**Antiquarian Bookman** ,1963    *AB Bookman's Weekly* ,1998    *The Publishers Weekly* ,1900    Bookseller and the Stationery Trades' Journal ,1910    **The Bookseller** ,1910    Custer's Last Stand Norman Maclean,2012-12-20 In his eighty seven years Norman Maclean played many parts fisherman logger firefighter scholar teacher But it was a role he took up late in life that of writer that won him enduring fame and critical acclaim as well as the devotion of readers worldwide When he died in 1990 Maclean left behind an earlier unfinished project on a topic that had held his attention for decades General Custer and the Battle of the Little Bighorn The portions of that writing that remain reveal a deep interest not only in the battle itself but also its afterlife how historical events influence popular culture and how retellings revise the past Summarizing the events from the various perspectives of the Americans the Sioux and the Cheyenne Maclean explains why the battle lives on in our imagination Custer s last stand provides all the elements the characters the plot and the backdrop of the perfect dramatic tragedy And the way we retell history argues Maclean is intimately tied to how we choose to memorialize defeat    **The Man Who Never Died** William M. Adler,2011-08-31 In 1914 Joe Hill was convicted of murder in Utah and sentenced to death by firing squad igniting international controversy Many believed Hill was innocent condemned for his association with the Industrial Workers of the World the radical Wobblies Now following four years of intensive investigation William M Adler gives us the first full scale biography of Joe Hill and presents never before published documentary evidence that comes as close as one can to definitively exonerating him Joe Hill s gripping tale is set against a brief but electrifying moment in American history between the century s turn and World War I when the call for industrial unionism struck a deep chord among disenfranchised workers when class warfare raged and capitalism was on the run Hill was the union s preeminent songwriter and in death he became organized labor s most venerated martyr celebrated by Woody Guthrie and Bob Dylan and immortalized in the ballad I Dreamed I Saw Joe Hill Last Night The Man Who Never Died does justice to Joe Hill s extraordinary life and its controversial end Drawing on extensive new evidence Adler deconstructs the case against his subject and argues convincingly for the guilt of another man Reading like a murder mystery and set against the background of the raw turn of the century West this essential American story will make news and expose the roots of critical contemporary issues    **Catalogue of Copyright Entries** ,1914-07    *Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... *Public Waters* Anne MacKinnon,2021-05 *Public Waters* shows how as popular hopes and dreams meet tough terrain a central idea that has historically structured water management can guide water policy for Western states today

*Exhibitors Daily Review* ,1926 **City of Disposessions** Kyle T. Mays,2022-05-24 In July 2013 Detroit became the largest city in U S history to declare bankruptcy The underlying causes were decades of deindustrialization white flight and financial mismanagement More recently it has been heralded a comeback city as wealthy white residents resettle there Yet as Kyle T Mays argues we cannot understand the current state of Detroit without also understanding the longer history of Native American and African American dispossession that has defined the city since its founding How has dispossession impacted the development of modern U S cities And how does comparing the historical experiences of Native Americans and African Americans in an urban context help us comprehend histories of race sovereignty and colonialism Using archives oral and family histories and community documents *City of Disposessions* is a cultural intellectual and social history that argues that physical and symbolic forms of dispossession of Native Americans and African Americans and their reactions to dispossession have been central to Detroit s modern development The book begins with the first settlement by the Frenchman Cadillac in 1701 and chronicles how the logic of dispossession has continued into the present through a wide range of forms that include memorialization of the disappearing Indian the physical dispossession of African Americans through urban renewal and gentrification Mays also chronicles the wide ranging forms of expression through which Black and Indigenous Detroiters have contested dispossession such as the Red and Black Power movements and culturally relevant education Through lively accessible prose as well as historical and contemporary examples *City of Disposessions* will be of interest to readers of urban studies Indigenous Studies and critical ethnic studies **Tartaria - History Is a Lie** David Ewing Jr,2020-06-05 There are many people all over the world who question world history and many researchers have shown that world history is a total lie This book will try to make it easy for you to decide if history is a lie or not This book will show some of the research that Anatoly Fomenko and others have done regarding world history and will make a summary of what they have found in order to make it easy for you to decide is History a Lie **The Publishers' Circular and Booksellers' Record** ,1926
