The Met Jonathan Conlin, 2024-10-22 New York City's Metropolitan Museum of Art is one of the world's greatest cultural institutions Its holdings encompass a vast range including paintings sculptures costumes instruments and arms and armor and span millennia from ancient Egypt and Greece to Islamic art to European Old Masters and modern artists How did the Met amass this trove and what do the experiences of the people who bought restored catalogued visited and watched over these works tell us about the museum This book is a groundbreaking bottom up history of the Metropolitan Museum of Art exploring both its triumphs and its failings Jonathan Conlin tells the stories of the people who have shaped the museum from curators and artists to museumgoers and security guards and the communities that have made it their own Highlighting inequalities of wealth race and gender he exposes the hidden costs of the museum's reliance on robber barons and oligarchs

the exclusionary immigration policies that influenced the foundation of the American Wing and the obstacles faced by women curators Drawing on extensive interviews with past and current staff Conlin brings the story up to the present including the museum s troubled 150th anniversary in 2020 As the Met faces continued controversy this book offers a timely account of the people behind an iconic institution and a compelling case for the museum s vision of shared human creativity
