The Love Poems Ovid, 1998 Translations of Ovid's love poems The Love Books Ovid, 2021-12-13 The Love Books Ovid

The Love Books of Ovid is a collection of four works of Roman poet Ovid's verses on love in English prose translation Ovid born in 43 B C a contemporary of Virgil and Horace lived during the reign of Augustus and is perhaps best remembered today for his work on Roman mythology entitled *The Metamorphoses* This volume collects the poet's following works *The Loves* *The Art of Love* *Loves Cure* and *The Art of Beauty* Ovid was an innovator in the writing of love poetry in that he changed the focus of the poem from the poet to love itself and examined the effect of love on people These works were considered controversial in their time and many scholars believe that Ovid's *The Art of Love* was the cause of his life long banishment by Augustus to a remote province on the Black Sea Considered to be a master of the elegy form of poetry which are poems of lamentation and mourning and the last of the Latin love elegists Ovid is faithfully represented here in this English prose translation Students of classical literature and fans of romantic poetry will both delight in this volume of works by a poetic master This edition follows the translation of J Lewis May Ovid: Love Songs Genevieve Liveley, 2005-10-28

The most prolific of Roman poets Ovid was born in 43 BC and died in exile on the Black Sea in 17 AD banished by the Emperor Augustus As well as his famous *Metamorphoses* the subject of another book in this series he produced a large body of elegiac poetry the *Amores* *Ars Amatoria* *Remedia Amoris* *Heroides* *Fasti* *Tristia* and *Ex Ponto* all of which are accessibly discussed here in Genevieve Liveley's important re-evaluation of the poet's politics poetics and erotics She examines the impact on Ovid of Augustus's programmes for social and political reform the role of genre allusion and intertextuality in his writings and the tensions underlying his representations of gender and sexuality Finally she assesses responses to Ovid's elegiac works by later love poets and writers and reflects on the continued relevance and readability of his work for a twenty-first century audience Ovid in Love Ovid, Arthur Guy Lee, 1968 The timeless verse of the great Roman poet Ovid revels in universal themes of sensuality desire joy passion and love in this fresh new translation of the ancient Latin works **The Art of Love** Ovid, 2013-02-20 In the first century AD Ovid author of the groundbreaking epic poem *Metamorphoses* came under severe criticism for *The Art of Love* which playfully instructed women in the art of seduction and men in the skills essential for mastering the art of romantic conquest In this remarkable translation James Michie breathes new life into the notorious Roman's mock didactic elegy In lyrical irreverent English he reveals love's timeless dilemmas and Ovid's enduring brilliance as both poet and cultural critic **The Art of Love** Roy Gibson, Steven Green, Alison Sharrock, 2007-01-04 The Art of Love celebrates the bi-millennium of Ovid's cycle of sophisticated and subversive didactic poems on love traditionally assumed to have been brought to completion around AD 2 *Ars Amatoria* *The Art of Love* and *Remedia Amoris* Cures for Love which purport to teach young Roman men and women how to be good lovers were partly responsible for the poet's exile from Rome under the emperor Augustus None the less they exerted great influence over ancient and later love poetry This is the

first collection in English devoted to the poems and brings together many of the leading figures in the field of Latin literature and Ovidian studies from the British Isles Germany Italy and the United States It offers a range of perspectives on the poetics politics and erotics of the poems beginning with a critical survey of recent research and concluding with papers on the ancient medieval and modern reception of the poems

[Love Poems, Letters, and Remedies of Ovid](#) Ovid, 2011-08-18

Widely praised for his translations of Boethius and Ariosto esteemed translator David R Slavitt here returns to Ovid once again bringing to the contemporary ear the spirited idiomatic audacious charms of this master poet The love here described is of the anguished ruinous kind like a sickness and Ovid prescribes cures

Remedia Amoris Ovid, 2021-04-20

The first taste I had for books came to me from my pleasure in the fables of the *Metamorphoses* of Ovid For at about seven or eight years of age I would steal away from any other pleasure to read them inasmuch as this language was my mother tongue and it was the easiest book I knew and the best suited by its content to my tender age Michel de Montaigne

Remedia Amoris or *The Remedy of Love* 2 AD is an instructional poem by Ovid A sequel to his three-book poem *Ars Amatoria* or *The Art of Love* 2 AD *Remedia Amoris* or *The Remedy of Love* was immensely popular if a little controversial in its time and has survived numerous charges of indecency over the centuries For the modern reader it should prove a surprisingly relatable work on intimacy and relationships from an author of the ancient world While *Ars Amatoria* or *The Art of Love* offers salient advice on such topics as etiquette remembering birthdays avoiding unhealthy jealousy being open to older and younger lovers and nurturing honesty *Remedia Amoris* or *The Remedy of Love* takes as its subject the unfortunate yet common experience of love gone bad Perhaps concerned for eager readers of his first

work on romance Ovid provides suggestions to novice lovers on how to escape a bad relationship and on what to do in the event of incurable unhappiness In order to avoid the tragic fates of Dido or Medea both of whom were led to early graves by unfaithful lovers Ovid suggests such healthy behaviors as staying busy seeing the world abstaining from alcohol and trying not to ruminate on the love one has left behind *Remedia Amoris* or *The Remedy of Love* although frequently tongue in cheek is an earnest and effective attempt to caution the overeager romantic and console those unlucky in love With a beautifully designed cover and professionally typeset manuscript this edition of Ovid's *Remedia Amoris* or *The Remedy of Love* is a classic work of Roman literature reimagined for modern readers Ovid's Art of Love, in Three Books Ovidius Naso,1764
