

Neoliberal reform and protest in Latin American democracies: A replication and correction

Frederick Solt¹, Dongkyu Kim¹, Kyu Young Lee¹, Spencer Willardson² and Seokdong Kim³

Abstract

Do neoliberal economic reforms in Latin American democracies mobilize citizens to overcome their collective action problems and protest? A recent addition to the scholarship on this crucial question of the relationship of markets and politics, Bellinger and Arce (2011), concludes that economic liberalization does have this effect, working to repoliticize collective actors and reinvigorate democracy. We reexamine the article's analyses and demonstrate that they misinterpret the marginal effect of the variables of theoretical interest. Thus, the article's optimistic claims about the consequences for democracy of economic liberalization in the region are not supported by its own empirical results. It is argued here that its results suggest instead that protests became more common in autocracies when they moved away from markets. Rather than speaking to how people have mobilized to protest against liberal reforms in Latin America's democracies, the work's analyses illuminate only when people protested against the region's dictatorships.

Keywords

Neoliberal reform, political protest, Latin America

The latter decades of the twentieth century witnessed two dramatic transformations across Latin America: a universal, if uneven, adoption of economically liberalizing reforms and a near complete replacement of the region's autocracies with more democratic regimes. Not surprisingly, the relationship between these two processes has been intensely debated (see, e.g., Huber and Solt, 2004; Walton 2004). Many have argued that economic liberalization, by shifting decision-making power on a wide variety of matters from state to market, has limited and undercut democratic governance and so worked to demobilize civil society (see, e.g., Kurtz, 2004). Others have contended that the hardships imposed by liberalization have in fact reinvigorated democracy by spurring a variety of societal actors to organize themselves and mobilize against neoliberal reforms (see, e.g., Silva, 2009). Determining which of these perspectives more accurately depicts the relationship between economic liberalization and collective political action in Latin American democracies is central to understanding if market liberalism has successfully redefined citizenship rights as exclusively political or if instead collective actors are broadening the concept of democratic

citizenship to include social and economic rights. It speaks, in other words, to the question of which side of Polanyi's (1944) 'double movement' has gained the upper hand across the region (see, e.g., Roberts, 2008).

Bellinger and Arce (2011), in their article entitled 'Protest and democracy in Latin America's market era', provide the broadest empirical examination yet conducted on this question, examining the impacts of economic liberalization on protest in seventeen Latin American countries from 1970 to 2003. It argues for the second view outlined above, the repoliticization thesis, maintaining that grievances resulting from economic liberalization provide strong framing opportunities for diverse social actors to overcome their collective action problems and that, in the favorable

Gerardo Otero

Mexico Abebing Neoliberal Reform Institute Of Latin American Studies:

Neoliberalism Revisited Gerardo Otero, 1996-04-04 Examining the challenges brought about by the liberalizing of the Mexican economy at a time when multiple organizations of civil society are demanding a democratic political transition contributors identify the key social and political actors both domestic and international involved in promoting or resisting the new economic model and examine the role of the state in the restructuring process Each chapter traces recent structural transformations within the central social relationships in Mexican society and anticipates their future prospects **Mexico** Mónica Serrano, 1997 Although the early 1990s witnessed great optimism with regard to the economic and political reforms introduced by the Salinas administration the 1994-95 economic crisis raised doubts about the viability of market oriented growth and political stability in Mexico This book looks at the impact of economic reform and political liberalization on political institutions state society relations and economic policymaking The contributors are Alberto Arnaut Fernando Escalante Soledad Loaeza Gabriel Martínez Victoria Murillo Mónica Serrano Fernando Solís Carlos Urzúa Alejandro Villagmez and Jos Woldenberg **The Reinvention of Mexico** Gavin O'Toole, 2010-01-01 The Reinvention of Mexico explores the ideological conflict between neoliberalism and nationalism that has been at the core of economic and political development in Latin America since the mid 1980s Grappling with a wide variety of issues generated by the dismantling of the statist economy and subsequent climate of market reforms this timely volume shows that Mexico's transformation in the 1990s has broader implications for the study of nationalism A welcome contribution to the literature on Latin American history The Reinvention of Mexico offers important insight into national responses to globalization and the most appropriate vision of political economy in Latin America *State Policy, Distribution and Neoliberal Reform in Mexico* Manuel Pastor, Carol Wise, 1997 **Mexico in Transition** Gerardo Otero, 2013-07-04 Mexico in Transition provides a wide ranging empirical and up to date survey of the multiple impacts neoliberal policies have had in practice in Mexico over twenty years and the specific impacts of the NAFTA Agreement The volume covers a wide terrain including the effects of globalization on peasants the impact of neoliberalism on wages trade unions and specifically women workers the emergence of new social movements El Barzón and the Zapatistas EZLN how the environment especially biodiversity has become a target for colonization by transnational corporations the political issue of migration to the United States and the complicated intersections of economic and political liberalization Mexico in Transition provides rich concrete evidence of what happens to the different sectors of an economy its people and natural resources as the profound change of direction that neoliberal policy represents takes hold It also describes and explains the diverse forms of resistance and challenge that different civil society groups of those affected are now offering to a model the downsides of which are becoming increasingly manifest *Market Reforms in Mexico* Mark Eric Williams, 2001-07-17 The last two decades saw a host of governments abandon statist development models for more market friendly ones However not all reform attempts fared equally well Why do some governments succeed in implementing

