Making History The Biographical Narratives Of Robert Penn Warren

Jason Phillips

Making History The Biographical Narratives Of Robert Penn Warren:

Making History Jonathon S. Cullick, 2000-04-01 From his first published book to his last works Robert Penn Warren wrote novels poetry biographies and essays based on the lives of American historical figures Even some of his critical texts take a biographical approach to their subjects In *Making History* the first comprehensive survey of Warren s biographical narratives Jonathan S Cullick tracks a clear development toward autobiography in Warren s career By applying narrative theory to that provocative trend he then makes an intriguing discovery Warren s discourse techniques dramatize his philosophy of history and ethics Cullick unearths what might be called the narrative syntax of Warren s historical vision in which genre becomes vital in the attempt to reconcile American past and present *Making History* considers all of Warren s major biographical narratives and their evolvment from detached reporting to doubtful self examination It offers a new reading of Warren s famed novel *All the King s Men* and close examination of several neglected texts including Warren s first book *John Brown The Making of a Martyr* his essay *The World of Daniel Boone* and two of his final works *Jefferson Davis Gets His Citizenship Back* and *Portrait of a Father* *Robert Penn Warren:* Mark Royden Winchell, 2023-12-15 At least since the dawn of the Romantic era it has been assumed that the poet lives a lonely life isolated in his garret Nevertheless writers are not always hermits and misanthropes As human beings they crave the company of other human beings as artists they need the stimulation of other artists This book brings to light Warren s most important literary associations during his long and active life Robert Penn Warren, Shadowy Autobiography, and Other Makers of American Literature Joseph R. Millichap, 2023-08-18 Toward the end of his career Robert Penn Warren wrote It may be said that our lives are our own supreme fiction Although lauded for his writing in multiple genres Warren never wrote an autobiography Instead he created his own shadowy autobiography in his poetry and prose as well as his fiction and nonfiction As one of the most thoughtful scholars on Robert Penn Warren and the literature of the South Joseph Millichap builds on the accepted idea that Warren s poetry and fiction became more autobiographical in his later years by demonstrating that that same progression is replicated in Warren s literary criticism This meticulously researched study reexamines in particular Warren s later nonfiction in which autobiographical concerns come into play that is in those fraught with psychological crisis such as *Democracy and Poetry* Millichap reveals the interrelated literary genres of autobiography criticism and poetry as psychological modes encompassing the interplay of Warren s life and work in his later nonfiction He also shows how Warren s critical engagement with major American authors often centered on the ways their creative work intersected with their lives thus generating both autobiographical criticism and the working out of Warren s own autobiography under these influences Millichap s latest book focuses on Warren s critical responses to William Faulkner John Crowe Ransom Herman Melville Nathaniel Hawthorne John Greenleaf Whittier and Theodore Dreiser In addition the author carefully considers the black and female writers Warren assessed more briefly in *American Literature The Makers and the Making* Robert Penn Warren *Shadowy Autobiography* and

Other Makers of American Literature presents the breadth of Millichap's scholarship, the depth of his insight and the maturity of his judgment by giving us to understand that in his writing Robert Penn Warren came to know his own vocation as a poet and critic and as an American. **Robert Penn Warren's All the King's Men** Jonathan S. Cullick, 2018-08-03

