Metropolitan Critic:

The Metropolitan Critic Clive JAMES, 1995 The Metropolitan Critic Clive James, 2015-10-22 Cultural criticism at its best The Metropolitan Critic sees essayist critic and poet Clive James mix high and pop culture commentary from Tom Wolfe to Tom and Jerry from Seamus Heaney to Oz magazine In 1974 The Metropolitan Critic started a new trend in cultural comment which has since become an orthodoxy The young Clive James was the first journalist in London to talk about high culture and pop culture as if they were equally fascinating fields of endeavour and he did it in an incomparably engaged fluent sparkling style Even at that early stage the learning behind his literary high wire act was formidable a portent of the wide ranging erudition that in subsequent years was to underpin the further volumes of critical prose and the television column that made him famous An extra delight of this edition is a set of self critical footnotes which combined with a nostalgic introduction evoke what literary London was like when the author low on salary but high on hope was making his spectacular start Clive James 1939 2019 was a broadcaster critic poet memoirist and novelist His much loved influential and hilarious television criticism is available both in individual volumes and collected in Clive James On Television His encyclopaedic study of culture and politics in the twentieth century Cultural Amnesia remains perhaps the definitive embodiment of his wide ranging talents as a critic Praise for Clive James The perfect critic A O Scott New York Times There can't be many writers of my generation who haven't been heavily influenced by Clive James Charlie Brooker A wonderfully witty and intelligent writer Verity Lambert **The Librarians of Congress** Christian A. Nappo, 2016-02-04 For over 200 years the Library of Congress has served as our national library Since its establishment in 1800 thirteen librarians have served as the institution's head librarian Sadly little is known about most of them The Librarians of Congress is the first book to contain the biographies of all these librarians Beginning with a brief history of the Library of Congress the book then contains short biographies of each of the thirteen Librarians of Congress beginning with John J Beckley and ending with James H Billington Each biography is accompanied by a photograph A subject index concludes this work Ezra Pound as Literary Critic Emeritus Professor K K Ruthven, K. K. Ruthven, 2002-01-08 Bringing some of the insights of modern critical theory to bear on a great deal of information about Pound's activities as a literary critic some of it made available only recently K K Ruthven provides a provocative re-reading of a major modernist writer who dominated the discourse of modernism *The Critic*, 1905 **The Routledge Companion to Korean Literature** Heekyoung Cho, 2022-03-15 The Routledge Companion to Korean Literature consists of 35 chapters written by leaders in the field who explore significant topics and who have pioneered innovative approaches The collection highlights the most dynamic current scholarship on Korean literature presenting rigorous literary analysis interdisciplinary methodologies and transregional thinking so as to provide a valuable and inspiring resource for researchers and students alike This Companion has particular significance as the most extensive collection to date of English language articles on Korean literature it both offers a thorough intellectual

engagement with current scholarship and addresses a broad range of topics and time periods from premodern to contemporary. It will contribute to an understanding of literature as part of a broad sociocultural process that aims to put the field into conversation with other fields of study in the humanities and social sciences. While presenting rigorous and innovative academic research that will be useful to graduate students and researchers, the chapters in the collection are written to be accessible to the average upper level undergraduate student and include only minimal use of academic jargon. In an effort to provide substantially helpful material for researching teaching and learning Korean literature, this Companion includes as an appendix an extensive list of English translations of Korean literature.

Post-Imperial Brecht Loren Kruger, 2004-08-19 Post-Imperial Brecht challenges prevailing views of Brecht's theatre and politics. Kruger focuses much of her analysis in regions where Brecht has had special resonance, including East Germany and South Africa, where Brechtian philosophy has been vigorously employed in the anti-apartheid movement. Kruger also analyses political interpretations of Brecht in light of other key dramatists, including Heiner Müller and Athol Fugard. The book also examines Brechtian influence on writers and philosophers such as Adorno, Benjamin, and Barthes.

The Routledge Reader in Caribbean Literature Alison Donnell, Sarah Lawson Welsh, 1996 An outstanding compilation of over seventy primary and secondary texts of writing from the Caribbean. The editors demonstrate that these singular voices have emerged out of a wealth of literary tradition and not a cultural void.

The Kingdom of Art: Willa Cather's First Principles and Critical Statements, 1893-1896 Willa Cather, 1967-01-01 The Kingdom of Art attempts to give a summary of the first elementary principles on which one writer based her art and then to present a collection of critical statements, personal and occasional as well as theoretical, that seem to give a realistic view of Willa Cather as she was in the years 1893-1896.

Cultural Cohesion: The Essential Essays Clive James, 2013-04-01 Clive James presents the prequel to his celebrated Cultural Amnesia: forty-nine essays that form a cultural education in one brilliant volume. Six years after the much heralded publication of Cultural Amnesia, Clive James presents his prequel: forty-nine essays that he has selected as the best of his half-century career. Originally appearing as *As of This Writing*, Cultural Cohesion examines the twisted cultural terrain of the twentieth century in one of the most accessible and cohesive volumes available. Divided into four sections: Poetry, Fiction, and Literature; Culture and Criticism; and Visual Images, James comments on poets like W. H. Auden and Phillip Larkin, novelists like D. H. Lawrence and Raymond Chandler, not to mention Judith Krantz and filmmakers like Fellini and Bogdanovich. Throughout, James delights his readers with his manic energy and critical aplomb. This volume, featuring a new introduction, is a one-volume cultural education that few recent books can rival.