market reforms while others fail Why might the same government succeed in one policy area but not another Market Reforms in Mexico explores these central questions by examining Mexico's reform experience in privatization deregulation and environmental policy More than simply a book on Mexican politics this study speaks to the broader political dynamics behind the success or failure to implement reforms first by assessing new policy initiatives in multiple arenas across presidential administrations in Mexico then by comparing Mexico's privatization experience to that of Argentina's Through structured focused comparison of select case studies the author argues that the fate of dramatic reform initiatives turned on coalition politics both inside and outside the state and explains how institutional dynamics and the capacity to solve the problem of policy costs strongly affected reformers' prospects of success

Neoliberalism and Commodity Production in Mexico Thomas Weaver, James B. Greenberg, William L. Alexander, Anne Browning-Aiken, 2012-06-15 Neoliberalism and Commodity Production in Mexico details the impact of neoliberal practice on the production and exchange of basic resources in working class communities in Mexico Using anthropological investigations and a market driven approach contributors explain how uneven policies have undermined constitutional protections and working class interests since the Mexican Revolution of 1910 Detailed ethnographic fieldwork shows how foreign investment privatization deregulation and elimination of welfare benefits have devastated national industries and natural resources and threatened agriculture driving the campesinos and working class deeper into poverty Focusing on specific commodity chains and the changes to production and marketing under neoliberalism the contributors highlight the detrimental impacts of policies by telling the stories of those most affected by these changes They detail the complex interplay of local and global forces from the politically mediated systems of demand found at the local level to the increasingly powerful municipal and state governments and the global trade and banking institutions Sharing a common theoretical perspective and method throughout the chapters Neoliberalism and Commodity Production in Mexico is a multi-sited ethnography that makes a significant contribution to studies of neoliberal ideology in practice

Attitudes Toward Economic Reform in Mexico Robert R. Kaufman, Leo Zuckerman, 1996

The Punitive City Markus-Michael Müller, 2016-06-15 In the eyes of the global media modern Mexico has become synonymous with crime violence and insecurity But while media fascination and academic engagement has focussed on the drug war an equally dangerous phenomenon has taken root In The Punitive City Markus Michael Müller argues that what has emerged in Mexico is not just a punitive urban democracy in which those at the social and political margins face growing violence and exclusion More alarmingly it would seem that clientelism in the region is morphing into a private political protection racket Vital reading for anyone seeking to understand the implications of a phenomenon that is becoming increasingly widespread across Latin America

Politics after Neoliberalism Richard Snyder, 2006-05-22 During the past two decades virtually all developing countries shifted from state-led to market-oriented neoliberal economic policies This book analyzes fresh evidence from Southern Mexico about the effects of this global wave of policy reforms The evidence challenges the widely held view

that these reforms have set countries on a convergent path toward unregulated markets The analysis shows that free market reforms rather than unleashing market forces trigger the construction of different types of new regulatory institutions with contrasting consequences for economic efficiency and social justice **Downsizing the State** Dag MacLeod, 2010-11-01