Robert Penn Warren is one of the best known and most consequential Kentucky writers of the twentieth century and the only American writer to have won three Pulitzers in two different genres. *All the King's Men* generally considered one of the finest novels ever written on American politics transcends sensationalism and topicality to stand as art. It was a bestseller, won the Pulitzer Prize and became an Academy Award winning movie. Depicting the rise and fall of a dictatorial southern politician modeled on Huey Long of Louisiana, the timeless story and memorable characters raise questions about the importance of history, moral conflicts in public policy and idealism in government. In *Robert Penn Warren's All the King's Men: A Reader's Companion*, author Jonathan S. Cullick considers the themes of this famous novel within the context of America's current political climate. He addresses the novel's continuing relevance and interviews a cross section of elected and appointed officials as well as journalists in Kentucky to explore how Warren's novel has influenced their work and approach to politics. By focusing on what Warren's novel has to say about power, populism, ethics and the force of rhetoric, Cullick encourages readers to think about their own identities and responsibilities as American citizens. This volume promises to be not only an indispensable companion to *All the King's Men* but it also provides context and a new, diverse set of perspectives from which to understand this seminal novel. Understanding Robert Penn Warren James A. Grimshaw, 2001. Grimshaw examines the writer's views about the primacy of self-knowledge and explores the painful and arduous path his protagonists must follow to gain such knowledge and the interrelationship of his artistic endeavors which were woven together by common thematic concerns: history, time, truth, responsibility, love, hope and endurance. **A Disturbing and Alien Memory** Douglas L. Mitchell, 2008-12-01. In the late nineteenth century as the study of history shifted from the domain of letters into the social sciences, novelists in the North and the West generally turned away from writing history. Many southern novelists and poets, however, continued to undertake historical writing as an extension of their art form. What made southern literary figures differ from their northern and western counterparts? In *A Disturbing and Alien Memory*, Douglas L. Mitchell addresses this intriguing question by tracing a line of southern writers from the early nineteenth century to the mid twentieth, finding that an obsessive need to defend the South and the oft-noted rage to explain drove some creative writers to continue to make forays into history and biography in an effort to enter a more public sphere where they could more decisively influence interpretations of the past. In the Romantic history of the nineteenth century, Mitchell explains, men of letters saw themselves as keepers of memory whose renderings of the past could help shape the future of the nation. He explores the historical writing of William Gilmore Simms to trace the failure of Romantic nationalism in the growing split between North and South, then turns to Thomas Nelson Page's effort to resurrect the South as a spiritual nation with a redeemed history after the Civil

War Mitchell juxtaposes their work with that of William Wells Brown the pioneering African American historian and novelist who used the authority of history to write blacks into the American story Moving into the twentieth century Mitchell analyzes the historical component of the Southern Agrarian project focusing on the tension between modernist aesthetics and polemical aims in Allen Tate s Civil War biographies He then traces a path toward a viable historical vision Robert Penn Warren s recovery of a tragic understanding and the creation of a compelling historical art in the work of Shelby Foote Throughout Mitchell examines the peculiar dilemma of southern writers the changing nature of history and its relation to the realm of letters and the question of public authority shedding light on several neglected texts in the process including Simms s The Sack and Destruction of Columbia S C Brown s The Negro in the American Rebellion Tate s Jefferson Davis and Warren s John Brown Offering a new perspective on a perennial debate in southern letters A Disturbing and Alien Memory provides a critical framework for a neglected genre in the southern literary canon **Ghostly Parallels** Randolph Runyon,2006

America s most eminent man of letters in his later years and certainly one of the greatest Southern writers Robert Penn Warren has increasingly come to be known for his poetry Ghostly Parallels is a close examination of the heart of his poetic corpus the eight collections published between 1935 and 1976 Thirty Six Poems Eleven Poems on the Same Theme Promises You Emperors and Others Tale of Time Incarnations Or Else and Can I See Arcturus from Where I Stand Ghostly Parallels shows how Warren constructed collections of poems based on common subjects and contexts and also contends that while the poems are distinctive taken together they reveal intricate patterns of theme imagery and diction within explicit sequences Runyon demonstrates that Warren s collections are integrated well crafted wholes and each poem references its predecessor sometimes in intriguingly self referential ways Runyon shows that despite the many changes in diction tone and subject that Warren underwent in his long career his concern for writing his poems in such a way that they could reach out beyond themselves to other poems remained remarkably constant In the arrangement Warren gave them his poems form ghostly parallels an expression that appears in The Return An Elegy where they refer to the railroad tracks that bring the poet home to his dying mother This return to the mother is a persistent leitmotif in the poems and forms the other major theme of this study Warren s personal poetic myth in which such images as golden light and mirror images are signs of the mother s presence as both Danae mother of Perseus and Medusa whom Perseus confronted Through pursuing sequential patterns as well as echoes and myth GhostlyParallels brings a wealth of insights to the work of this prolific novelist critic and essayist An important guide for undergraduate and graduate students alike Ghostly Parallels will also appeal to anyone with an interest in Robert Penn Warren and southern literature **American Oracle** David W. Blight,2011-09-26 David Blight takes his readers back to the Civil War s centennial celebration to determine how Americans made sense of the suffering loss and liberation a century earlier He shows how four of America s most incisive writers Robert Penn Warren Bruce Catton Edmund Wilson and James Baldwin explored the gulf between remembrance and reality Memory and Myth David B.

