Making Of Modern Japan An Introduction:

The Making of Modern Japan John Harington Gubbins, 1922 [Making and Unmaking Modern Japan](#) Ritu Vij, 2016-04-12 The papers assembled here share the dual conviction that 1 understanding the lineaments of Japanese modernity entails an appreciation of the specific forms of distinctions discriminations and exclusions constitutive of it 2 that the socio economic political fractures increasingly visible under conditions of late modernity reveal the precarious nature of the making of modernity in Japan Bringing together a group of critical intellectuals mostly based in Japan with long standing political commitments to groups emblematic of modern Japan s constitutive outside inorities migrants foreigners victims of the Fukushima disaster welfare recipients among others this collection of essays aims to draw attention to processes of making and unmaking that constellate Japanese modernity Unlike previous attempts however devoted to destabilizing positivist culturalist approaches to a post war miracle Japan via a critical post structural theoretical vocabulary and episteme the essays gathered here aim principally to examine traces of the making of modern Japan in the fissures and displacements visible at sites of modernity s unmaking Deploying a range of theoretical approaches rather than a commitment to any single framework the essays that follow aim to locate contemporary Japan and the ravages of its modernity within a wider critical discourse of modernity [The Making of Modern Japan](#) John Harington Gubbins, 2021-11-05 John Harington Gubbins The Making of Modern Japan offers an insightful analysis of Japan s transformation from a feudal society to a modern nation Gubbins delves into the political social and cultural shifts that shaped Japan s evolution showcasing his meticulous research and keen eye for detail His narrative style is engaging making complex historical events accessible to readers The book explores Japan s interactions with the West its internal conflicts and the emergence of a new national identity Gubbins work is a valuable contribution to the understanding of Japan s modernization process making it an essential read for history enthusiasts and scholars alike By examining the key players and events that defined Japan s trajectory Gubbins provides a comprehensive account of this pivotal period in Japanese history *Hirohito And The Making Of Modern Japan* Herbert P. Bix, 2009-10-13 Winner of the Pulitzer Prize In this groundbreaking biography of the Japanese emperor Hirohito Herbert P Bix offers the first complete unvarnished look at the enigmatic leader whose sixty three year reign ushered Japan into the modern world Never before has the full life of this controversial figure been revealed with such clarity and vividness Bix shows what it was like to be trained from birth for a lone position at the apex of the nation s political hierarchy and as a revered symbol of divine status Influenced by an unusual combination of the Japanese imperial tradition and a modern scientific worldview the young emperor gradually evolves into his preeminent role aligning himself with the growing ultranationalist movement perpetuating a cult of religious emperor worship resisting attempts to curb his power and all the while burnishing his image as a reluctant passive monarch Here we see Hirohito as he truly was a man of strong will and real authority Supported by a vast array of previously untapped primary documents *Hirohito and the Making of Modern Japan* is

perhaps most illuminating in lifting the veil on the mythology surrounding the emperor's impact on the world stage. Focusing closely on Hirohito's interactions with his advisers and successive Japanese governments, Bix sheds new light on the causes of the China War in 1937 and the start of the Asia Pacific War in 1941. And while conventional wisdom has had it that the nation's increasing foreign aggression was driven and maintained not by the emperor but by an elite group of Japanese militarists, the reality as witnessed here is quite different. Bix documents in detail the strong, decisive role Hirohito played in wartime operations from the takeover of Manchuria in 1931 through the attack on Pearl Harbor and ultimately the fateful decision in 1945 to accede to an unconditional surrender. In fact, the emperor stubbornly prolonged the war effort and then used the horrifying bombings of Hiroshima and Nagasaki together with the Soviet entrance into the war as his exit strategy from a no-win situation. From the moment of capitulation, we see how American and Japanese leaders moved to justify the retention of Hirohito as emperor by whitewashing his wartime role and reshaping the historical consciousness of the Japanese people. The key to this strategy was Hirohito's alliance with General MacArthur, who helped him maintain his stature and shed his militaristic image, while MacArthur used the emperor as a figurehead to assist him in converting Japan into a peaceful nation. Their partnership ensured that the emperor's image would loom large over the postwar years and later decades as Japan began to make its way in the modern age and struggled as it still does to come to terms with its past. Until the very end of a career that embodied the conflicting aims of Japan's development as a nation, Hirohito remained preoccupied with politics and with his place in history. Hirohito and the Making of Modern Japan provides the definitive account of his rich life and legacy. Meticulously researched and utterly engaging, this book is proof that the history of twentieth-century Japan cannot be understood apart from the life of its most remarkable and enduring leader.

