She Damn Near Ran the Studio Jacqueline R. Braitman, 2020-10-19 Best known as the woman who ran MGM Ida R Koverman 1876 1954 served as talent scout mentor executive secretary and confidant to American movie mogul Louis B Mayer for twenty five years She Damn Near Ran the Studio The Extraordinary Lives of Ida R

Koverman is the first full account of Koverman's life and the true story of how she became a formidable politico and a creative powerhouse during Hollywood's Golden Era. For nearly a century Koverman's legacy has largely rested on a mythical narrative while her more fascinating true life story has remained an enduring mystery until now. This story begins with Koverman's early years in Ohio and the sensational national scandal that forced her escape to New York where she created a new identity and became a leader among a community of women. Her second incarnation came in California where she established herself as a hardcore political operative challenging the state's progressive impulse. During the Roaring Twenties she was a key architect of the Southland's conservative female-centric partisan network that refashioned the course of state and national politics and put Herbert Hoover in the White House. As the political boss of Los Angeles County she was the premiere matchmaker in the courtship between Hollywood and national partisan politics which as Mayer's executive secretary was epitomized by her third incarnation as one of the most formidable women in Hollywood whose unparalleled power emanated from her unique perch inside the executive suite of Metro Goldwyn Mayer. Free to adapt her managerial skills and political know-how on behalf of the studio she quickly drew upon her artistic sensibilities as a talent scout expanding MGM's catalog of stars and her own influence on American popular culture. Recognized as one of the invisible power centers in both MGM and the city of Los Angeles she nurtured the city's burgeoning performing arts by fostering music and musicians and the public financing of them. As the lioness of MGM royalty Ida Koverman was not just a naturalized citizen of the Hollywood kingdom at times during her long reign she damn near ran the studio.

**Disney's Most Notorious Film** Jason Sperb, 2012-12-01 The Walt Disney Company offers a vast universe of movies television shows theme parks and merchandise all carefully crafted to present an image of wholesome family entertainment. Yet Disney also produced one of the most infamous Hollywood films *Song of the South*. Using cartoon characters and live actors to retell the stories of Joel Chandler Harris *SotS* portrays a kindly black Uncle Remus who tells tales of Brer Rabbit Brer Fox and the Tar Baby to adoring white children. Audiences and critics alike found its depiction of African Americans condescending and outdated when the film opened in 1946 but it grew in popularity and controversy with subsequent releases. Although Disney has withheld the film from American audiences since the late 1980s *SotS* has an enthusiastic fan following and pieces of the film such as the Oscar-winning *Zip a Dee Doo Dah* remain throughout Disney's media universe. *Disney's Most Notorious Film* examines the racial and convergence histories of *Song of the South* to offer new insights into how audiences and Disney have negotiated the film's controversies over the last seven decades. Jason Sperb skillfully traces the film's reception history showing how audience perceptions of *SotS* have reflected debates over race in the larger society. He also explores why and how Disney while

embargoing the film as a whole has repurposed and repackaged elements of SotS so extensively that they linger throughout American culture serving as everything from cultural metaphors to consumer products *Florida 2008* Jacinta