Sachsman, S. Kittrell Rushing, Roy Morris, 2007 Ain t nobody clean Glory and the politics of black agency W Scott Poole Alex Haley s Roots the fiction of fact William E Huntzicker A voice of the south the transformation of Shelby Foote David W Bulla

Encyclopedia of American Literature Manly, Inc., 2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Bruccoli George Parker Anderson Judith S **Queer Chivalry** Tison Pugh, 2013-12-09 For the U S South the myth of chivalric masculinity dominates the cultural and historical landscape Visions of white southern men as archetypes of honor and gentility run throughout regional narratives with little regard for the actions and at times the atrocities committed by such men In *Queer Chivalry* Tison Pugh exposes the inherent contradictions in these depictions of cavalier manhood investigating the foundations of southern gallantry as a reincarnated and reauthorized version of medieval masculinity Pugh argues that the idea of masculinity particularly as seen in works by prominent southern authors from Mark Twain to Ellen Gilchrist constitutes a cultural myth that queerly demarcates accepted norms of manliness often by displaying the impossibility of its achievement Beginning with Twain s famous critique of the Sir Walter disease that pilloried the South Pugh focuses on authors who questioned the code of chivalry by creating protagonists whose quests for personal knighthood prove quixotic Through detailed readings of major works including Twain s *A Connecticut Yankee in King Arthur s Court* Flannery O Connor s short fiction John Kennedy Toole s *A Confederacy of Dunces* Robert Penn Warren s *A Place to Come To* Walker Percy s novels and Gilchrist s *The Annunciation* Pugh demonstrates that the hypermasculinity of white knight ideals only draws attention to the ambiguous gender of the literary southern male Employing insights from gender and psychoanalytic theory *Queer Chivalry* contributes to recent critical discussions of the cloaked anxieties about gender and sexuality in southern literature Ultimately Pugh uncovers queer limits in the cavalier mythos showing how facts and fictions contributed to the ideological formulation of the South **Reading the Old Man** Bruce A. Ronda, 2008 In this absorbing book Bruce Ronda examines the representations of Brown chronologically ranging from Thoreau s *Plea for Captain John Brown* with its ardent defense of Brown as a patriot Transcendentalist and true New Englander through treatments by anonymous southern writers and well known authors such as John Greenleaf Whittier Herman Melville Richard Henry Dana Frederick Douglass William Dean Howells and E A Robinson Ronda then considers the major treatments of Brown in the early to mid twentieth century by W E B DuBois Stephen Vincent Benet and Robert Penn Warren Of particular interest are discussions of a 1930s poem by Muriel Rukeyser Truman Nelson s 1960 novel *The Surveyor* and artwork by Jacob Lawrence He concludes with studies of novels by three contemporary authors Russell Banks Michelle Cliff and Bruce Olds **BOOK JACKET** **Robert Penn Warren after Audubon** Joseph R. Millichap, 2012-05-01 Despite nearly universal critical acclaim for Robert Penn Warren s later poetry much about this large body of work remains unexplored especially the psychological sources of these poems remarkable energy In this groundbreaking work Warren scholar Joseph R Millichap takes advantage of current research on developmental psychology gerontology and end of life studies to offer provocative new readings of