When London Calls Stephen Alomes, 1999-10-11 For thousands of young Australians, the tearful dockside farewell was a rite of passage as they boarded ships bound for London. For some, the journey was an extended holiday, but for many actors, painters, musicians, writers, and journalists leaving Australia seemed to be the only path to personal and professional fulfilment. This

book first published in 2000 is a collective biography of those people who found themselves categorised as expatriates people such as Leo McKern Dame Joan Sutherland Barry Tuckwell Don Banks Phillip Knightley John Pilger Peter Porter Richard Neville Jill Neville and megastars Barry Humphries Germaine Greer and Clive James The book tells of choices they made about career and country yet it is also a cultural history that traces shifts in the complex relationship between Australia and Britain as the supposed colonial backwater began to develop its own cultural identity *Poet Lore*, 1903 **In Theory** Aijaz Ahmad, 2020-05-05 After the Second World War nationalism emerged as the principle expression of resistance to Western imperialism in a variety of regions from the Indian subcontinent to Africa to parts of Latin America and the Pacific Rim With the Bandung Conference and the formation of the Non Aligned Movement many of Europe's former colonies banded together to form a common bloc aligned with neither the advanced capitalist First World nor with the socialist Second World In this historical context the category of Third World literature emerged a category that has itself spawned a whole industry of scholarly and critical studies particularly in the metropolitan West but increasingly in the homelands of the Third World itself Setting himself against the growing tendency to homogenize Third World literature and cultures Aijaz Ahmad has produced a spirited critique of the major theoretical statements on colonial discourse and post colonialism dismantling many of the commonplaces and conceits that dominate contemporary cultural criticism With lengthy considerations of among others Fredric Jameson Edward Said and the Subaltern Studies group *In Theory* also contains brilliant analyses of the concept of Indian literature of the genealogy of the term Third World and of the conditions under which so called colonial discourse theory emerged in metropolitan intellectual circles Erudite and lucid Ahmad's remapping of the terrain of cultural theory is certain to provoke passionate response *The First Naipaul World Epics*, 2021-07-31 The plethora of commentary from highly respected voices in a broad cross section of academic disciplines which V S Naipaul's death on 11 August 2018 elicited ranged so widely both cognitively and emotionally that if a student of literature unfamiliar with the Naipaulian era read it all they would have failed to make sense of the divergences Allegations included that he was a cruel man a scarred man the darkest dungeons of colonialism incarnate self punishing self loathing world loathing full of nastiness and fury a ventriloquist for the nastiest cliches European colonialism had devised to rule the world with arrogance and confidence and so on On the other hand writers referred to Naipaul as a brilliant writer's writer one who holds a mirror of imagination unto society to capture a certain view of reality and one who has turned the genre of the travelogue into an art form Debates aside many of us appreciate the value of Naipaul's writing to the deepest possible comprehension of the imperial impulse and the myriad reasons it manifested as colonialism *The First Naipaul World Epics* is the first in a series of critical collections that aim to demonstrate this value At the same time the series seeks to help the new student through the quagmire of divergent opinions his personality and writing have generated *Secular Vocations* Bruce Robbins, 1993-07-17 During the 1980s university based intellectuals came under heavy fire from both radicals and conservatives They were

accused by the former of betraying their public duty as general critics of society and by the latter of promulgating radical ideologies and corrupting the young In this work the author counters both left and right arguing that the professionalization of literary study was inevitable and fortuitous Robbins undertakes close studies of such figures as Edward Said Fredric Jameson and Raymond Williams while considering the major trends in contemporary cultural studies and giving significant attention to relevant developments in such disciplines as ethnology and sociology *Secular Vocations* ranges over materials from Britain France and the US knitting them together in a synthesis that places in bold relief many of the major controversies in contemporary intellectual life It concludes with a plea for what Robbins calls comparative cosmopolitanism to displace the more militantly particularist projects that have come to dominate the human sciences **The Roscoe magazine and Lancashire and Cheshire literary reporter** ,1849 **Willa Cather** James Woodress,1989-01-01 Drawing on letters interviews speeches and reminiscences looks at the life and career of the American novelist *Making Waves Anniversary Volume* Ann Davies,Parvathi Kumaraswami,Claire Williams,2021-02-10 Gender and women s studies have formed part of the academic landscape for many years but while the field is now established enough to have developed in depth and perspectives there remain many areas of significance yet to be explored most significantly much of the work carried out has remained rooted in the Anglo American context Those working outside this context are increasingly aware of the need to understand women in different cultural contexts in order to determine whether to what extent and how representations of women and cultural contexts are interactive and dynamic concepts The current volume contributes to the growing interest in the field of women and culture in the Hispanic and Lusophone worlds and shows how women writers researchers teachers and students have always made waves to counteract the complacency prejudice and tradition that threatens to ignore or subsume them The volume draws on literary study the starting point for much of the early work on gender in Spain the Lusophone world and Latin America but also goes beyond it to discuss women s interaction not only with literature but also with art and language itself in the Hispanic and Lusophone contexts It acts as a showcase for contemporary scholarship undertaken in Hispanic and Lusophone gender studies developing earlier insights and forging new ones to refine the debate continuing in the subject The contributors include both established scholars with a proven track record and promising newcomers to the field The volume arises from the individual research projects and sustained discussions of Women in Spanish Portuguese and Latin American Studies WiSPs an organisation that exists to promote scholarship by and about women in the field of Iberian Lusophone and Latin American Studies This volume celebrates the first seven years of WiSPs s life and presents some of the research presented under its auspices at annual conferences and study days
