Taylor, A WANDERER on the road keeps losing track of time and place His only clues to who he is come from the many fatal wounds on his body and the recurring nightmares of a doomsday cop a gunslinging clown and a maniac on a mission from God Are they echoes from his past life or is he haunted by something that followed him back from the grave The living dead walk the road with him feral beasts trail behind and it's been raining nonstop for days but those mysteries like the circumstances surrounding his own death can wait For now he believes that a life can be saved if he can just remember his name THE NIGHT ONCE MORE returns to the World of Change where people stopped aging the dead rose from their graves it started raining and it's been raining ever since But a guy's got to make a living doesn't he THE NIGHT ONCE MORE takes the reader to a unique setting that mixes Gothic horror with the two fisted pragmatism of a hard boiled detective novel **A**