Warren's later poems which he defines as those published after *Audubon A Vision* 1969. In these often intricate poems Millichap sees something like an autobiographical epic focused on the process of aging, the inevitability of death and the possibility of transcendence. Thus Warren's later poetry reviews an individual life seen whole, contemplates mortality and dissolution and aspires to the literary sublime. Millichap locates the beginning of Warren's late period in the extraordinary collection *Or Else Poem Poems* 1968/1974, basing his contention on the book's complex, indeed obsessive sequencing of new previously published and previously collected poems unified by themes of time, memory, age and death. Millichap offers innovative readings of *Or Else* and Warren's five other late gatherings of poems: *Can I See Arcturus from Where I Stand Poems* 1975, *Now and Then Poems* 1976/1978 (winner of the Pulitzer Prize), *Being Here Poetry* 1977/1980, *Rumor Verified Poems* 1979/1980 and *Altitudes and Extensions* 1980/1984. Among the autobiographical elements Millichap brings into his careful readings are Warren's loneliness in these later years, especially after the deaths of family members and friends; his alternating feelings of personal satisfaction and emptiness toward his literary achievements and his sense of the power and at times the impotence of memory. Millichap's analysis explores how Warren often returned to images and themes of his earlier poems, especially those involving youth and midlife, with the new perspective given by advancing age and time's passage. Millichap also relates Warren's work to that of other poets who have dealt profoundly with memory and age, including Robert Frost, T. S. Eliot, Thomas Hardy and at times John Milton, William Wordsworth and the whole English and American nineteenth-century Romantic tradition. An epilogue traces Warren's changing reputation as a poet from the publication of his last volume in 1985 through his death in 1989 and the centennial of his birth in 2005, concluding persuasively that the finest of all of Warren's literary efforts can be found in his later poetry, concerned as it is with the work of aging and the quest for transcendence. Mockingbird Grows Up Michele Reutter, Jonathan S. Cullick, 2024-01-12

Although Harper Lee's Pulitzer Prize-winning novel *To Kill a Mockingbird* has attracted a great deal of scholarly and popular attention due to its engaging narrative and broad appeal to a sense of justice, little has been done to examine the modern classic through the lens of Lee's controversial lost novel *Go Set a Watchman*, published unexpectedly a year before the author's death. In *Mockingbird Grows Up: Re-Reading Harper Lee since Watchman*, Cheli Reutter and Jonathan S. Cullick assemble a team of scholars to take on the task of interpreting, contextualizing and deconstructing *To Kill a Mockingbird* in the wake of *Go Set a Watchman*. The essays contained in this groundbreaking volume cover a range of literary topics such as race, sexuality, language and reading contexts. Critically, the volume revisits the question of African American characterization in Lee's work and reexamines the development of Atticus Finch, a character long believed to be an exemplar of justice and virtue in Lee's fiction. And perhaps most imperative, the editors take on questions regarding the publication of *Go Set a Watchman*, and Holly Blackford contributes an essay that places *Go Set a Watchman* within the pantheon of American literature. Literary scholars, educators and those interested in southern literature will appreciate the new light this

publication sheds on a classic American novel *Mockingbird* *Grows Up* offers a deeper understanding of a canonical American work and prepares a new generation to engage with Harper Lee's appealing prose complex characters and influential metaphors [The Filson Club History Quarterly](#) Otto A. Rothert, 2001 Includes list of members *The Filson Club History Quarterly*, 2001

The Cass Mastern Material James A. Perkins, 2005-03-01 One of the most striking parts of Robert Penn Warren's novel *All the King's Men* is Chapter 4 in which narrator Jack Burden tells the story of his distant relative Cass Mastern A Confederate soldier Mastern betrays his best friend by falling in love with the man's wife and then out of guilt tries repeatedly to get killed in battle but ironically becomes a hero for his daring before finally attaining a mortal wound In *The Cass Mastern Material* James A Perkins fully explores how this episode supplies the crucial piece to a puzzle surrounding Warren's novel tracing the story's evolution through several versions and genres over almost twenty years Found here are both the earliest short story rendition of the Cass Mastern episode originally published in 1944 and Warren's final dramatic version completed in 1961 and now made available in print for the first time The play was finally staged in 1999 and Perkins appends related letters production notes and an interview that provide a context for understanding the work's importance in Warren's career I have always felt that the section is central to *All the King's Men* Warren wrote concerning the Cass Mastern material In a revolutionary reading of the novel Perkins argues that the section provides the key to unlocking the mystery of Jack Burden's paternity This unique volume affords a view of Warren's restless creative process and throws new light on the story that formed the crux of his greatest novel a story he apparently never felt he had exhausted

