The Rational Ontological Argument Joshua R. Sijuwade, 2025-01-23 By developing a new ontological argument for the existence of God Joshua R Sijuwade presents an innovative approach that enriches the existing discourse with fresh insights and a contemporary perspective The ontological argument seeks to demonstrate the existence of God from an a priori standpoint and Sijuwade begins by addressing the substantial critique the modal argument has received He embarks on a rigorous exploration providing needed analysis and a positive iteration termed the Rational Ontological Argument rooted in a novel modal methodology known as Rational Modal Realism Using this new method Sijuwade focuses on demonstrating how the central concepts and theories within modal metaphysics and epistemology such as modal realism modal rationalism trope theory and ontological pluralism offer a means to develop a victorious ontological argument Employing contemporary analytic methods and suggesting productive directions for further research Sijuwade makes a key contribution to philosophy of religion and re invigorates the age old philosophical argument for the existence of God **First Class Comrades** J.

Boulter, 2025-02-03 No country in history has been more deeply penetrated by spies than divided Germany after the Second World War Fighting for the eastern corner were the first class comrades of the Stasi the East German Ministry for State Security Rising from the ruins of a defeated country and guided by its KGB masters the early Cold War saw the Stasi establish itself as one of the world s most notorious spy and secret police agencies These were years of fierce ideological battles overshadowed by Joseph Stalin and his East German acolytes At home the Stasi crushed dissent using brutal and increasingly crafty methods to prop up a government that had no mandate to govern The Berlin Wall was built and the borders sealed At the same time dramatic and fascinating spy warfare broke out The Stasi learned to infiltrate foreign countries including in the developing world and to combat vigorous attempts by the west to spy on and subvert the German Democratic Republic Gripping intelligent and packed with information *First Class Comrades* shines a light on this lesser known period of Stasi history and why its stories and lessons still matter today *Essentials of Mini – One Anastomosis*
