the imperatives of order

Arms Politics Francesco Buscemi, 2025-08-15 In *Arms Politics* Francesco Buscemi tells the story of the ceasefire disarmament and rearmament of the Ta ang movement in Myanmar s Shan State through an analysis of the formation of the Palaung State Liberation Front Ta ang National Liberation Army PSLF TNLA With a focus on the circulation of weapons through the post 1991 ceasefire disarmament and rearmament years

Buscemi explores how becoming and being an armed force leads to the becoming and being of a rebel polity Buscemi argues that the governance of arms and weaponry by rebel movements such as the PSLF TNLA shapes historically and spatially complex relationships among leadership rank and file civilians and civil society groups Furthermore he demonstrates that it is through the acquisition of weapons and the governing of armed collectives that rebel movements reproduce and shape the collective identity of their polity and its political geography Against the backdrop of the world's longest ongoing armed conflict Arms Politics shows how the processes and practices of governing weapons shape social and spatial relations of rule at the edges of state authority *North Korea and Myanmar* Andray Abrahamian, 2018-02-12 North Korea and Myanmar Burma are Asia's most mysterious tragic stories For decades they were infamous as the region's most militarized and repressed societies self isolated and under sanctions by the international community while from Singapore to Japan the rest of Asia saw historic wealth creation and growing middle class security For Burma the threat was internal insurgent factions clashed with the government and each other For North Korea it was external a hostile superpower the United States and a far more successful rival state South Korea occupying half of the Korean peninsula Over time Myanmar defeated its enemies giving it space to explore a form of democratization and openness that has led to reintegration into international society Meanwhile North Korea's regime believes its nuclear arsenal the primary reason for their pariah status is vital to survival

Armed Groups and International Legitimacy William Plowright, 2021-02-23 This book analyses the issue of child soldiers in order to understand how armed groups engage with international organizations to gain international legitimacy The work examines why some armed groups follow the rules of international humanitarian law and others do not It argues that armed groups in conflicts around the world engage with international organizations in order to gain international legitimacy and to show they are following the laws of war By examining the issue of child soldiers in contemporary armed conflict the volume establishes a typology of which groups will engage with international actors and follow the laws of war and which will not The main aim of the book is to understand the rationality of even the most violent of actors and to understand when and how armed groups can be encouraged to follow the laws of war The work draws from extensive primary research conducted among armed groups in Syria and Myanmar including al Qaeda the Islamic State and the many small ethnic insurgent groups of Myanmar This book will be of much interest to students of war and conflict studies security studies international humanitarian law and International Relations *New Frontiers of Land Control* Nancy Lee Peluso, Christian Lund, 2013-09-13 Questions about land control have invigorated thinkers in agrarian studies and economic history since the nineteenth century Exclusion alienation expropriation dispossession and violence animate histories of land use property rights and territories More recently agrarian environments have been transformed by processes of de agrarianization urbanization migration and new forms of primitive accumulation Even the classic agrarian question of how the social relations of agriculture will be influenced by capitalism has been reformulated at critical historical moments

reviving or producing new debates around the importance of land control The authors in this volume focus on new frontiers of land control and their active creation These frontiers are sites where established power relationships are challenged by new enclosures and property regimes producing new social and environmental dynamics in their stead Contributors examine labor and production processes engaged by new configurations of actors new agrarian and environmental subjects and the networks connecting them and new legal and violent means of challenging established or imminent land controls Overall we find that land control still matters though in changed degrees and manners Land control will continue to inspire struggles for a long time This book was originally published as a special issue of the Journal of Peasant Studies Debating Democratization in Myanmar Nick Cheesman, Nicholas Farrelly, Trevor Wilson, 2014-04-14 Is Myanmar Burma democratizing or is it moving towards a new form of authoritarianism perhaps one more consonant with other contemporary authoritarian regimes in Asia Coming at a critical time and one of growing interest in this Southeast Asian country among researchers and policy makers Debating Democratization in Myanmar addresses this complex question from a range of disciplinary and professional perspectives Chapters by leading international scholars and practitioners activists and politicians from Myanmar and around the world cover political and economic updates as well as the problems of democratization the re engagement of democratic activists and exiles in domestic affairs the new parliament the electoral system and everyday politics prospects for the economy ethnic cooperation contestation and conflict the role of the army and police forces and conditions for women Together they constitute an empirically deep and analytically rich source of readable and relevant material for anyone keen to obtain a greater understanding of what is happening in Myanmar today and why **Introduction to Geopolitics** Colin Flint, 2021-08-30 This new updated edition presents the overarching themes of geopolitical structures and agents in an engaging and accessible manner which requires no previous knowledge of theory or current affairs It helps readers understand the geopolitical implications of COVID 19 China s pronounced role in the world the relative decline of the US and the Black Lives Matter movement Using new pertinent case studies and guided exercises the title explains the contemporary global power of the United States and the challenges it is facing the changing foreign policy of China and other countries the persistence of nationalist conflicts migration cyberwar and cyberactivism terrorism energy geopolitics and environmental geopolitics Expanded case studies of the South China Sea disputes and China s Belt and Road Initiative emphasize the multifaceted nature of conflict The book raises questions by incorporating international and long term historical perspectives and introduces readers to different theoretical viewpoints including feminist contributions The new edition features fresh discussion of island geopolitics the Anthropocene age and geoeconomics Introduction to Geopolitics will provide its readers with a set of critical analytical tools for understanding the actions of states as well as non state actors acting in competition over resources and power Both students and general readers will find this book an essential stepping stone to a deeper and critical understanding of contemporary conflicts The companion website will enable readers to apply the themes of the book

