the U S Secret Service the Federal Bureau of Investigation the New York Police Department and other organizations provide insight into recent events and what the United States needs to do to protect all of its citizens Battleground New York City is the exciting story of the men and women who have dedicated their lives to protecting a city under threat Sketches from a Secret War Timothy Snyder,2007-10-10 The forgotten protagonist of this true account aspired to be a cubist painter in his native Ky v In a Europe remade by the First World War his talents led him to different roles intelligence operative powerful statesman underground activist lifelong conspirator Henryk J zewski directed Polish intelligence in Ukraine governed the borderland region of Volhynia in the interwar years worked in the anti Nazi and anti Soviet underground during the Second World War and conspired against Poland s Stalinists until his arrest in 1953 His personal story important in its own right sheds new light on the foundations of Soviet power and on the ideals of those who resisted it By following the arc of J zewski s life this book demonstrates that his tolerant policies toward Ukrainians in Volhynia were part of Poland s plans to roll back the communist threat The book mines archival materials many available only since the fall of communism to rescue J zewski his Polish milieu and his Ukrainian dream from oblivion An epilogue connects his legacy to the disintegration of the Soviet Union and the democratic revolution in Ukraine in 2004 **Appeasement** Tim Bouverie,2020-06-02 A NEW YORK TIMES EDITORS CHOICE SUNDAY TIMES UK BESTSELLER A gripping history of the British appeasement of Hitler on the eve of World War II An eye opening narrative that makes for exciting but at times uncomfortable reading as one reflects on possible lessons for the present Antonia Fraser author of Mary Queen of Scots On a wet afternoon in September 1938 Prime Minister Neville Chamberlain stepped off an airplane and announced that his visit to Hitler had averted the greatest crisis in recent memory It was he later assured the crowd in Downing Street peace for our time Less than a year later Germany invaded Poland and the Second World War began Appeasement is a groundbreaking history of the disastrous years of indecision failed diplomacy and parliamentary infighting that enabled Hitler s domination of Europe Drawing on deep archival research and sources not previously seen by historians Tim Bouverie has created an unforgettable portrait of the ministers aristocrats and amateur diplomats who through their actions and inaction shaped their country s policy and determined the fate of Europe Beginning with the advent of Hitler in 1933 we embark on a fascinating journey from the early days of the Third Reich to the beaches of Dunkirk Bouverie takes us not only into the backrooms of Parliament and 10 Downing Street but also into the drawing rooms and dining clubs of fading imperial Britain where Hitler enjoyed surprising support among the ruling class and even some members of the royal family Both sweeping and intimate Appeasement is not only an eye opening history but a timeless lesson on the challenges of standing up to aggression and authoritarianism and the calamity that results from failing to do so **The British and the Greek Resistance, 1936-1944** André Gerolymatos,2018-04-30 Between 1941 and 1944 the Germans and the Italians imposed a brutal occupation of Greece This as well as the outbreak of famine drove many Greeks to join a variety of resistance movements in the mountains The British government anticipated the German

occupation of Europe and created the Special Operations Executive SOE One directorate of the SOE was responsible for partisan activity in the mountains and another directorate focused on encouraging espionage and sabotage in Greek cities Over 3000 Greeks and British operated espionage networks that made a significant contribution to the war effort in the Mediterranean Unfortunately the work of the spy and saboteur working in the shadows remained classified until the end of the twentieth century The release of SOE documents in the twenty first century provides an amazing insight into how intelligence operations were a critical part of the Allied victory of the Second World War The aim of the book is to bring to life the stories of the ghosts of the shadow war

