John F. Kennedy,2018-10-17 This book is about bettering your odds on playing High Limit Slot Machines There is a myth that you can t make money on slot machines However over the years through trial and error I have discovered a system that has been working for me over several years that has helped me produce almost a million dollars in hand pay jackpots A system that I have expressively shared in this informational guide All this information is based on my own personal gambling experiences in various casinos around the USA My branded phrase is flippin your money and dippin into theirs never using your hard earned money again hence the meaning behind the phrase flippin n dippin *Instant Millionaires* Max

Gunther,2011-01-10 In this book you will meet three dozen impatient people They weren t satisfied with the slow plodding money saving route to financial security the safe route that most of us feel stuck with They wanted instant wealth and they got it As Max Gunther points out our folklore frowns on the idea of quick money Our cultural heros have generally been plodders as in the fable about the race between a tortoise and a hare In the fable the hare loses The stories in this book are not fables They are true In these stories the hares win They are a richly varied lot these happy hares Gunther opens with a few dazzling millionaire legends such as the man who invented Monopoly You ll then meet such fascinating characters as Sam Wyly who made it in the computer industry Harvey Shuster who beat the stock market Dan Renn who grew rapidly rich by applying salesmanship to another man s idea Howard Brown who deliberately decided to be rich and became a multi millionaire within three years A group of men who made fast fortunes on fads such as the Hula Hoop and the Frisbee Jean Nidetch who organised the fabulously successful Weight Watchers These stores illustrate that the dream of quick money isn t such a ridiculous dream after all Maybe you ve been harboring this kind of dream yourself You ve squelched the dream because you ve been brainwashed by too many stories about tortoises beating hares Everybody tells you your dream is laughable impractical All right get ready for a revelation Read this delightful collection of tales about hares who won When you ve read them maybe you ll decide to run with them **Sound Advice** Rhian Jones,Lucy Heyman,2021-02-28 Are you

Let'S Get Together on Earth Before Taking off on the Road to Heaven Al Hall,2015-01-23 Many people on Earth

look forward to their eventual time in Heaven They speak of Heaven as a lofty perfect place where they will be surrounded by love and humanity turned divine However these same people seem to shrink from human contact while on Earth They miss the opportunity to connect with their brethren looking to the sky as they walk the ground Poet Al Hall looks forward to Heaven but through his inspired words he hopes to reveal the interconnectedness of human life on this planet and how best to utilize our limited time here He encourages us to cherish togetherness during this short period of time on Earth before taking off on the road to Heaven Its time to slow down and take a look around preparing for Heaven but not living there already True nothing on Earth is perfect Politicians make vocal blunders Humans get irritated and angry at each other over nothing more than miscommunication or perhaps a wrong note in church choir Its time we stopped pulling each other down and lifted each other heavenward instead Enjoy worship laughter celebration and falling in love Heaven will one day be home but for now Hall encourages us to live imperfectly but with joy and forgiveness **Unsettled Accounts** Simon J.
