Metropolitan Miami A Demographic Overview

George E. Peterson

Metropolitan Miami A Demographic Overview:

Metropolitan Miami William W. Jenna, 1972 *Metropolitan Miami; a Demographic Overview*, by William W. Jenna, Jr
William W. Jenna, 1972 *Big-city Politics, Governance, and Fiscal Constraints* George E. Peterson, 1994 Big city mayors and other political leaders face the triple challenge of assembling a winning political coalition translating this into an effective governing coalition and coping with a tightening local budget constraint The challenge is still greater when elections have produced a change in ethnic control of local government bringing into power new groups that want to use government spending to serve their constituents demands but are resisted by those controlling the economic resources This volume explores the political transition now going on in big cities One group of chapters examines recent electoral politics in Chicago Philadelphia Los Angeles Miami and San Antonio where different types of ethnic and class lines have been drawn and where different strategies have been employed to adjust political machines to the new realities A second group of chapters considers the business of governing under the conflicting pressures of community organizations the press the business community and higher levels of government A final group of chapters examines the fiscal and budgetary constraints upon big city governments and the difficulty that these governments no matter how well motivated face in generating jobs and economic opportunity for their political constituents **Housing and Planning References**, 1973 **Resource and**

Land Information for South Dade County, Florida United States. Department of the Interior, 1973 [A Demographic Profile of Cuban Americans](#) Thomas D. Boswell, 2002 **Ethnicity in Contemporary America** Jesse O. McKee, 2000

Thoroughly revised and updated in this second edition this clear and thoughtful text offers a geographical analysis of the history of U S immigration patterns and the development of selected ethnic minority groups The book focuses especially on their origin diffusion socioeconomic characteristics and settlement patterns within the United States The book sets the context with opening chapters that discuss migration theory and the history of U S migration from 1607 to the present including major U S immigration legislation and provide a background for the time of entry volume and spatial distribution of various groups Case study chapters then analyze each of those groups including Native Americans and those of African Puerto Rican Mexican Cuban Jewish Japanese Chinese and Indochinese origin The final section of the book explores rural and urban ethnic enclaves focusing especially on immigrant groups of European heritage and their impacts on the cultural landscape of the United States [The Book Lover's Guide to Florida](#) Kevin M. McCarthy, 1992 Here is the book lover s literary tour of Florida an exhaustive survey of writers books and literary sites in every part of the state The state is divided into ten areas and each one is described from a literary point of view You will learn what authors lived in or wrote about a place which books describe the place what important movies were made there even the literary trivia which the true Florida book lover will want to know You can use the book as a travel guide to a new way to see the state as an armchair guide to a better understanding of our literary heritage or as a guide to what to read next time you head to a bookstore or library

State and Metropolitan Area Data Book ,1998 1979 2010 Contains data similar to that found in the County and City Databook but on the state and MSA Metropolitan Statistical Areas levels *Awash In The Mainstream* Rodolfo O. de la Garza,2019-03-08 We would like to thank a number of campaign professionals and observers who shared their experiences and insights with us during and after the 1996 campaign Without these practical and nuanced insights we would not be able to present as complete a portrait of the election and the Latino contribution to its outcome Our thanks to Ronald Blackburn Moreno Rita Di Martino Maria Echaveste Charles Kamasaki Ken Mireles Norma Patif l o Lippe Jason Poblete Jorge Ramirez Margaret Ramos Nelson Reineri and Jonathan Tilove **National Household Survey on Drug Abuse** ,1993 New

