Jensen, 2017-10-01 The period between the 1960s and 1970s is easily one of the most controversial in American history Examining the liberal movements of the era as well as those that opposed them this volume offers analyses of the rhetoric of leaders including those of the civil rights movement the Chicano movement the gay rights movement second wave feminism and conservative resistance groups It also features an introduction that summarizes much of the significant research done by communication scholars on dissent in the 1960s and 1970s This time period is still a fertile area of study and this book provides insights into the era that are both provocative and illuminating making it an essential read for anyone looking to learn more about this time in America

ETHNIC REALITIES OF MEXICAN AMERICANS Martin Guevara Urbina, Joel E. Vela, Juan O. Sanchez, 2014-03-01 The goal of this book is to examine the ethnic experience of the Mexican American community in the United States from colonialism to twenty first century globalization The authors unearth evidence that reveals how historically white ideology combined with science law and the American imagination has been strategically used as a mechanism to intimidate manipulate oppress control dominate and silence Mexican Americans ethnic racial minorities and poor whites A theoretical and philosophical overview is presented focusing on the repressive practice against Mexicans that resulted in violence brutality vigilantism executions and mass expulsions The Mexican experience under hooded America is explored including religion the Ku Klux Klan and the Mexican American Civil Rights Movement Local state and federal laws are documented often in conflict with one another including the Homeland Security program that continues to result in detentions and deportations The authors examine the continuing argument of citizenship that has been used to legally exclude Mexican

children from the educational system and thereby being characterized as not fit for the classroom nor entitled to an equitable education Segregation and integration in the classroom is discussed featuring examples of court cases As documented throughout the book American law is a constant reminder of the pervasive ideology of the historical racial supremacy socially defined and enforced ethnic inferiority and the rejection of positive social change equality and justice that continues to persist in the United States The book is extensively referenced and is intended for professionals in the fields of sociology history ethnic studies Mexican American Chicano studies law and political science and also those concerned with sociolegal issues Description Here

Mexican Americans Lois B. Jordan, 1973 *Unwanted Mexican Americans in the Great Depression* Abraham Hoffman, 1974 Discouraged by widespread unemployment and alarmed by anti Mexican sentiment nearly five hundred thousand Mexican Americans returned to Mexico between 1929 and 1939 Historian Abraham Hoffman captures the despair of these thousands of people of Mexican descent including those with U S citizenship who were actively coerced into leaving the country Prior to 1931 many Mexican Americans left the United States voluntarily prompted by homesickness unemployment and the Mexican government's offer of free small land parcels As the Great Depression deepened repatriation pressures increased Anglo groups lobbied for laws that excluded aliens from jobs and welfare benefits Many businessmen government officials and social workers believed that removing Mexican Americans would open up jobs for U S citizens and alleviate some of the burden placed on relief agencies The Department of Labor's federal deportation drive launched in 1931 created an atmosphere of fear and tension in Mexican American communities Immigration agents conducted surprise searches for people who had entered the country illegally and Mexicans who had crossed the border before restrictive legislation was passed became prime targets of the deportation campaign Welfare agencies throughout the United States organized repatriation programs The Los Angeles County Welfare Bureau with the most extensive program was responsible for the removal of more than thirteen thousand Mexican Americans A few well publicized deportations had frightened Mexicans who were unsure of their immigration status Many chose repatriation over possible deportation Using much archival material and many previously unpublished government documents Hoffman focuses on the repatriation experience in Los Angeles The city's large Mexican American population provides an excellent case study of the entire movement He also surveys the process of Mexican repatriation throughout the entire United States

Childhoods Gaile Sloan Cannella,Lourdes Diaz Soto,2010 For the past 20 years a range of scholars educators and cultural workers have examined dominant discourses of childhood using critical feminist and other postmodern perspectives Located in a variety of disciplines these poststructural deconstructive and even postcolonial critiques have challenged everything from notions of the universal child to adult child dualisms to deterministic developmental theory The purpose of this volume is to acknowledge the profound contributions of that large body of literature while demonstrating the ways that critical analyses can be used to generate avenues actions that increase possibilities for social justice for those who are younger while at the same time avoiding determinism In this time of globalization hyper capitalism and discourses that would control and disqualify through constructions like accountability we believe that projects such as this are of utmost importance The volume is divided into four major sections to reflect the multiplicity of human voices and perspectives section I contemporary circumstances and dominant discourses within which we all attempt to function sections II and III and the generation of new possibilities for constructing relationships together section IV Finally a voice from the heart within a reconceptualist social science agenda for early childhood studies is presented **Thinking en Español** Jesús Rosales,2014-11-06 Thinking en espa ol takes the important literary figures who shaped our knowledge of Chicano authors and places them in the dynamic arc of Chicana o criticism and literature Jes s Rosales interviews foundational Chicana o literary critics and through conversations establishes the path of Chicana o criticism from 1848 to the present The Ku Klux Klan's Campaign Against Hispanics, 1921-1925 Juan O. Sánchez,2018-07-26 The Ku Klux Klan s persecution of Hispanics during the early 1920s was just as brutal as their terrorizing of the black community a fact sparsely documented in historical texts The KKK viewed Mexicans as subhuman foreigners supporting a Catholic conspiracy to subvert U S institutions and install the pope as leader of the nation and mounted a campaign of intimidation and violence against them Drawing on numerous Spanish language newspapers and Klan publications of the day the author describes the KKK s
