The NIV Kenneth L. Barker, 1986 **The Making of the New Testament** Arthur G. Patzia, 2025-11-04 The story of the making of the New Testament is one in which scrolls bumped across cobbled Roman roads and pitched through rolling Mediterranean seas finally finding their destinations in stuffy dimly lit Christian house churches in Corinth or Colossae There they were read aloud and reread handled and copied forwarded and collected studied and treasured And eventually they were brought together to make up our New Testament This revised and expanded edition of *The Making of the New Testament* is a textbook introduction to the origin collection copying and canonizing of the New Testament documents Like shrewd detectives reading subtle whispers of evidence biblical scholars have studied the trail of clues and pieced together the story of these books Arthur Patzia tells the story answering our many questions How were books and documents produced in the first century What motivated the early Christians to commit teaching and narrative and vision to papyrus How were the stories and sayings of Jesus circulated handed down and shaped into Gospels What do we know about ancient letter writing secretaries and copy shops Why were four Gospels included instead of just one How were Paul's letters sent here and there gathered into a single collection Who decided and by what criteria which documents would be included in the New Testament Explore these questions and more about these Scriptures whose everyday gritty story rings true to their extraordinary message the palpable mystery of the Word made flesh *English Language Bible Translators* William E. Paul, 2015-07-11 More than 300 Bible or New Testament translations including the popular King James Version have been produced in English in the past 600 years These various translations both obscure and well known were undertaken by diligent individuals working either alone or in committees known to number more than 100 This reference work provides information about the men and women who produced English language translations Arranged alphabetically by surname each of the 346 entries includes biographical and vocational information notes on the various editions produced samples of their translation and other pertinent facts In cases where translations were done by committee the chairpersons and project initiators are covered Important anonymous translations are also included **The Naked Preacher** Jason C. Boyd, 2018-03-29 This new volume in the SCM Research series argues that both preaching and Action Research are inherently exposing practices They require a deep level of self consciousness and a willingness to hold oneself up to critique and comment But at their best they are both formed within a deep and supportive critical community Applying a methodology rooted in Action Research as way of Doing Theology ART and drawn from the author's own research within a specific

community of practice The Naked Preacher demonstrates for preachers and ministers new ways to be critically and constructively self aware It also offers an important contribution for practical theologians with an interest in action research and critical reflection

Making Rounds with Jesus Kenneth C. Parsons MD, 2023-04-24 Have you ever wanted to study the Bible with a fresh understanding? If you were given the opportunity, would you want to spend time with Jesus as He goes about healing all those with needs while simultaneously teaching His disciples? If you were one of His disciples, what would you experience as you watched and listened to Jesus? Making Rounds with Jesus: A Physician Looks at the Ministry and Mission of Jesus will awaken in you a sense of being present as you read familiar Bible accounts and imagine yourself being an eyewitness. Watch and listen to Jesus as if you are present. See how He establishes rapport with almost every person He meets. Wonder at how He always knows the need and the correct diagnosis for each person He meets. See how He handles skeptics who don't recognize His identity as the promised Messiah. You will learn lessons from Jesus in new ways. You will find yourself progressing from being a reader to a witness to a learner to a participant. When Jesus describes the Great Commission to you, He promises that the Holy Spirit will empower you to embark on a new journey. Just as Jesus transformed the minds and actions of His disciples, so He will do the same for you as He prepares you to go forth as a trained ambassador for the kingdom of God on earth. This transformation process is a delightful new way to experience the Bible as you grow in your relationship with Jesus.
