picture of Minnesota s contribution to the nation s epic struggle during the Civil War From diaries and letters journals and
newspaper accounts the words of the men who fought convey the terror of battle the drudgery of marching the fear of death
and the honor of camaraderie In addition to the extensive use of first hand accounts of the war this book contains many

Underwood,2015-06-08 Just as Confederate naval action is commonly overshadowed by the land battles of the Civil War the
navy s originator Stephen Mallory is often overlooked in favor of more famous leaders Mallory had served as one of Florida s
U S senators for ten years before becoming navy secretary in the Confederate government challenged to create a valid
military force where none had existed This biography chronicles Mallory s formative years in Key West his decades of public
service and his declining days It discusses his career in the United States Senate where he chaired the Committee for Naval
Affairs helping to strengthen in an ironic twist of fate the very navy he would later attempt to defeat The work also examines
the challenges and obstacles Mallory faced in creating a navy for the South Special attention is given to Mallory s family
relationships Primary sources include autobiographical documents and archival records **Sociology** Neil J. Smelser,1988
My aims in preparing this edition remain the same as the were at the beginning to bring contemporary sociology to students
who have had little or no exposure to the field to make this presentation as comprehensive balanced and clear as possible
without compromising the complexity of the discipline of sociology and to stress concrete illustrations of sociological
principles rather than describing them in abstract terms **Heritage Quest** ,1994 The Publishers' Circular and General
