

The image shows the ornate Art Nouveau entrance of the Grand Palais in Paris at dusk. The central focus is a large, glowing sign that reads "METROPOLITAIN" in a stylized, bold font. Below this sign, the subtitle "UN PORTRAIT DE PARIS" is visible. The entrance is framed by intricate metalwork and large glass panels. The sky above is a deep blue, and the interior lights of the building are visible through the glass. The overall atmosphere is one of historical grandeur and architectural beauty.

**Jean-Auguste-Dominique
Ingres, National Gallery (Great Britain)**

Metropolitan Un Portrait De Paris:

Metropolitan: a Portrait of Paris Matthew Weinreb, Fiona Biddulph, 1994 **French Paintings in The Metropolitan Museum of Art from the Early Eighteenth Century through the Revolution** Katharine Baetjer, 2019-04-15 This publication catalogues The Met's remarkable collection of eighteenth century French paintings in the context of the powerful institutions that governed the visual arts of the time: the Académie Royale de Peinture et de Sculpture, the Académie de France à Rome, and the Paris Salon. At the height of their authority during the eighteenth century, these institutions nurtured the talents of artists in all genres. The Met's collection encompasses stunning examples of work by leading artists of the period, including Antoine Watteau, Mezzetin, Jean Siméon Chardin, *The Silver Tureen*, François Boucher, *The Toilette of Venus*, Joseph Siffred Duplessis, Benjamin Franklin, Jean Baptiste Greuze, *Broken Eggs*, Hubert Robert, the Bagatelle decorations, Jacques Louis David, *The Death of Socrates*, the Van Blarenberghes, *The Outer Port of Brest*, and François Gérard, Charles Maurice de Talleyrand-Périgord. In the book's introduction, author Katharine Baetjer provides a history of the Académie, its establishment, principles, and regulations, along with a discussion of the beginnings of public art discourse in France, taking us through the reforms unleashed by the Revolution. The consequent democratizing of the Salon brought about by radicals under the leadership of Jacques Louis David encouraged the formation of new publics with new tastes in subject matter and genres. The catalogue features 126 paintings by 50 artists. Each section includes a short biography of the artist and in-depth discussions of individual paintings, incorporating the most up-to-date scholarship.

Description historique de la basilique métropolitaine de Paris Antoine Pierre Marie Gilbert, 1821 **Dutch Paintings in the Metropolitan Museum of Art** Walter A. Liedtke, Metropolitan Museum of Art (New York, N.Y.), 2007 Presents a catalog that surveys the Dutch paintings found in the Metropolitan Museum of Art.

American Drawings and Watercolors in the Metropolitan Museum of Art Stephanie L. Herdrich, John Singer Sargent, Helene Barbara Weinberg, Marjorie Shelley, Metropolitan Museum of Art (New York, N.Y.), 2000 The Museum's collection illuminates all aspects of Sargent's career. The drawings and watercolors in particular reflect his activity outside the portrait studio: his sojourns in Spain, Morocco, and elsewhere in North Africa and in the Middle East; his enduring fascination with Venice; his holidays in the Italian lake district and the Alps; his tours of North America, including Florida and the Rocky Mountains; his visit as an official war artist to the western front in 1918; and his work as a muralist at the Boston Public Library, the Museum of Fine Arts, Boston, and Harvard University's Widener Library.
