An Historical Introduction to American Education Gerald L. Gutek,2012-09-18 Guteks classic volume on the history of American education has been thoroughly revised and updated to provide a twenty first century perspective on the development of American educational institutions Like earlier editions the well researched Third Edition employs a topical approach to examine the evolution of key institutions like the common school and the high school as well as significant movements like progressive education racial desegregation and multiculturalism Primary source readings enhance and reinforce chapter content and feature new writings from Benjamin Rush Horace Mann Maria Montessori W E B Du Bois John

Dewey and Jane Addams Two new chapters add depth to this comprehensive richly illustrated work Immigration Multiculturalism and Education examines the response of public schools to the education of immigrant children in the context of Americas industrialization and urbanization This compelling addition also looks at the changing demographics of immigration and discusses the experiences and contributions of Hispanic Americans and Asian Americans Progressive Education and John Dewey explores the origins of progressive education the philosophies of John Dewey and other leading progressive educators and this movements ongoing influence in American classrooms The Third Editions topical organization lends itself to multiple uses in the classroom Each chapter provides the historical foundation for the study of a contemporary topic in education including the organization and structure of schools the philosophy of education early childhood education curriculum and instruction multicultural and bilingual education and educational policy *Roots of America* New Jersey Education Association/National Education Association Ethnic Heritage Projects,1975 A resource guide for social studies teachers dealing with a multiethnic society **Teaching Hispanic Children** Toni Griego Jones,Mary Lou Fuller,2003 Griego Jones and Fuller present information about the role of national origins and cultural backgrounds in teaching and learning and why it is important for teachers to know about culture in general and about Hispanic cultural groups in particular The history and background on culture is intended to provide knowledge and a deeper understanding of the lives of Hispanic children in the United States and to help teachers and prospective teachers expand their professional perspectives In writing about classroom practice and how to work with family and parents the authors have tried to directly address points identified in educational literature as effective practices for Hispanic children There is a need for educators to understand their own thinking about Hispanic populations to reflect on their knowledge attitudes and beliefs about populations that have long been part of the American landscape but are now becoming a more visible part of it The theme of reflection is carried out throughout each chapter with questions that will guide the reader to reflect on the content of the chapter and on the implications for themselves as professional educators Provides an overview and demographic breakdown of the Hispanic population including national origin time in this country geographical region income level and age A theme of reflection is carried throughout with reflection exercises at the end of each chapter Through various activities preservice and inservice teachers are encouraged to begin developing their own methods and approaches to connecting with Hispanic students Authors Notes is a boxed feature in which the authors describe and reflect on their own experience as teacher educators **Teaching History** ,1996 Teaching Strategies for Ethnic Studies James A. Banks,2009 Presents resources and strategies teachers may use to incorporate content and concepts about racial ethnic and cultural groups into their mainstream curriculums and provides information on the major ethnic groups in the U S America, History and Life ,2007 Article abstracts and citations of reviews and dissertations covering the United States and Canada Resources in Education ,1996 *CA Te Am Anthem 2007 Mod* Holt Rinehart & Winston,2007 **How Could You Not Hear It?** ,1998