to the constant shifts in current affairs to enable deeper understanding It will provide access to weekly essays showing how the themes explain current events **Constitutional Foundings in Southeast Asia** Kevin YL Tan,Ngoc Son Bui,2019-05-30

This volume focuses on the making nature and role of the first modern constitutions at the founding of the modern nation states in Southeast Asia These historical essays add richly to our understanding and appreciation of the founding moments and to the theory and practice of constitutionalism in these states This volume makes three significant contributions First it helps plug the wide knowledge gap in comparative constitutional history in Southeast Asia Second it furthers our understanding of contemporary constitutional practice and also anticipates possible developmental trajectories in light of the foundational values embedded in and manifested through these constitutions Third through the comparative historical study of these early constitutions plausible theoretical insights may be gained to further our understanding of Southeast Asia s constitutional history The book is essential reading for those wishing to obtain a deeper understanding of the constitutional foundings of Southeast Asia **Interpreting Communal Violence in Myanmar** Nick Cheesman,2018-12-07 Myanmar s

recovery from half a century of military rule has been fraught As in other religiously culturally and linguistically heterogeneous countries where a dictatorship has loosened a tight grip people there have wanted for democratic institutions to express and manage conflict Under these circumstances mundane and seemingly apolitical events sometimes unfold into moments of intense violence Interpreting Communal Violence in Myanmar addresses one such violent chapter in Myanmar s recent past the communal violence that shook the country between 2012 and 2014 The violence most of it involving Buddhists attacking Muslims ranged from localised fleeting inter group melees to large scale apparently well organised state supported killing and destruction of property of a targeted community running over a number of days The book s seven chapters comprise a response to the violence by a group of Myanmar and Southeast Asia experts Their contributions trace the histories and contemporary features of the violence and the legal and political arrangements that made it possible Their interpretations while specific to Myanmar also contribute to broader debate about the characteristics causes and consequences of communal violence generally The chapters were originally published as a special issue in the Journal of Contemporary Asia **Autonomy and Armed Separatism in South and Southeast Asia** Michelle Ann Miller,2012 Armed

separatist insurgencies have created a real dilemma for many national governments of how much freedom to grant aggrieved minorities without releasing territorial sovereignty over the nation state This book examines different approaches that have been taken by seven states in South and Southeast Asia to try and resolve this dilemma through various offers of autonomy Providing new insights into the conditions under which autonomy arrangements exacerbate or alleviate the problem of armed separatism this comprehensive book includes in depth analysis of the circumstances that lead men and women to take up arms in an effort to remove themselves from the state s borders by creating their own independent polity **Subverting Empire** Will Jackson,Emily Manktelow,2015-07-15 Across their empire the British spoke ceaselessly of deviants of

