Davis,2013-10-02 Just a Drive by Tere Michaels After weeks of flirting One Night Wyatt Walsh spends a fabulous night with his shy coworker Benji Trammell As Wyatt tries to sneak out the next morning he receives a call from his frantic very pregnant best friend Raven she needs him immediately With no other way to get from New York City to the Pennsylvania town where Raven and her husband live Wyatt accepts

Benji's offer to drive him there. Wary and unsure of each other, they start the trip at odds but as time goes on, the barriers that usually keep people at a distance fail. And what started out as just a drive becomes a step toward romance. Just a Stranger by Elle Brownlee. The excitement of meeting a stranger in a club can't be beat. Loud bass sets the rhythm to Michael Wiercinski's primal urges as he flirts with Andrew, a cute guy offering the promise of a hot night with no strings, no complications. Still, when their night is done, Michael admits there was something about Andrew that left him wanting more. Months go by with no sign of Andrew until Michael moves back home to help after his father's heart attack. Once there, Michael is completely amazed to find Andrew Lucas living in his hometown. Despite surprising complications in Andrew's life, Michael vows to take advantage of this second chance to make Andrew more than just a stranger. Just a Weekend by Elizah J. Davis. James is a homebody in a predictable if not altogether comfortable rut. He'd rather stay in with a book than brave the Seattle bar scene. One night after allowing his friend Kara to coax him out for drinks, he meets Devin, charming, gorgeous, and way out of his league. With a little bit of help from Kara, James leaves with Devin to indulge in a night together, which is as much time as he's bound to get with a guy as hot as Devin. He doesn't expect the easy rapport that quickly develops between them, and when the weather conspires to keep them together, James wonders if this could be more than just a weekend fling. **A Father's**

Stake Mary Anne Wilson, 2014-10-01. The ranch should have been his. To a struggling single mom and L.A. waitress, Grace Evans, a ranch was a place for horses and cowboys, not a place for her and her daughter to live. Now, thanks to a shocking windfall from her estranged father, she owns one. It's a crazy notion, but Wolf Lake could be her shot at a whole new life in New Mexico. The only question is: Can she handle it? Obviously not. Jack Carson, the handsome and haunted rightful heir to Wolf Lake, doesn't think so. And he isn't about to hand over the reins without a fight. But the more he tries to scare her off, the more intrigued she's becoming. *This London Life* P. Christopher David, 2020-06-05. This London Life is a London Gangland story. Billy Kelly and Jimmy Walsh are childhood friends and business partners; they have grown up on the tough streets of South London in very different circumstances but from similar backgrounds in Irish immigrant families. When they are ordered by local Gangland Boss Jack Riordan to carry out a hit on a rival North London firm, Jimmy accepts willingly, Billy tries to convince Jimmy not to do the job. After being double-crossed by Riordan, the two friends' lives take different paths as Jimmy starts a long prison sentence and Billy is forced to go on the run, leaving behind everyone he loves and holds dear. This London Life tells the story of two young men's troubled and often violent lives as it unfolds through two decades, between 1983 and 2004. The story culminates in a bloody and tragic ending as the ghosts of both men's lives come back to haunt them. This London Life will make you laugh and it will make you cry in this story of friendship, loyalty, betrayal, revenge, and lost love.
