Changing Climates in North American Politics Henrik Selin, Stacy D. VanDeveer, 2009 In this age of high fuel prices and concern with continuing availability of oil scientists are working on a number of approaches to alternate fuel sources These concerns may provoke interest in how some people in gas starved Europe dealt with such problems throughout the war years 1939-1945 One of the most successful innovations were the so called gas producer vehicles that utilized the by products of solid fuel combustion employing such solids as coal charcoal turf

and wood to produce fuel gas for a standard internal combustion engine This book provides an overview of such vehicles including those used by the Wehrmacht Schematics of operating systems and the regulations concerning their use are also included along with a translated German illustrated operators manual Publisher **Lessons from NAFTA** Luis Serven, Daniel Lederman, William F. Maloney, 2004-11-15 Analyzing the experience of Mexico under the North American Free Trade Agreement NAFTA Lessons from NAFTA aims to provide guidance to Latin American and Caribbean countries considering free trade agreements with the United States The authors conclude that the treaty raised external trade and foreign investment inflows and had a modest effect on Mexico's average income per person It is likely that the treaty also helped achieve a modest reduction in poverty and an improvement in job quality This book will be of interest to scholars and policymakers interested in international trade and development **Hybrid Factories in Latin America** Katsuo Yamazaki, Tetsuo Abo, Juhn Wooseok Juhn, 2013-01-17 Explores the Latin American economy and management through the study of Japanese companies in countries such as Argentina Brazil and Mexico Based on detailed case studies this volume offers a bird's eye view of foreign investments in Latin America Informal Education, Childhood and Youth Peter Kraftl, 2014-03-25 This collection of original chapters brings together cutting edge research on informal education that is learning practices that emphasise dialogue and learning through everyday life For the first time it highlights the way in which geography matters to informal education practices Through a range of examples from the nineteenth twentieth and twenty first centuries and from a range of geographical contexts the authors explore the relationship between history geography and practice in the field of informal education Case studies include youth work Scouting Guiding Care Farms youth music programmes and the use of online information technologies This book will be of interest to geographers and sociologists of education childhood and youth scholars It also provides an engaging resource and collection of case studies for educators youth workers and other professionals who work with young people *The Political Logic of Poverty Relief* Alberto Diaz-Cayeros, Federico Estévez, Beatriz Magaloni, 2016-02-26 The Political Logic of Poverty Relief places electoral politics and institutional design at the core of poverty alleviation The authors develop a theory with applications to Mexico about how elections shape social programs aimed at aiding the poor They also assess whether voters reward politicians for targeted poverty alleviation programs **Mexico in Transition** Gerardo Otero, 2013-07-04 Mexico in Transition provides a wide ranging empirical and up to date survey of the multiple impacts neoliberal policies have had in practice in Mexico over twenty years and the specific impacts of the NAFTA Agreement The volume covers a wide terrain including the effects of globalization on peasants the impact of neoliberalism on wages trade unions and specifically women workers the emergence of new social movements El Barz n and the Zapatistas EZLN how the environment especially biodiversity has become a target for colonization by transnational corporations the political issue of migration to the United States and the complicated intersections of economic and political liberalization Mexico in Transition provides rich concrete evidence of what happens to