Suburbanism: Sustainable Tall Building Development Khair Al-Kodmany,2016-04-14 Much of the anticipated future growth in the United States will take place in suburbia The critical challenge is how to accommodate this growth in a sustainable and resilient manner This book explores the role of suburban tall as a viable sustainable alternative to continued suburban sprawl It identifies 10 spatial patterns in which tall buildings have been integrated into the American suburbs The study concludes that the Tall Building and Transit Oriented Development TB TOD model is the most appropriate to promote sustainable suburbanism The findings are based on analyzing over 300 projects in 24 suburban communities within three major metropolitan areas including Washington DC Miami Florida and Chicago Illinois The book furnishes planning strategies that address the social economic and environmental aspects of sustainable tall building development It also discusses sustainable architectural design and site planning strategies and provides case studies of sustainable tall buildings that were successfully integrated into suburban settings **Census Catalog and Guide** United States. Bureau of the Census,1991 Includes subject area sections that describe all pertinent census data products available i e Business trade and services Geography Transportation etc The Global Edge Prof. Alejandro Portes,Ariel C. Armony,2018-09-11 Over the last quarter century no other city like Miami has rapidly transformed into a global city The Global Edge charts the social tensions and unexpected consequences of this remarkable process of change Acting as a follow up to the highly successful City on the Edge The Global Edge examines Miami in the context of globalization and scrutinizes its newfound place as a major international city Written by two well known scholars in the field the book examines Miami s rise as a finance and banking center and the simultaneous emergence of a highly diverse but contentious ethnic mosaic The Global Edge serves as a case study of Miami s present cultural economic and political transformation and describes how its future course can provide key lessons for other metropolitan areas throughout the world *An Introduction to Judaism* Jacob Neusner,1991-01-01 An ancient religion practiced through most of recorded history and having profound influence on both Christianity and Islam Judaism is also a modern religion that still transforms the lives of many people Neusner surveys how Judaism took shape as people responded to political and religious crises and describes how Judaism is practiced in American today *Encyclopedia of American*

Urban History David Goldfield, 2006-12-07 We are an urban nation and have been so officially at least since the early twentieth century But long before then our cities played crucial roles in the economic and political development of the nation as magnets for immigrants from here and abroad and as centers of culture and innovation They still do Yet the discipline that we call Urban History is really a phenomenon of post World War II scholarship Now after a generation of pathbreaking scholarship that has reoriented and enlightened our perception of the American city the two volumes of the Encyclopedia of American Urban History offer both a summary and an interpretation of the field With contributions from leading academics in their fields this authoritative resource offers an interdisciplinary approach by covering topics from economics geography anthropology politics and sociology Key Features Addresses the rise of urban America using a concise readable and historical format Focuses on the 20th century a century with the most dramatic urban growth and a time when the United States transformed from being a nation of shopkeepers and farmers to an urban industrial and then post industrial society Defines urban broadly including suburban environments and even something new and literally far out called penurbia Offers both a referential and a reverential approach to produce a work that functions as a research tool and as a commemoration of scholarship Includes contributions from leading academics and scholars as well as from those who work for non profits governments and corporations The Encyclopedia of American Urban History is a fundamental reference work intended to ground and inspire future research in the field It is an essential resource for any academic library [Geography in America at the Dawn of the 21st Century](#) Gary L. Gaile, Cort J. Willmott, 2005 Geography in America at the Dawn of the 21st Century surveys American geographers current research in their specialty areas and tracks trends and innovations in the many subfields of geography As such it is both a state of the discipline assessment and a topical reference It includes an introduction by the editors and 47 chapters each on a specific specialty The authors of each chapter were chosen by their specialty group of the American Association of Geographers AAG Based on a process of review and revision the chapters in this volume have become truly representative of the recent scholarship of American geographers While it focuses on work since 1990 it additionally includes related prior work and work by non American geographers The initial Geography in America was published in 1989 and has become a benchmark reference of American geographical research during the 1980s This latest volume is completely new and features a preface written by the eminent geographer Gilbert White [Latino Small Businesses and the American Dream](#) Melvin Delgado, 2011 Latino small businesses provide social economic and cultural comfort to their communities They are also excellent facilitators of community capacity a major component of effective social work practice Social work practitioners have a vested interest in seeing such businesses grow not only among Latinos but all communities of color Reviewing the latest research on formal and informal economies within urban communities of color Melvin Delgado lays out the demographic foundations for a richer collaboration between theory and practice Delgado deploys numerous case studies to cement the link between indigenous small businesses and community

well being Whether regulated or unregulated these establishments hire from within and promote immigrant self employment Latino small businesses often provide jobs for those whose criminal and mental health backgrounds intimidate conventional businesses Recently estimated to be the largest group of color running small businesses in the United States Latino owners top two million with the number expected to double within the next few years Joining an understanding of these institutions with the kind of practice that enables their social and economic improvement Delgado explains how to identify and mobilize the kinds of resources that best spur their development *Annual Medical Examiner Data* ,1991
