

PRINCE OF EDISTO

*Brigadier General
Micah Jenkins CSA*

JAMES K. SWISHER

Micah Jenkins Prince Of Edisto

Phillip Thomas Tucker

Micah Jenkins Prince Of Edisto:

Prince of Edisto James K. Swisher, 1996 Micah Jenkins was the son of a wealthy cotton grower on Edisto Island South Carolina He broke with family tradition to pursue a life as an educator and with a colleague established the Kings Mountain Military School He left the school when war came to the South Jenkins was one of the truly outstanding regimental brigade and divisional leaders in Southern armies who died on the battlefield **Prince of Edisto** James K. Swisher, 2005-10 Biography of Confederate combat leader Brigadier General Micah Jenkins from Edisto Island South Carolina The Southern Middle Class in the Long Nineteenth Century Jonathan Daniel Wells, Jennifer R. Green, 2011-12-12 Jonathan Daniel Wells and Jennifer R Green provide a series of provocative essays reflecting innovative original research on professional and commercial interests in the nineteenth century South a place often seen as being composed of just two classes planters and slaves Rather an active middle class made up of men and women devoted to the cultural and economic modernization of Dixie worked with each other and occasionally their northern counterparts to bring reforms to the region With a balance of established and younger authors of antebellum and postbellum analyses and of narrative and quantitative methodologies these essays offer new ways to think about politics society gender and culture during this exciting era of southern history The contributors show that many like minded southerners sought to create a New South with a society similar to that of the North They supported the creation of public schools and an end to dueling but less progressive reform was also endorsed such as building factories using slave labor rather than white wage earners The Southern Middle Class in the Long Nineteenth Century significantly influences thought on the social structure of the South the centrality of class in history and the events prior to and after the Civil War **The Edge of Mosby's Sword** Gordon Blackwell Bonan, 2009-10-09 The Edge of Mosby's Sword is the first scholarly volume to delve into the story of one of John Singleton Mosby's most trusted and respected officers Colonel William Henry Chapman Presenting both military and personal perspectives of Chapman's life Gordon B Bonan offers an in depth understanding of a man transformed by the shattering of his nation This painstakingly researched account exposes a soldier and patriot whose convictions compelled him to battle fiercely for Southern independence whose quest for greatness soured when faced with the brutal realities of warfare and who sought to heal his wounded nation when the guns of war were silenced Born into a wealthy slave owning family Chapman was a student of the fiery secessionist rhetoric of antebellum Virginia who eagerly sought glory and adventure on the battlefields of the Civil War Bonan traces Chapman's evolution from an impassioned student at the University of Virginia to an experienced warrior and leader providing new insight into the officer's numerous military accomplishments Explored here are Chapman's previously overlooked endeavors as a student warrior leader of the Dixie Artillery and as second in command to Mosby including his participation in the capture of Harpers Ferry the battering of Union forces at Second Manassas and his ferocious raids during the 1864 Shenandoah Valley campaign Bonan reveals fresh perspectives on the intrepid maneuvers of Mosby's

Rangers the hardships of war and Chapman's crucial role as the right hand of the Gray Ghost But while Mosby recognized him for his bravery and daring the fame Chapman sought always eluded him Instead with his honors and successes came disillusionment and sorrow as he watched comrades and civilians alike succumb to the terrible toll of the war The end of the struggle between North and South saw Chapman accept defeat with dignity leading the Rangers to their official surrender and parole at Winchester With the horrors of the war behind him he quickly moved to embrace the rebuilding of his country joining the Republican party and beginning a forty two year career at the IRS enforcing Federal law throughout the South In the end Chapman's life is a study in contradictions nationalism and reconciliation slavery and liberty vengeance and chivalry

Burnside's Bridge Phillip Thomas Tucker,2011-07-20 Profile of the troops whose last stand helped prevent the destruction of the Army of Northern Virginia providing Robert E Lee with yet another chance for a northern invasion

American Civil War Spencer C. Tucker,2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction The Civil War was undoubtedly the most important and seminal event in 19th century American history Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative states rights versus federalism freedom versus slavery the role of the military establishment the extent of presidential powers and individual rights versus collective rights Many of these dilemmas continue to shape modern society and politics This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes important figures both civilian and military weapons government relations with Native Americans and a plethora of social political cultural military and economic developments The entries also address the many events that led to the conflict the international diplomacy of the war the rise of the Republican Party and the growing crisis and stalemate in American politics slavery and its impact on the nation as a whole the secession crisis the emergence of the total war concept and the complex challenges of the aftermath of the conflict **The Chattanooga**

Campaign Steven E. Woodworth,Charles D. Grear,2012-08-29 When the Confederates emerged as victors in the Chickamauga Campaign the Union Army of the Cumberland lay under siege in Chattanooga with Braxton Bragg's Army of Tennessee on nearby high ground at Missionary Ridge and Lookout Mountain A win at Chattanooga was essential for the Confederates both to capitalize on the victory at Chickamauga and to keep control of the gateway to the lower South Should the Federal troops wrest control of that linchpin they would cement their control of eastern Tennessee and gain access to the Deep South In the fall 1863 Chattanooga Campaign the new head of the western Union armies Ulysses S Grant sought to break the Confederate siege His success created the opportunity for the Union to start a campaign to capture Atlanta the following spring Woodworth's introduction sets the stage for ten insightful essays that provide new analysis of this crucial

campaign From the Battle of Wauhatchie to the Battle of Chattanooga the contributors well researched and vividly written assessments of both Union and Confederate actions offer a balanced discussion of the complex nature of the campaign and its aftermath Other essays give fascinating examinations of the reactions to the campaign in northern newspapers and by Confederate soldiers from west of the Mississippi River Complete with maps and photos The Chattanooga Campaign contains a wealth of detailed information about the military social and political aspects of the campaign and contributes significantly to our understanding of the Civil War s western theater Univeristy Press Books for Public and Secondary Schools 2013 edition