Beginning in 1983 the Mexican government implemented one of the most extensive programs of market oriented reform in the developing world Downsizing the State examines a key element of this reform program the privatization of public firms Drawing upon interviews with government officials business executives and labor leaders as well as data from government archives and corporate documents MacLeod highlights the difficulties of linking market reforms to improved public welfare Privatization failed to live up to its promise of raising living standards or decentralizing the economy Indeed privatization actually increased the concentration of wealth in Mexico while redirecting the economy toward foreign markets These findings contribute to theoretical debates regarding state autonomy and the embeddedness of economic action MacLeod calls into question the autonomy of the Mexican state in its privatization program He shows that the creation of markets where public firms once dominated has involved both the destruction of social relations and the construction of new relations and institutions to regulate the market Salinastroika Without Prinsost Denise Dresser, 1994 Mexico in Crisis Donald E. Schulz, 1995 This study examines the development of the crisis in Mexico with the primary focus on the 6 year term of President Carlos Salinas de Gortari and the first few months of his successor President Ernesto Zedillo Ponce de Le n It poses the question of how a country with such seemingly bright prospects as Mexico in the wake of the North American Free Trade Agreement NAFTA approval by the U S Congress could so quickly plunge into crisis The answer is that these problems had been festering for some time By 1994 a combination of factors including recurrent economic crises a failure to introduce meaningful political reforms the social devastation wrought by neoliberal economic policies continuing corruption and mismanagement by Mexican political and economic elites human rights violations and the growing power of narcotraffickers was sufficient to destabilize what had long been considered one of the most stable countries in Latin America The prospects for the future are mixed at best While some substantive political judicial and police reforms have been belatedly made serious doubts remain as to how far President Zedillo will be willing able to go in challenging the power and perquisites of the traditional government Partido Revolucionario Institucional PRI elite and the narcotraffickers A major threat to these elements would probably in itself be destabilizing it could also be personally dangerous for Zedillo at a time when political assassinations are becoming increasingly commonplace Moreover corruption and inefficiency are so ingrained in the political institutions and practices at all levels of Mexican society that nothing short of a wholesale cultural revolution seems likely to solve the basic problem Such fundamental changes in values are notoriously difficult to carry out and would take years indeed decades to accomplish Thus while the economy may pick up in a year or two and significant advances in democratization may occur political violence and social turmoil will continue at least in the short to medium run In turn this

will pose serious problems for the United States especially in the areas of illegal immigration narcotrafficking and all the costs and dangers they pose for American society *Post-neoliberal Pathways* Richard Snyder,1998 Neoliberalism, Interrupted Mark Goodale,Nancy Postero,2013-06-05 In the 1980s and 1990s neoliberal forms of governance largely dominated Latin American political and social life *Neoliberalism Interrupted* examines the recent and diverse proliferation of responses to neoliberalism s hegemony In so doing this vanguard collection of case studies undermines the conventional dichotomies used to understand transformation in this region such as neoliberalism vs socialism right vs left indigenous vs mestizo and national vs transnational Deploying both ethnographic research and more synthetic reflections on meaning consequence and possibility the essays focus on the ways in which a range of unresolved contradictions interconnect various projects for change and resistance to change in Latin America Useful to students and scholars across disciplines this groundbreaking volume reorients how sociopolitical change has been understood and practiced in Latin America It also carries important lessons for other parts of the world with similar histories and structural conditions Mexico Under Salinas Institute for European-Latin American Relations,1990 *Neoliberalism and the Transformation of Mexican Authoritarianism* Judith A. Teichman,1996 **Staging Politics in Mexico** Stuart A. Day,2004 Mexico and Latin American Economic Integration Philippe C. Schmitter,Ernst B. Haas,1964 *Revolution and State in Modern Mexico* Adam David Morton,2013-10-04 Now in an updated edition this groundbreaking study develops a new approach to understanding the formation of the postrevolutionary state in Mexico In a shift away from dominant interpretations Adam David Morton considers the construction of the revolution and the modern Mexican state through a fresh analysis of the Mexican Revolution the era of import substitution industrialization and neoliberalism Throughout the author makes interdisciplinary links among geography political economy postcolonialism and Latin American studies in order to provide a new framework for analyzing the development of state power in Mexico He also explores key processes in the contestation of the modern state specifically through studies of the role of intellectuals democratization and democratic transition and spaces of resistance As Morton argues all these themes can only be fully understood through the lens of uneven development in Latin America Centrally the book shows how the history of modern state formation and uneven development in Mexico is best understood as a form of passive revolution referring to the ongoing class strategies that have shaped relations between state and civil society As such Morton makes an important interdisciplinary contribution to debates on state formation relevant to Mexican studies postcolonial and development studies historical sociology and international political economy by revitalizing the debate on the uneven and combined character of development in Mexico and throughout Latin America In so doing he convincingly contends that uneven development can once again become a tool for radical political economy analysis in and beyond the region A substantive new epilogue engages the main theoretical debates that have emerged since the book was first published while also exploring the dominant geographies of power and resistance that are shaping state space in Mexico

