

Miami Horror

R. G. Young

Miami Horror:

'80s Action Movies on the Cheap Daniel R. Budnik, 2017-03-21 The 1980s was the decade when the action film as it is now known came into being. Nonstop big budget excitement became the standard as epic adventures like *Raiders of the Lost Ark* and *The Road Warrior* set the tone for the summer blockbusters of Sylvester Stallone, Arnold Schwarzenegger, and Chuck Norris. Homages and ripoffs made with lesser budgets followed every hit, especially with the advent of direct-to-video releases. Providing detailed commentary on 284 films, this book explores the excitement, audacity, and sheer weirdness of 80s low budget action cinema, from the American Ninja series to dime-a-dozen barbarian pictures to such bargain basement productions as *The Courier of Death*, *Kill Squad*, and *Samurai Cop*. [Time Capsule](#), *The Apartment* Ana Menéndez, 2024-08-13 From the critically acclaimed author of *In Cuba I Was a German Shepherd* comes a new novel about the search for freedom and the power of community that spans decades of residents in one Florida apartment. The Helena is an art deco apartment building that has witnessed the changing face of South Miami Beach for seventy years, observing the lives housed within. Among those who have called apartment 2B home are a Cuban concert pianist who performs in a nursing home, the widow of an intelligence officer raising her young daughter alone, a man waiting on a green card marriage to run its course so that he can divorce his wife and marry his lover, all of whom live together, a Tajik building manager with a secret identity, and a troubled young refugee named Lenin. Each tenant imbues 2B with energy that will either heal or overwhelm its latest resident, Lana, a mysterious woman struggling with her own past. Examining exile, homesickness, and displacement, *The Apartment* asks what in our violent and lonely century we owe one another. If alone we are powerless before sorrow and isolation, it is through community and the sharing of our stories that we may survive and persevere. *Dreadnought* April Daniels, 2016-01-24 A trans teen is transformed into a superhero in this action-packed series starter perfect for fans of *The Heroine Complex* and *Not Your Sidekick*. Danny Tozer has a problem: she just inherited the powers of Dreadnought, the world's greatest superhero. Until Dreadnought fell out of the sky and died right in front of her, Danny was trying to keep people from finding out she's transgender. But before he expired, Dreadnought passed his mantle to her, and those secondhand superpowers transformed Danny's body into what she's always thought it should be. Now there's no hiding that she's a girl. It should be the happiest time of her life, but Danny's first weeks finally living in a body that fits her are more difficult and complicated than she could have imagined. Between her father's dangerous obsession with curing her girlhood, her best friend suddenly acting like he's entitled to date her, and her fellow superheroes arguing over her place in their ranks, Danny feels like she's in over her head. She doesn't have time to adjust. Dreadnought's murderer, a cyborg named Utopia, still haunts the streets of New Port City, threatening destruction. If Danny can't sort through the confusion of coming out, master her powers, and stop Utopia, in time, humanity faces extinction. I didn't know how much I needed this brave, thrilling book until it rocked my world. *Dreadnought* is the superhero adventure we all need right now. Charlie Jane Anders, author of *All the Birds*.

in the Sky A thoroughly enjoyable emotionally rich action packed story with the most exciting new superheroes in decades
Unmissable Kirkus Reviews Masculinism Conrad Riker,101-01-01 Tired of Walking on Eggshells in a World That Hates
Your Guts Are you sick of being treated like a walking wallet with no rights Do you watch society celebrate female supremacy
while men drown in silence Ready to crush the lie that equality means male surrender This book is your war manual Inside
you ll Unlock the biological truths feminism buried Master the art of commanding respect not apologies Smash the marriage
plantation s chains Reclaim your innate right to lead Debunk the toxic masculinity double bind trap Arm yourself with
evolutionary psychology s ironclad facts Laugh at the absurdity of gender studies dogma Build unbreakable dominion
through disciplined strength If you want to lead not kneel buy this book today **The Ultimate Collection on UFOs**