General Lee's Army Joseph Glatthaar,2009-03-24 A history of the Confederate troops under Robert E Lee presents portraits of soldiers from all walks of life offers insight into how the Confederacy conducted key operations and reveals how closely the South came to winning the war

Confederate Struggle for Command Alexander Mendoza,2008 Though he has traditionally been saddled with much of the blame for the Confederate loss at Gettysburg Lt Gen James Longstreet was a capable resourceful and brave commander Lee referred to Longstreet as his Old Warhorse and Longstreet s men gave him the sobriquet Bull of the Woods for his aggressive tactics at Chickamauga Now historian Alexander Mendoza offers a comprehensive analysis of Longstreet s leadership during his seven month assignment in the Tennessee theater of operations He concludes that the obstacles to effective command faced by Longstreet during his sojourn in the west had at least as much to do with longstanding grievances and politically motivated prejudices as they did with any personal or military shortcomings of Longstreet himself

BOOK JACKET

Midnight in America Jonathan W. White,2017-02-02 The Civil War brought many forms of upheaval to America not only in waking hours but also in the dark of night Sleeplessness plagued the Union and Confederate armies and dreams of war glided through the minds of Americans in both the North and South Sometimes their nightly visions brought the horrors of the conflict vividly to life But for others nighttime was an escape from the hard realities of life and death in wartime In this innovative new study Jonathan W White explores what dreams meant to Civil War era Americans and what their dreams reveal about their experiences during the war He shows how Americans grappled with their fears desires and struggles while they slept and how their dreams helped them make sense of the confusion despair and loneliness that engulfed them White takes readers into the deepest darkest and most intimate places of the Civil War connecting the emotional experiences of soldiers and civilians to the broader history of the conflict confirming what poets have known for centuries there are some truths that are only revealed in the world of darkness

Gettysburg Allen C. Guelzo,2013 From the acclaimed Civil War historian and coinciding with 150th anniversary of the legendary battle an intimate and richly readable account that draws the reader into the muck and grime of Gettysburg

A Journal of the American Civil War: V5-4 Mark A. Snell,Theodore P. Savas,2021-12-31 Balanced and in depth military coverage all theaters North and South in a non partisan format with detailed notes offering meaty in depth articles original maps photos columns book reviews and indexes Fire Zouaves at First Bull Run 1st VA Infantry US in WV Guibor s Missouri Battery Ship

Island and War in the Gulf interview with John Hennessey **Second Manassas** Scott C. Patchan, 2011-07 The turning point of one of the Civil War's most crucial battles South Carolina Historical Magazine ,1998 **The Routledge Encyclopedia of Civil War Era Biographies** John D. Wright, 2013 Behind the familiar names of the military and political leaders whose names we all know Lincoln Davis Lee Grant Sherman and Jackson are the people whose lives and hard work defined the Civil War era abolitionists slaves inventors manufacturers painters lawyers writers spies nurses and preachers These are the people who helped shape both the war and our ideas about it The Routledge Encyclopedia of Civil War Era Biographies is a comprehensive collection of articles on roughly 900 individuals from the Civil War era including people from both the years leading up to the war and the period of Reconstruction that came after Also included are maps of key battles a timeline that progresses from President Lincoln's election to the end of the war and a list of innovations used or developed during the war **Journal of the ... Annual Convention, Diocese of South Carolina** Episcopal Church. Diocese of South Carolina. Convention, 1822 Historical Dictionary of the Civil War Terry L. Jones, 2011 The Civil War was the most traumatic event in American history pitting Americans against one another rending the national fabric leaving death and devastation in its wake and instilling an anger that has not entirely dissipated even to this day 150 years later This updated and expanded two volume second edition of the Historical Dictionary of the Civil War relates the history of this war through a chronology an introductory essay an extensive bibliography and hundreds of cross referenced dictionary entries on persons places events institutions battles and campaigns This book is an excellent access point for students researchers and anyone wanting to know more about the Civil War *Journal of the ... Annual Council of the Protestant Episcopal Church in the Diocese of South Carolina Held in ...* ,1836 **A Bloody Day at Gaines' Mill** Elmer R. Woodard, III, 2019-01-04 In the summer of 1862 two great armies met outside of Richmond in a series of battles that would determine the course of the Civil War The Union had time men and materiel on its side while the Confederates had mobility esprit de corps and aggressive leadership Untried General Robert E Lee was tasked with driving the Yankees from their almost impregnable positions to save Richmond and end the war Lee planned to isolate part of the Union Army crush it and then destroy the only supply base the remaining Federals had To do so he had to move thousands of troops hundreds of miles bringing multiple forces together with intricate timing all without the Yankees or their spies finding out The largest and most important of these battles occurred at Gaines Mill **Women of the War** Frank Moore, 1997 The author of *The Rebellion Record* and *Diary of the American Revolution* now presents a collection of true stories about notable women during the time of the Civil War whose glowing sense of patriotism spurred them to commit brave and heroic acts Photos illustrations