in the twenty first century And now a Spanish edition *Revoluci n y Estado en M xico moderno* M xico D F Siglo XXI 2017 is available as well [Click here to see the book trailer](#)

Unveiling the Magic of Words: A Overview of "**Mexico Abebing Neoliberal Reform Institute Of Latin American Studies**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Mexico Abebing Neoliberal Reform Institute Of Latin American Studies**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.

Mexico Abebing Neoliberal Reform Institute Of Latin American Studies Introduction

Mexico Abebing Neoliberal Reform Institute Of Latin American Studies Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Mexico Abebing Neoliberal Reform Institute Of Latin American Studies Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Mexico Abebing Neoliberal Reform Institute Of Latin American Studies : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Mexico Abebing Neoliberal Reform Institute Of Latin American Studies : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Mexico Abebing Neoliberal Reform Institute Of Latin American Studies Offers a diverse range of free eBooks across various genres. Mexico Abebing Neoliberal Reform Institute Of Latin American Studies Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Mexico Abebing Neoliberal Reform Institute Of Latin American Studies Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Mexico Abebing Neoliberal Reform Institute Of Latin American Studies, especially related to Mexico Abebing Neoliberal Reform Institute Of Latin American Studies, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Mexico Abebing Neoliberal Reform Institute Of Latin American Studies, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Mexico Abebing Neoliberal Reform Institute Of Latin American Studies books or magazines might include. Look for these in online stores or libraries. Remember that while Mexico Abebing Neoliberal Reform Institute Of Latin American Studies, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading.

Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Mexico Abebing Neoliberal Reform Institute Of Latin American Studies eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Mexico Abebing Neoliberal Reform Institute Of Latin American Studies full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Mexico Abebing Neoliberal Reform Institute Of Latin American Studies eBooks, including some popular titles.

FAQs About Mexico Abebing Neoliberal Reform Institute Of Latin American Studies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mexico Abebing Neoliberal Reform Institute Of Latin American Studies is one of the best book in our library for free trial. We provide copy of Mexico Abebing Neoliberal Reform Institute Of Latin American Studies in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Mexico Abebing Neoliberal Reform Institute Of Latin American Studies. Where to download Mexico Abebing Neoliberal Reform Institute Of Latin American Studies online for free? Are you looking for Mexico Abebing Neoliberal Reform Institute Of Latin American Studies PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Mexico Abebing Neoliberal Reform Institute Of Latin American Studies. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this.

Several of Mexico Abebing Neoliberal Reform Institute Of Latin American Studies are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Mexico Abebing Neoliberal Reform Institute Of Latin American Studies. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Mexico Abebing Neoliberal Reform Institute Of Latin American Studies To get started finding Mexico Abebing Neoliberal Reform Institute Of Latin American Studies, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Mexico Abebing Neoliberal Reform Institute Of Latin American Studies So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Mexico Abebing Neoliberal Reform Institute Of Latin American Studies. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Mexico Abebing Neoliberal Reform Institute Of Latin American Studies, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Mexico Abebing Neoliberal Reform Institute Of Latin American Studies is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Mexico Abebing Neoliberal Reform Institute Of Latin American Studies is universally compatible with any devices to read.
