Embodying Mexico Ruth Hellier-Tinoco,2011-06-07 Embodying Mexico examines two performative icons of Mexicanness the Dance of the Old Men and Night of the Dead of Lake Patzcuaro in numerous manifestations including film theater tourist guides advertisements and souvenirs Covering a ninety year period from the postrevolutionary era to the present day Hellier Tinoco s analysis is thoroughly grounded in Mexican politics and history and simultaneously incorporates choreographic musicological and dramaturgical analysis Exploring multiple contexts in Mexico the USA and Europe Embodying Mexico expands and enriches our understanding of complex processes of creating national icons performance repertoires and tourist attractions drawing on wide ranging ethnographic archival and participatory experience An extensive companion website illustrates the author s arguments through audio and video      Times of India Illustrated Weekly ,1988      **Whole Earth**

**Access Mail Order Catalog** ,1985      India ,1984      Anderson's Travel Companion Compiled by Sarah

Anderson,2016-12-05 A selection of the best in travel writing with both fiction and non fiction presented together this companion is for all those who like travelling like to think about travelling and who take an interest in their destination It covers guidebooks as well as books about food history art and architecture religion outdoor activities illustrated books autobiographies biographies and fiction and lists books both in and out of print Anderson s Travel Companion is arranged first by continent then alphabetically by country and then by subject cross referenced where necessary There is a separate section for guidebooks and comprehensive indexes Sarah Anderson founded the Travel Bookshop in 1979 and is also a journalist and writer on travel subjects She is known by well known travel writers such as Michael Palin and Colin Thubron Michael Palin chose her bookshop as his favourite shop and Colin Thubron and Geoffrey Moorhouse among others made suggestions for titles to include in the Travel Companion      **South-East Asia on a Shoestring** Tony Wheeler,1985      *The Traveller's Handbook* Sarah Gorman,1991      Illegal Peter A. Geniesse,2010 Why have millions of Mexicans and other Latinos fled their homelands and risked their lives to come to the U S in search of a job Why are they living in the shadows ever fearful of being discovered by the migras and of being deported Why is the United States a nation of immigrants which often welcomed and recruited millions of Mexicans workers in the past now spending billions of dollars on walls border patrols detention centers and workplace raids to get them out and keep them out The issue is as complex as it is divisive There are root causes of course and U S politics and trade policies have played a major role in producing today s immigration crisis But the migrants themselves real people with real experiences related throughout Illegal are the most credible

witnesses to the system gone awry as well as the injustices suffered and endured on both sides of the border Let them tell you their poignant stories Rosa lost her husband to the drug wars and Rogelio lost his best friend in the desert Ernesto lost his farm Enrique was deported after a workplace raid And Cresencio and Hector now are living the American dream thanks to the amnesty program of the 1980s That s just a sample      **Africa on a Shoestring** Geoff Crowther,1986      **The Isthmus** Bruce Stores,2009 Mexican history is as tortured and crooked in both senses of the word as an ox cart trail unexpected turns around every corner replete with bumps and declivities The casual reader of general Mexican history will find it difficult keeping up with the list of Mexico s principal characters over the centuries now expanding then suddenly contracting due to assassinations exiles military defeats and alliances gone awry Oaxacan writer Bruce Stores solves that problem by employing a simple technique used for millennia by the local indigenous peoples storytelling His take on historical fiction paints a human everyday face on the historian s cold mask of dates places and wars Structuring his book around key historical events he asks and answers the questions How did that feel Who was affected What happened to the community the families The focus of this book as its title implies is the Isthmus of Tehuantepec the bottom of the scorpion s tail of Mexican geography At its narrowest point it s only approximately 125 miles wide spanning the Gulf of Mexico to the Pacific making the Isthmus an early much courted often spurned alternative to the Panama Canal The region s remoteness heat and lack of picturesque colonial cities or swank beach resorts have kept tourists far away And perhaps because of that and sociological factors as well the Isthmus has managed to protect its distinct largely indigenous culture Stores explains that culture to us over a 500 year period through the pre Conquest period with its intertribal warfare to Cortes arrival the battles for independence from Spain and the French Intervention In the modern era his characters fight political battles from Mexico City s university protests to struggles with the domination of the long entrenched Institutional Revolutionary Party PRI A common thread for all the stories is the importance of land to the Zapotec people It defines them Land ownership in Oaxaca Gomez told the Judge has different roots The system of property rights among the pre Colombian natives was without a doubt antagonistic to the Spaniards sense of private property Yet to the indigenous peoples their communal property holdings were as natural to them as night and day Because their land was the provider of their food they considered it to be divine Yes Their land was to them a god And just as the air and the wind belong to everyone they couldn t come to terms with European notions of private property The Isthmus succeeds in elucidating a little understood region of Mexico And its telling of tales brings us closer the fierce human spirit that has withstood and shaped its history      **Selling the Indian** Carter Jones Meyer,Diana Royer,2001-08-01 For more than a hundred years outsiders enamored of the perceived strengths of American Indian cultures have appropriated and distorted elements of them for their own purposes more often than not ignoring the impact of the process on the Indians themselves This book contains eight original contributions that consider the selling of American Indian culture and how it affects the Native community It goes beyond studies of white shamanism to focus on commercial

ventures challenging readers to reconsider how Indian cultures have been commercialized in the twentieth century Some selections examine how Indians have been displayed to the public beginning with a living exhibit of Cocopa Indians at the 1904 Louisiana Purchase Exposition and extending to contemporary stagings of Indian culture for tourists at Tillicum Village near Seattle Other chapters range from the Cherokees to Puebloan peoples to Indians of Chiapas Mexico in an examination of the roles of both Indians and non Indian reformers in marketing Native arts and crafts These articles show that the commercialization and appropriation of American Indian cultures have been persistent practices of American society over the last century and constitute a form of cultural imperialism that could contribute to the destruction of American Indian culture and identity They offer a means toward understanding this complex process and provide a new window on Indian white interactions
