Making Democracy Fun Josh A. Lerner, 2024-02-06 Drawing on the tools of game design to fix democracy Anyone who has ever been to a public hearing or community meeting would agree that participatory democracy can be boring Hours of repetitive presentations alternately alarmist or complacent for or against accompanied by constant heckling often with no clear outcome or decision Is this the best democracy can offer In Making Democracy Fun Josh Lerner offers a novel solution for the sad state of our deliberative democracy the power of good game design What if public meetings featured competition and collaboration such as team challenges clear rules presented and modeled in multiple ways measurable progress such as scores and levels and engaging sounds and visuals These game mechanics would make meetings more effective and more enjoyable even fun Lerner reports that institutions as diverse as the United Nations the U S Army and grassroots community groups are already using games and game like processes to encourage participation Drawing on more than a decade of practical experience and extensive research he explains how games have been integrated into a variety of public programs in North and South America He offers rich stories of game techniques in action in children's councils social service programs and participatory budgeting and planning With these real world examples in mind Lerner describes five kinds of games and

twenty six game mechanics that are especially relevant for democracy He finds that when governments and organizations use games and design their programs to be more like games public participation becomes more attractive effective and transparent Game design can make democracy fun and make it work *Projects with Young Learners* Diane Phillips, Sarah Burwood, Helen Dunford, 1999-10-30 This popular series gives teachers practical advice and guidance along with resource ideas and materials for the classroom The tasks and activities are clearly presented and offer teachers the information they need about level time preparation materials classroom management monitoring and follow up activities Each book offers up to 100 ideas as well as variations that encourage teachers to adapt the activities to suite their individual classrooms The Storytime Handbook Nina Schatzkamer Miller, 2014-01-27 Fresh fun ideas for children s storytime fill this book The author a long time storytime facilitator has put together 52 weekly themes plus additional plans for holidays all with detailed instructions for talking about the theme and choosing the books crafts songs poems games and snacks Each storytime idea is illustrated with photographs of a suggested craft and snack for easy reference Libraries bookstores preschools and parents alike can use this book to offer themed storytimes that include discussion literature art music movement and food Options are provided for each storytime so the ideas can be used year after year **Crafts and Creative Media in Therapy** Carol Tubbs, Margaret Drake, 2024-06-01 For more than 20 years *Crafts and Creative Media in Therapy* Fifth Edition has been an illuminating reference for the use of creative approaches in helping clients achieve their therapeutic goals Carol Crellin Tubbs has included a range of craft and creative activity categories from paper crafts to cooking to the use of recycled materials and everything in between Each chapter includes a brief history of the craft several projects along with suggestions for grading or adapting examples of related documentation and a short case study The text also features chapters on activity analysis general strategies for implementation of creative activities and documentation as well as a chapter describing the relevance of this media from both historical and current occupation based perspectives In this updated Fifth Edition the craft projects have been updated and numerous resources and links for more ideas have been added There are new chapters on making therapy tools and crafting with a purpose and the recycled and found materials chapter has been expanded in keeping with cultural trends A flow chart has been added to each case study to help students better understand the process and rationale for tailoring activities for individual client needs and project suggestions for working on specific performance skills or client factors are scattered throughout the chapters Other additions include a behavioral observation checklist as an aid in evaluation and documentation and several illustrations to help students distinguish between the use of occupation as means and occupation as end This Fifth Edition also includes an updated instructors manual with additional resources and suggestions for lesson planning *Crafts and Creative Media in Therapy* Fifth Edition not only provides a wide assortment of craft ideas and instructions but also provides multiple suggestions for therapeutic uses for activities in each category It includes ways to grade activities to best achieve therapy objectives and examples of documentation for reimbursement For
