**Metropolitan Financing: the Milwaukee Experience, 1920-1970** Donald J. Curran, 1973 *Contesting the Postwar City* Eric Fure-Slocum, 2013-06-28 Focusing on midcentury Milwaukee Eric Fure Slocum charts the remaking of political culture in the industrial city Professor Fure Slocum shows how two contending visions of the 1940s city working class politics and growth politics fit together uneasily and were transformed amid a series of social and policy clashes Contests that pitted the principles of democratic access and distribution against efficiency and productivity included the hard fought politics of housing and redevelopment controversies over petty gambling questions about the role of organized labor in urban life and battles over municipal fiscal policy and autonomy These episodes occurred during a time of rapid change in the city s working class as African American workers arrived to seek jobs women temporarily advanced in workplaces and labor unions grew At the same time businesses and property owners sought to reestablish legitimacy in the changing landscape This study examines these local conflicts showing how they forged the postwar city and laid a foundation for the neoliberal city

*Metropolitan Financing* Donald J. Curran, **Conservative Counterrevolution** Tula A Connell, 2016-03-15 In the 1950s Milwaukee s strong union movement and socialist mayor seemed to embody a dominant liberal consensus that sought to continue and expand the New Deal Tula Connell explores how business interests and political conservatives arose to undo that consensus and how the resulting clash both shaped a city and helped redefine postwar American politics Connell focuses on Frank Zeidler the city s socialist mayor Zeidler s broad concept of the public interest at times defied even liberal expectations At the same time a resurgence of conservatism with roots presaging twentieth century politics challenged his initiatives in public housing integration and other areas As Connell shows conservatives created an anti progressive game plan that included a well funded media and PR push an anti union assault essential to the larger project of delegitimizing any government action opposition to civil rights and support from a suburban silent majority In the end the campaign undermined notions of the common good essential to the New Deal order It also sowed the seeds for grassroots conservatism s more extreme and far reaching future success
