Fighters and Bombers of World War II , **American Warplanes of WWII** , Warbird Factory John M. Fredrickson,2015-11-02 Warbird Factory tells the American Aviation Inc s WWII war effort story through over 200 archival photographs directly from the NAA Boeing archive Air Pictorial ,2002 **World War II and the Postwar Years in America** William H. Young,Nancy K. Young,2010-09-17 More than 150 articles provide a revealing look at one of the most tempestuous decades in recent American history describing the everyday activities of Americans as they dealt first with war and then a difficult transition to peace and prosperity The two volume World War II and the Postwar Years in America A Historical and Cultural Encyclopedia contains over 175 articles describing everyday life on the American home front during World War II and the immediate postwar years Unlike publications about this period that focus mainly on the big picture of the war and subsequent economic conditions this encyclopedia drills down to the popular culture of the 1940s bringing the details of the lives of ordinary men women and children alive The work covers a broad range of everyday activities throughout the 1940s including movies radio programming music the birth of commercial television advertising art bestsellers and other equally intriguing topics The decade was divided almost evenly between war 1940 1945 and peace 1946 1950 and the articles point up the continuities and differences between these two periods Filled with evocative photographs this unique encyclopedia will serve as an excellent resource for those seeking an overview of life in the United States during a decade that helped shape the modern world The Vietnam War Anthony Tucker-Jones,2014-10-27 This Vietnam War history examines the grueling Tet Offensive and America s struggle against the Viet Cong with more than 180 wartime photographs On January 30th 1968 the North Vietnamese communists launched a coordinated surprise attack across South Vietnam against the South Vietnamese and American armies Superior firepower eventually crushed the offensive but it proved to be a major moral victory for the communists and a turning point in the Vietnam War In this photographic history Anthony Tucker Jones tells the story of Tet through both color and black and white images showing all sides of the conflict The result is a vivid reassessment of this defining moment in the bitter campaign against communism in South East Asia The images show the conditions the nature of the fighting and the equipment and the weaponry used with special focus on the battles for Hue Khe Sanh and Saigon They show the impact of combat on civilian populations as their communities became battlegrounds And they illustrate why the assault caused many at home across the US to lose faith in America s commitment to the South **Flying Legends of World War II** Philip Handleman,2020-01-24 More than thirty Allied Forces WWII aircraft types are illustrated in many rare and previously unpublished black and white and color photographs Each type is described giving vital data on development history combat record famous pilots and significant air battles Performance range and weapon loads are also included The unique color photographs are from the collection of the late William B Slate an aviation photographer who strove to capture the thrilling perspective that can only come from close up in flight vantage