**China's Spies** Nigel West, 2025-05-30 While many of President Xia Jinping's increasingly aggressive foreign policies manifested by expansion into the South China Sea trade confrontation with Australia and political suppression in Hong Kong have become obvious there has been a covert dimension that has gone largely unreported outside the Allied intelligence community Beijing's Ministry of State Security or MSS has increasingly shifted its priorities to hostile penetration of the CIA That this is the case has been demonstrated by the recent cases of individuals such as Glenn Shriver Jerry Chun Shing Lee Ron Rockwell Hansen Kevin Mallory Dickson Yeo and Alexander Yuk Ching Ma Of these Shriver an American student studying in China became as the FBI itself points out a target of Chinese intelligence services and crossed the line when he agreed to participate in espionage type activity For his actions in 2019 Ron Rockwell Hansen a former Defense Intelligence Agency officer pleaded guilty to attempting to spying for the People's Republic of China and was sentenced to ten years in prison Similarly Jerry Chun Shing Lee a former CIA case officer was sentenced to nineteen years in prison for conspiring to communicate deliver and transmit sensitive US information to the People's Republic of China Hitherto the MSS had concentrated at the direction of the Chinese Communist Party on the collection of foreign technology and proprietary information while also monitoring political dissidents Tibetan and Taiwanese nationalists and Uyghur and Falun Gong religious activists The MSS also tended to recruit ethnic Chinese and were less interested in the collection of political intelligence or mounting influence operations However as Nigel West reveals the MSS has undergone a radical change in doctrine and having consolidated its grip on supposedly independent commercial joint ventures and academic research institutions is leveraging control over these ostensibly legitimate enterprises to access intelligence agencies now perceived as adversaries such as the CIA and FBI As the rhetoric and tensions between the West and China mounts and with the current US administration calling America's relationship with Beijing the biggest geopolitical test of the 21st century China's unseen espionage offensive is one of the most serious developments in recent times Its extent and effectiveness are explored in this absorbing and chilling new expos

**All the King's Men** Robert Marshall, 2022-04-11 The story of one of the most astonishing episodes of espionage and deception of World War Two This is the tale of two men Claude Dansey deputy head of MI6 and double agent Henri Dericourt who was planted with the rival wartime secret service SOE at Dansey's instructions From there began a terrifying trail of destruction After making contact with Dansey in 1942

Dericourt was recruited to SOE as the man desperately needed to organize top secret flights in and out of occupied French territory But at the same time Dericourt was in touch with German counter espionage in Paris As SOE congratulated themselves on a new asset Dericourt gave the Nazis everything every flight operation and coded message he could Against a background of unprecedented deception and betrayal Dansey s secret MI6 operation eventually led to the arrest of nearly one thousand men and women hundreds of whom died in concentration camps How did it go so wrong A shocking enthralling account of a devastating episode in the history of the British secret services perfect for readers of Ben MacIntyre **Agent 110** Scott Jeffrey Miller,2017-03-07 The lively and engrossing The Wall Street Journal story of how OSS spymaster Allen Dulles built an underground network determined to take down Hitler and destroy the Third Reich Agent 110 is Allen Dulles a newly minted spy from an eminent family From his townhouse in Bern Switzerland and in clandestine meetings in restaurants back roads and lovers bedrooms Dulles met with and facilitated the plots of Germans during World War II who were trying to destroy the country s leadership Their underground network exposed Dulles to the political maneuverings of the Soviets who were already competing for domination of Germany and all of Europe in the post war period Scott Miller s absorbing and bracing The Seattle Times Agent 110 explains how leaders of the German Underground wanted assurances from Germany s enemies that they would treat the country humanely after the war If President Roosevelt backed the resistance they would overthrow Hitler and shorten the war But Miller shows how Dulles s negotiations fell short Eventually he was placed in charge of the CIA in the 1950s where he helped set the stage for US foreign policy With his belief that the ends justified the means Dulles had no qualms about consorting with Nazi leadership or working with resistance groups within other countries to topple governments Agent 110 is a doozy of a dossier on Allen Dulles and his early days spying during World War II Kirkus Reviews Miller skillfully weaves a double narrative of Dulles machinations and those of the German resistance Booklist to bring to life this exhilarating and pivotal period of world history of desperate renegades in a dark and dangerous world where spies idealists and traitors match wits and blows to ensure their vision of a perfect future
