Libro primario Hubert Howe Bancroft, 1887 La revista del libro cubano, 1997 **Murambi, el libro de los huesos** Boubacar Boris Diop, 2019-05-21 Tras años en el exilio, Cornelius regresa a Ruanda. El reencuentro con sus amigos de la infancia, Jessica y Stanley, y la visita a Murambi, el lugar donde pasó su niñez y donde todavía vive su tío, Simon, le dan las claves de su historia personal, trágicamente ligada a la de su pueblo. Construida como una investigación en la que se cruzan las historias de víctimas y verdugos, esta novela de extraordinaria lucidez nos explica el último genocidio del siglo XX. Una obra escrita como un deber de memoria para luchar contra el silencio victorioso de los asesinos y para contraponer la vida al proyecto de destrucción de los genocidas.

Secular Renaissance Music Sean Gallagher, 2017-07-05 Secular music of the fifteenth and sixteenth centuries encompasses an extraordinarily wide range of works and practices: courtly love songs, music for civic festivities, instrumental music, entertainments provided by minstrels, the unwritten traditions of solo singing, and much else. This collection of essays addresses many of these practices with a focus on polyphonic settings of vernacular texts, examining their historical and stylistic contexts, their transmission in written and printed sources, questions of performance, and composers' approaches to text setting. Essays have been selected to reflect the wide range of topics that have occupied scholars in recent decades, and taken together they point to the more general significance of secular music within a broad complex of cultural practices and institutions.
