Revista de educación nº 96 , **The Chinese Trace in Cuban Literature** Rogelio Rodriguez Coronel,2024-10-30 A Chinese proverb that reminds us of this book reads The strongest and most luxuriant tree lives from what it has underneath Thus Cuban culture has nourishing sources that must be fully known in order to enjoy and understand what we are Generally the analyses of the nation s profile pay attention to the Hispanic and African components and the important role of the Chinese channel in our culture is often overlooked The Chinese Trace in Cuban Literature is without a doubt the most notable effort so far to reveal this trace in our literature from the 19th century to today and in different literary genres and discursive types as its author maintains From the creation of novel characters designed within a reproductive realism the assumption of signs typical of Chinese culture and thought for the shaping of the text the treatment of historical issues either in the evolutionary outline of a lineage or in the investigation of significant events the incursion into this problem from generic modalities or literary renovation proposals to the aesthetic feat of the transcoding of forms and meanings from Chinese to our language and culture **Master of dreams** Alberto Blanco,2005 Rodolfo Morales is a Mexican painter who incorporates magical realism into his work **Finding Caspicara** Susan Verdi Webster,2024-10-01 An examination of sculpture and authorship in eighteenth century Quito that documents Caspicara as a participant in the innovative artistic production of the city s workshops and its widespread commerce of polychrome sculptures Who is Caspicara Nothing is known of Caspicara s life and not a single sculpture has been documented as his work Yet traditional histories laud him as a prolific Indigenous sculptor in eighteenth century Quito who created exquisite polychrome figures and became a national artistic icon Drawing on extensive archival historical and object research Susan Verdi Webster peels away layers of historiographical fabrication to reveal what we do and do not know about Caspicara and his work Rather than being a solitary master Caspicara collaborated with other largely Indigenous artists in Quito s protoindustrial workshops manufacturing sculptures now credited to him alone The high quality of Quito sculptures produced by anonymous artists turned the city into a hub of wide ranging commerce in religious icons The art world and post independence Ecuadorians have lionized the one named sculptor Caspicara according to the Western model of the artist genius amplifying the market for works bearing his name and creating a national hero on par with European masters Lost in this process were the artists themselves Webster returns to their world detailing their methods and labor and for the first time documenting a sculpture made by Caspicara "Lazy, Improvident People" Ruth MacKay,2018-07-05 Since the early modern era historians and observers of Spain both within the country and beyond it have identified a peculiarly Spanish disdain for work especially

manual labor and have seen it as a primary explanation for that nation's alleged failure to develop like the rest of Europe. In *Lazy Improvident People* the historian Ruth MacKay examines the origins of this deeply ingrained historical prejudice and cultural stereotype. MacKay finds these origins in the *ilustrados*, the Enlightenment intellectuals and reformers who rose to prominence in the late eighteenth century. To advance their own patriotic project of rationalization and progress, they disparaged what had gone before. Relying in part on late medieval and early modern political treatises about vile and mechanical labor, they claimed that previous generations of Spaniards had been indolent and backward. Through a close reading of the archival record, MacKay shows that such treatises and dramatic literature in no way reflected the actual lives of early modern artisans who were neither particularly slothful nor untalented. On the contrary, they behaved as citizens and their work was seen as dignified and essential to the common good. MacKay contends that the *ilustrados'* profound misreading of their own past created a propagandistic myth that has been internalized by subsequent intellectuals. MacKay's is thus a book about the notion of Spanish exceptionalism, the ways in which this notion developed, and the burden and skewed vision it has imposed on Spaniards and outsiders. *Lazy Improvident People* will fascinate not only historians of early modern and modern Spain but all readers who are concerned with the process by which historical narratives are formed, reproduced, and given authority.

Revista de Educación, 1959 **Portraits of a community**, 2005 *Dictionary of the Spanish and English Language*, Henry Neuman, 1832 *General Catalogue of Printed Books to 1955*, British Museum, Dept. of Printed Books, 1967 **Alternative Orientalisms in Latin America and Beyond**, Ignacio López-Calvo, 2007. Orientalism is widely known as the study of Eastern cultures by Western intellectuals. Yet most people would associate this term with scholars from France, England, Germany, and the United States. This book presents, along with new essays dealing with the United States, the Islamic world, and the Far East, alternative views on Orientalism, this time also coming from Latin America and other regions. While still dealing in some cases with interpretations of the East by Western outsiders, the fact that the cultural production analyzed, as well as many of the critics, comes from an area, Latin America, that has also been affected by European and U.S. imperialism and colonialism brings new light to the traditionally negative connotations ascribed to the term. These essays reveal that though prejudice and racism are still prevalent in many Orientalist aesthetic practices coming from Latin America and other world regions, the perspective can also be radically different. From this perspective, rather than constructing the Orient as the West's alien and inferior other, the mirror image that appears in this book constitutes an attempt at understanding the Asian within us, within the Western world. The postcolonial approach of many of these essays is the theoretical framework that prevents or at least tries to prevent paternalistic or hegemonic representations of the Asian subject. As a result, the emphasis is often placed on transculturation, hybridity, liminality, double consciousness, and cultural identity.

El poder hispano, Alberto Moncada, Carmen Flys Junquera, José Antonio Gurpegui Palacios, 1994 *Mi libro de los oficios*, María Nosty Herrero, Alfonso Orvañanos Altamirano, 1995 **Catalog of the Latin American Collection**

University of Texas at Austin. Library. Latin American Collection,1969 **Mi Libro de los Oficios** María Nosty
Herrero,1995-11-01 Describe a los ni os las principales caracter sticas de algunas ocupaciones Describes for children the
chief characteristics of different occupations **Who's Who in Religion 1977-78** Marquis Who's Who, LLC,1977
