The Making of Star Trek II, the Wrath of Khan Allan Asherman, 1982 **The First Star Trek Movie** Sherilyn Connelly, 2019-10-23 The story of Star Trek s resurrection between the 1969 cancellation of the original series and the 1979 release of Robert Wise s Star Trek The Motion Picture has become legend and like so many other legends it tends to get printed instead of the facts Drawing on hundreds of contemporary news articles and primary sources not seen in decades this book tells the true story of the first successful Star Trek revival After several attempts to relaunch the franchise ST TMP was released on a wave of prestige promotion hype and public frenzy unheard of for a film based on a television show Controversy surrounded its troubled production and 44M budget earning it a reputation at the time as the most expensive movie ever made After a black tie premiere in Washington D C its opening in 856 North American theaters broke multiple box office records a harbinger of the modern blockbuster era Despite immediate financial success the film was panned by both critics and the public leaving this enterprise nowhere to boldly go but down *Star Trek* Robert Greenberger, 2012-11-08 This is the first book to combine an authoritative history of the Star Trek franchise including all six television series and eleven feature films with anecdotes about the show from those who helped shape it from the outside in the fans Star Trek expert Robert Greenberger covers everything from show creator Gene Roddenberry s initial plans for a series combining science fiction and Western elements the premiere of the original series in 1966 its cancellation the franchise s return in an animated series and its subsequent history on television and film up to expectations for the 2013 J J Abrams film Along the way Greenberger analyzes Star Trek s unique cultural impact and tremendous cult following including the famous and first ever save the show mail campaign But this isn t a sugarcoated history this book chronicles the missteps as well as the achievements of Roddenberry and others behind the franchise Approximately two dozen sidebars provide personal experiences of dedicated Trekkies who influenced or became a part of the franchise Star Trek fandom is unparalleled in the effects it has had on the franchise itself The book is illustrated with a large collection of photographs of memorabilia many of which have never been seen before in print **The Gothic Imagination** John C. Tibbetts, 2011-10-10 This book brings together the author s interviews with many prominent figures in fantasy horror and science fiction to

examine the traditions and extensions of the gothic mode of storytelling over the last 200 years and its contemporary influence on film and media

The Routledge Handbook of Star Trek Leimar Garcia-Siino, Sabrina Mittermeier, Stefan Rabitsch, 2022-07-21 The Routledge Handbook of Star Trek offers a synoptic overview of Star Trek its history its influence and the scholarly response to the franchise as well as possibilities for further study This volume aims to bridge the fields of science fiction and trans media studies bringing together the many ways in which Star Trek franchising fandom storytelling politics history and society have been represented Seeking to propel further scholarly engagement this Handbook offers new critical insights into the vast range of Star Trek texts narrative strategies audience responses and theoretical themes and issues This compilation includes both established and emerging scholars to foster a spirit of communal trans generational growth in the field and to present diversity to a traditional realm of science fiction studies

Editing and Special/Visual Effects Charlie Keil, Kristen Whissel, 2016-08-26 Most moviegoers think of editing and special effects as distinct components of the filmmaking process We might even conceive of them as polar opposites since effective film editing is often subtle and almost invisible whereas special effects frequently call attention to themselves Yet film editors and visual effects artists have worked hand in hand from the dawn of cinema to the present day Editing and Special Visual Effects brings together a diverse range of film scholars who trace how the arts of editing and effects have evolved in tandem Collectively the contributors demonstrate how these two crafts have been integral to cinematic history starting with the trick films of the early silent era which astounded audiences by splicing in or editing out key frames all the way up to cutting edge effects technologies and concealed edits used to create the illusions Throughout readers learn about a variety of filmmaking techniques from classic Hollywood s rear projection and matte shots to the fast cuts and wall to wall CGI of the contemporary blockbuster In addition to providing a rich historical overview Editing and Special Visual Effects supplies multiple perspectives on these twinned crafts introducing readers to the analog and digital tools used in each craft showing the impact of changes in the film industry and giving the reader a new appreciation for the processes of artistic collaboration they involve
