Metroland Vintage International:

Metroland Julian Barnes, 2011-06-15 From the bestselling Booker Prize winning author of *A Sense of an Ending* comes a comedy of sexual awakening in the 1960s that is wonderfully fresh crackling with nostalgic irreverence Vogue Only the author of *Flaubert's Parrot* could give us a novel that is at once a note perfect rendition of the angsts and attitudes of English adolescence a giddy comedy of sexual awakening and a portrait of the accommodations that some of us call growing up and others selling out *Staring At The Sun* Julian Barnes, 2012-12-18 Jean Serjeant the heroine of Julian Barnes's wonderfully provocative novel seems ordinary but has an extraordinary disdain for wisdom And as Barnes winner of the Man Booker Prize for *The Sense of an Ending* follows her from her childhood in the 1920s to her flight into the sun in the year 2021 he confronts readers with the fruits of her relentless curiosity pilgrimages to China and the Grand Canyon a catalog of 1940s sexual euphemisms and a glimpse of technology in the twenty first century when *The Absolute Truth* can be universally accessed Elegant funny and intellectually subversive *Staring at the Sun* is Julian Barnes at his most dazzlingly original Brilliant A marvelous literary epiphany Carlos Fuentes *The New York Times Book Review* Barnes's literary energy and daring are nearly unparalleled *New Republic* Эстафета поколений. Ученики и коллеги в честь юбилея профессора Зои Ивановны Кирнозе Коллектив авторов, 2024-08-19 XVIII XX Market Place Susan Parham, 2013-02-21 This book is about designing for food It explores three fast transforming urban sites in London centred on the regenerating spaces of Borough Broadway and Exmouth Markets It suggests that food quarters have emerged in each place modelling new forms of interconnection between physical design and social processes in which food related renewal is at the heart Using case study research informed by design morphological and social science techniques the book explores how the interplay between compact city design and social practices focused on food strongly influences the making of everyday life in these places It demonstrates that the quarters have at once enriched the experience of food and eating and increased urban sustainability and conviviality in and around previously moribund food spaces while paradoxically contributing to gentrification effects The book frames this experience within more spatially dominant approaches to city design which seem to close off convivial food options and choices that would support a more satisfying and resilient urban life The book draws some conclusions about the complexities of designing and planning for food led renewal that might apply more broadly to other places in London and potentially to other cities in future **Julian Barnes** Frederick M. Holmes, 2008-11-14 This comprehensive introduction places the work of Julian Barnes into historical and theoretical context Including a timeline of key dates this guide explores his characteristic literary techniques offers extensive readings of all 10 novels and provides an overview of the varied critical reception his work has provoked **Love, etc.** Julian Barnes, 2007-12-18 The bestselling Booker Prize winning author of *The Sense of an Ending* delivers a tragicomedy about a successful businessman who wants to undo the results of his former best friend's betrayal and get his ex wife back An alarmingly perfect novel *The New York Review of Books* Shortlisted twice for

the Booker Prize Julian Barnes continues to reinvigorate the novel with his pyrotechnic verbal skill and playful manipulation of plot and character In *Love etc* he uses all the surprising sophisticated ingredients of a delightful farce to create a tragicomedy of human frailties and needs After spending a decade in America as a successful businessman Stuart returns to London and decides to look up his ex wife Gillian Their relationship had ended years before when Stuart's witty feckless former best friend Oliver stole her away But now Stuart finds that the intervening years have left Oliver's artistic ambitions in ruins and his relationship with Gillian on less than solid footing When Stuart begins to suspect that he may be able to undo the results of their betrayal he resolves to act Written as an intimate series of crosscutting monologues that allow each character to whisper their secrets and interpretations directly to the reader *Love etc* is an unsettling examination of confessional culture and a profound reflection on the power of perspective

Through the Window Julian Barnes, 2012-11-20 From the bestselling Booker Prize winning author of *The Sense of an Ending* and one of Britain's greatest writers a brilliant collection of essays on the books and authors that have meant the most to him throughout his illustrious career A blissfully intelligent gathering of literary essays *Financial Times* In these seventeen essays plus a short story and a special preface *A Life with Books* Julian Barnes examines the British French and American writers who have shaped his writing as well as the cross currents and overlappings of their different cultures From the deceptiveness of Penelope Fitzgerald to the directness of Hemingway from Kipling's view of France to the French view of Kipling from the many translations of *Madame Bovary* to the fabulations of Ford Madox Ford from the National Treasure status of George Orwell to the despair of Michel Houellebecq Julian Barnes considers what fiction is and what it can do As he writes *Novels tell us the most truth about life what it is how we live it what it might be for how we enjoy and value it and how we lose it*

Before She Met Me Julian Barnes, 2011-06-15 The bestselling Booker Prize winning author of The Sense of an Ending delivers a remarkably original and subtle book The New York Review of Books about the nature of love and jealousy At the start of this fiendishly comic and suspenseful novel a mild mannered English academic chuckles as he watches his wife commit adultery The action takes place before she met him But lines between film and reality past and present become terrifyingly blurred in this sad and funny tour de force from the author of Flaubert's Parrot

England Julian Barnes, 2012-12-18 Grotesque visionary Sir Jack Pitman has an idea Since most people are too lazy to travel from landmark to landmark why not simplify things and create a new England on the Isle of Wight Unfortunately his idea is a huge success and the resulting theme park threatens to supersede the original Called England England it has all the elements of Old England in one convenient location Wander into the new Sherwood Forest and you may spot Robin Hood and his now sexually ambiguous Merrie Men Or take a stroll to see Stonehenge and Anne Hathaway's Cottage enjoy a ploughman's lunch atop the White Cliffs of Dover then pop over to see the Royals now on contract to Sir Jack in their scaled down version of Buckingham Palace Every detail has been considered even the postcards come pre stamped Julian Barnes first novel in six years is a ferociously funny examination of the search for authenticity and truth in a fabricated world *Letters*
