Forty-Nine Truths and the Pentecost John D. Richie,2000-08-21 This work results from years of studying God s Word and observation of the current trends in Christianity The problem with Christianity today is that it has forgotten that the battle is not with those without but with the foolishness sin and unbelief in the believer The forty nine truths contained herein appear to be the most neglected in this age Considering that God s Word is not open to personal interpretation each Scripture quotation is left to individual understanding through the visitation of the Holy Spirit Although some explanation is given my intent is to guide the reader toward understanding and not to impose upon them my own understanding It is perhaps ironic that many Christians professing Jesus to be their Lord and Master may spend eternity in a place they would not desire God s Word states that a follower of Jesus that does not keep his sayings will not inherit the kingdom of heaven The truths discussed herein are the sayings of Jesus not mine The Pentecost follows these forty nine truths It is a day that is in the future It will be a happy day for many but the road thereto is troubled with much tribulation