undesirables never do wells petit tyrants and rogues With obvious literary appeal these soon became stock figures This is the first study to take deviance seriously bringing together histories that reveal the complexity of a phenomenon that remains only dimly understood **New Answers to Old Questions** Aaron Connelly, Shona Loong, 2024-06-26 Outside Myanmar the 2021 coup d'état has often been portrayed as the end of a hopeful period for the country In this Adelphi book however Aaron Connelly and Shona Loong argue that the Aung San Suu Kyi government that preceded it was a false dawn unlikely to fulfil the international community's aspirations for a stable peaceful and strong Myanmar Instead the movement opposing the 2021 coup holds much greater promise despite the bloody conflict that dominates the news today Connelly and Loong survey three fundamental relationships that have shaped Myanmar before and after the coup between the military and the state between the majority Burmese and ethnic minorities and between Myanmar and the world to explain how opposition to the coup has shifted all of them in a more liberal pluralist and cosmopolitan direction *Historical Dictionary of Human Rights* Jacques Fomerand, 2014-02-18 This dictionary has more than 1000 cross referenced entries on terminology conventions treaties intergovernmental organizations in the United Nations family or regional bodies and the constantly expanding universe of non governmental organizations as well as some of the pioneers and defenders of human rights Religion and Conflict in South and Southeast Asia Linell E. Cady, Sheldon W. Simon, 2006-09-27 This is a major new contribution to comparative and multidisciplinary scholarship on the alignment of religion and violence in South and Southeast Asia

Myanmar's Rohingya Genocide Ronan Lee, 2021-01-28 The genocide in Myanmar has drawn global attention as Nobel Peace Prize laureate Aung San Suu Kyi appears to be presiding over human rights violations forced migrations and extra judicial killings on an enormous scale This unique study draws on thousands of hours of interviews and testimony from the Rohingya themselves to assess and outline the full scale of the disaster Casting new light on Rohingya identity history and culture this will be an essential contribution to the study of the Rohingya people and to the study of the early stages of genocide This book adds convincingly to the body of evidence that the government of Myanmar has enabled a genocide in Rakhine State and the surrounding areas *Secrets and Power in Myanmar* Andrew Selth, 2019-09-06 No external observer knows more about Myanmar's security and intelligence apparatus than Andrew Selth In this book he presents an account of the structure and functions of Myanmar's deep state along with a tale of personal ambition rivalry and ruthless power politics worthy of John Le Carre A thoroughly educative entertaining and intriguing read Professor Michael Wesley Dean College of Asia and the Pacific The Australian National University Andrew Selth has once again amply illustrated the depth and penetration of his study of Myanmar Burma and its institutions This work on the more recent aspects of the country's intelligence apparatus goes beyond a masterful and comprehensive analysis of the Burmese intelligence community and probes the social and institutional bases of the attitudes giving rise to that critical aspect of power We are once again in Dr Selth's debt This is required reading for serious observers of the Burmese scene David I Steinberg Distinguished Professor of

Asian Studies Emeritus Georgetown University By lifting the lid on a pervasive yet secretive intelligence apparatus Andrew Selth makes an outstanding contribution to Myanmar Studies For scholars and practitioners alike this book provides an essential history of a security state that remains powerful even during the transition away from overt authoritarian rule Professor Ian Holliday Vice President Teaching and Learning The University of Hong Kong **The History of Myanmar** William J. Topich, Keith A. Leitich, 2013-01-09 This text provides a thorough examination of the history of Myanmar from Neolithic times to the present Myanmar has experienced a seemingly endless series of conquerors dating from prehistoric times through the reign of Kublai Khan's Mongol forces beginning in the late 1200s all the way through the modern era when it was subject to both British colonial control and invasion by the Japanese during World War II The History of Myanmar provides a detailed historical overview of the key people places and events in this often overlooked country's past and present It examines the history of Myanmar from Neolithic times to all of its ruling dynasties to the modern era in a chronological manner providing a contextual framework for the further exploration of its complex history This text pays special attention to the unique circumstances that led to the formation of the modern nation of Myanmar

Making Enemies War And State Building In Burma Introduction

In the digital age, access to information has become easier than ever before. The ability to download Making Enemies War And State Building In Burma has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Making Enemies War And State Building In Burma has opened up a world of possibilities. Downloading Making Enemies War And State Building In Burma provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Making Enemies War And State Building In Burma has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Making Enemies War And State Building In Burma. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Making Enemies War And State Building In Burma. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Making Enemies War And State Building In Burma, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Making Enemies War And State Building In Burma has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Making Enemies War And State Building In Burma Books

What is a Making Enemies War And State Building In Burma PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Making Enemies War And State Building In Burma PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Making Enemies War And State Building In Burma PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Making Enemies War And State Building In Burma PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Making Enemies War And State Building In Burma PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