Exporting Japanese Aesthetics Tets Kimura, Jennifer Harris, 2020-05-04

Exporting Japanese Aesthetics brings together historical and contemporary case studies addressing the evolution of international impacts and influences of Japanese culture and aesthetics. The volume draws on a wide range of examples from a multidisciplinary team of scholars exploring transnational, regional, and global contexts. Studies include the impact of traditional Japanese theatre and art through to the global popularity of contemporary anime and manga. Under the banner of soft power or Cool Japan, cultural commodities that originate in Japan have manifested new meanings outside Japan. By re-mapping meanings of selected Japanese cultural forms, this volume offers an in-depth examination of how various aspects of Japanese aesthetics have evolved as exportable commodities, the motivations behind this diffusion, and the extent to which the process of diffusion has been the result of strategic planning. Each chapter presents a case study that explores perspectives that situate Japanese aesthetics within a wide-ranging field of inquiry, including performance, tourism, and visual arts, as well as providing historical contexts. The importance of interrogating the export of Japanese aesthetics is validated at the highest levels of government, which formed the Office of Cool Japan in 2010 and which perhaps originated in the 19th century at governmentally endorsed cultural courts at world fairs. Increased international

consumption of contemporary Japanese culture provides a much needed boost to Japan's weakening economy. The case studies are timely and topical. As host of the 2020 Tokyo Olympic Games and the 2025 Osaka Expo, Cool Japan will be under special scrutiny.

Remembering Hiroshima Francis X. Winters, 2016-12-05 Taking the example of the nuclear bombing of Hiroshima as a case in point, Francis Winters analyzes the ethics of warfare, demonstrating how the examples of World War II hold relevance to the contemporary world. The volume examines the ethics of Japan's refusal to surrender and seeks to balance the verdict of responsibility for Hiroshima by extending the analysis to the ethics of the end of the war. It also illustrates how two displays of American naval and munitions power had an impact on Japan comparable to the September 11, 2001 assaults on America. Linking his study with two contemporary films on Iwo Jima, the author illustrates how the 1940s were an era of costly triumph that can still inspire national pride in American citizens. Unique in concept and approach, this volume will have relevance to scholars interested in both historical and contemporary politics, US-Japan relations, as well as foreign policy and the ethics of warfare.

Introducing Modern Japan, 1993 Contains transcripts of lectures given at the Japan Information Culture Center, Embassy of Japan, Washington, D.C.

History of Modern Japan

Christopher Harding, 2020-06-30

ING_08 Review quote

The Cambridge Companion to Modern Japanese Culture

Yoshio Sugimoto, 2009-06-30 This Companion provides a comprehensive overview of the influences that have shaped modern-day Japan. Spanning one and a half centuries from the Meiji Restoration in 1868 to the beginning of the twenty-first century, this volume covers topics such as technology, food, nationalism, and the rise of anime and manga in the visual arts. The Cambridge Companion to Modern Japanese Culture traces the cultural transformation that took place over the course of the twentieth century and paints a picture of a nation rich in cultural diversity. With contributions from some of the most prominent scholars in the field, The Cambridge Companion to Modern Japanese Culture is an authoritative introduction to this subject.