The Nineteenth Century Revis(it)ed Ina Bergmann, 2020-12-29 *The Nineteenth Century Revis(it)ed* *The New Historical Fiction* explores the renaissance of the American historical novel at the turn of the twenty first century The study examines the revision of nineteenth century historical events in cultural products against the background of recent theoretical trends in American studies It combines insights of literary studies with scholarship on popular culture The focus of representation is the long nineteenth century a period from the early republic to World War I as a key epoch of the nation building project of the United States The study explores the constructedness of historical tradition and the cultural resonance of historical events within the discourse on the contemporary novel and the theory formation surrounding it At the center of the discussion are the unprecedented literary output and critical as well as popular success of historical fiction in the USA since 1995 An additional postcolonial and transatlantic perspective is provided by the incorporation of texts by British and Australian authors and especially by the inclusion of insights from neo Victorian studies The book provides a critical comment on current and topical developments in American literature culture and historiography [John Brown Still Lives!](#)

R. Blakeslee Gilpin, 2011-11-14 From his obsession with the founding principles of the United States to his cold blooded killings in the battle over slavery's expansion John Brown forced his countrymen to reckon with America's violent history its checkered progress toward racial equality and its resistance to substantive change Tracing Brown's legacy through writers

and artists like Thomas Hovenden W E B Du Bois Robert Penn Warren Jacob Lawrence Kara Walker and others Blake Gilpin transforms Brown from an object of endless manipulation into a dynamic medium for contemporary beliefs about the process and purpose of the American republic Gilpin argues that the endless distortions of John Brown misrepresentations of a man and a cause simultaneously noble and terrible have only obscured our understanding of the past and loosened our grasp of the historical episodes that define America s struggles for racial equality By showing Brown s central role in the relationship between the American past and the American present Gilpin clarifies Brown s complex legacy and highlights his importance in the nation s ongoing struggle with the role of violence the meaning of equality and the intertwining paths these share with the process of change

Storytelling, History, and the Postmodern South Jason Phillips, 2013-06-10 In this innovative collection Jason Phillips and ten other historians and literary scholars explore the enduring dynamic between history literature and power in the American South Blending analysis with storytelling and professional insights with personal experiences they deconstruct Dixie insisting that writing the South s history means harnessing not criticizing the inherent power of narrative Contributors examine white southern texts from multiple fresh perspectives and consider ways in which storytelling helped shape identity and mold scholarship over time Bertram Wyatt Brown argues that William Percy s life and work blurred fact and fiction to reconcile the anti intellectual conventions of a rural hierarchical South with his cosmopolitan mindset Orville Vernon Burton and Ian Binnington investigate nationalism local allegiances and the imagined community of the Confederacy Farrell O Gorman Jewel L Spangler David A Davis Robert Jackson Anne Marshall K Stephen Prince and Jim Downs explore diverse topics such as southern Gothic fiction and the centrality of religion white trash autobiographies the professional southerner in literature and criticism and the one drop rule of racial taxonomy in America These writers look beyond ideology and race showcasing new ways of interpreting texts and encouraging scholars to move beyond theory to engage the historical context of southern stories and storytelling

Making History The Biographical Narratives Of Robert Penn Warren Introduction

In today's digital age, the availability of Making History The Biographical Narratives Of Robert Penn Warren books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Making History The Biographical Narratives Of Robert Penn Warren books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Making History The Biographical Narratives Of Robert Penn Warren books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Making History The Biographical Narratives Of Robert Penn Warren versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Making History The Biographical Narratives Of Robert Penn Warren books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Making History The Biographical Narratives Of Robert Penn Warren books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free

eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Making History The Biographical Narratives Of Robert Penn Warren books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Making History The Biographical Narratives Of Robert Penn Warren books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Making History The Biographical Narratives Of Robert Penn Warren books and manuals for download and embark on your journey of knowledge?

FAQs About Making History The Biographical Narratives Of Robert Penn Warren Books

What is a Making History The Biographical Narratives Of Robert Penn Warren PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Making History The Biographical Narratives Of Robert Penn Warren PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Making History The Biographical Narratives Of Robert Penn Warren PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf,

also offer basic editing capabilities. **How do I convert a Making History The Biographical Narratives Of Robert Penn Warren PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Making History The Biographical Narratives Of Robert Penn Warren PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