Japan Milton W. Meyer, 2012-08-09 The emergence of Japan as a political and economic global power has been one of the most remarkable success stories of modern history. Though small in geographic area, the archipelago is the tenth most populous country, with 128 million inhabitants crowded into an area the size of Montana. Its natural resources are almost nonexistent, yet today it ranks only second after the much larger United States as the most affluent and economically productive nation in the world. Its rich cultural heritage and high-tech society are equally vibrant. For all readers wanting to better understand this dynamic country, this popular and accessible introduction offers an authoritative yet concise overview of two thousand years of Japanese history. Now fully updated to the present, this edition also includes an array of photographs and illustrations. The first half of the book explores the pre-Meiji era up to 1868. The second half traces domestic changes and relevant foreign issues in the modernizing era launched by the Meiji Restoration. Highlighting key historical events, Milton W. Meyer also includes cultural, artistic, and religious milestones. Summaries and datelines at the end of each chapter, as well as a glossary, offer additional essential reference points. With its clear explanations of Japanese traditions, religion, history,

economics politics and relations with the West this book provides an invaluable guide for understanding contemporary Japan

The Making of Modern Japan Marius B. Jansen, 2002-10-15 Magisterial in vision sweeping in scope this monumental work presents a seamless account of Japanese society during the modern era from 1600 to the present A distillation of more than fifty years engagement with Japan and its history it is the crowning work of our leading interpreter of the modern Japanese experience Since 1600 Japan has undergone three periods of wrenching social and institutional change following the imposition of hegemonic order on feudal society by the Tokugawa shogun the opening of Japan's ports by Commodore Perry and defeat in World War II The Making of Modern Japan charts these changes the social engineering begun with the founding of the shogunate in 1600 the emergence of village and castle towns with consumer populations and the diffusion of samurai values in the culture Marius Jansen covers the making of the modern state the adaptation of Western models growing international trade the broadening opportunity in Japanese society with industrialization and the postwar occupation reforms imposed by General MacArthur Throughout the book gives voice to the individuals and views that have shaped the actions and beliefs of the Japanese with writers artists and thinkers as well as political leaders given their due The story this book tells though marked by profound changes is also one of remarkable consistency in which continuities outweigh upheavals in the development of society and successive waves of outside influence have only served to strengthen a sense of what is unique and native to Japanese experience The Making of Modern Japan takes us to the core of this experience as it illuminates one of the contemporary world's most compelling transformations

An Introduction to Modern Japanese: Volume 1, Grammar Lessons Richard John Bowring, Haruko Uryu Laurie, 2004-03-18 A two volume introduction to written and spoken Japanese comprising fifty two lessons with exercises and vocabularies

A Companion to Japanese History William M. Tsutsui, 2009-07-20 A Companion to Japanese History provides an authoritative overview of current debates and approaches within the study of Japan's history Composed of 30 chapters written by an international group of scholars Combines traditional perspectives with the most recent scholarly concerns Supplements a chronological survey with targeted thematic analyses Presents stimulating interventions into individual controversies

Designing Modern Japan Sarah Teasley, 2022-05-06 A revealing look at Japanese design weaving together the stories of people who shaped Japan's design industries with social history economic conditions and geopolitics From cars to cameras design from Japan is ubiquitous So are perceptions of Japanese design from calming carefully crafted minimalism to avant garde catwalk fashion or the cute Kawaii aesthetic populating Tokyo streets But these portrayals overlook the creativity generosity and sheer hard work that has gone into creating and maintaining design industries in Japan In Designing Modern Japan Sarah Teasley deftly weaves together the personal stories of people who shaped and shape Japan's design industries with social history economic conditions and geopolitics Key to her account is how design has been a strategy to help communities thrive during turbulent times and for making life better along the way Deeply researched and superbly illustrated Designing Modern Japan appeals

Making Of Modern Japan An Introduction Introduction

In the digital age, access to information has become easier than ever before. The ability to download Making Of Modern Japan An Introduction has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Making Of Modern Japan An Introduction has opened up a world of possibilities. Downloading Making Of Modern Japan An Introduction provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Making Of Modern Japan An Introduction has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Making Of Modern Japan An Introduction. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Making Of Modern Japan An Introduction. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Making Of Modern Japan An Introduction, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Making Of Modern Japan An Introduction has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Making Of Modern Japan An Introduction Books

1. Where can I buy Making Of Modern Japan An Introduction books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
