Christians Meeting Hindus Bob Robinson,2011-06-16 With rare exceptions serious intentional reflective and sustained interfaith encounter is a novel and recent enterprise This book looks in detail at one such encounter the intentional recent Hindu Christian dialog in India and asks why and how the practice of dialog came to replace previous attitudes of confrontation and monologue especially on the part of Christians Part I sets the encounter in its global context Part II offers a comprehensive and critical analysis of the actual encounter Part III draws on aspects of the Christian tradition as it critically examines the ways in which the dialog has been justified in Christological categories A final chapter discusses the future of the encounter Unlike many other works in the area of interfaith studies this work combines both descriptive detail of the actual encounter and critical theological analysis of the strengths and weakness of the dialog model

India and Europe Wilhelm Halbfass,2017-01-01 This book explores the intellectual encounter of India and the West from pre Alexandrian antiquity until the present It examines India s role in European philosophical thought as well as the reception of European philosophy in Indian t

Radhakrishnan Sarvepalli Gopal,1989 *The Study of Hinduism* Arvind Sharma,2003 In this text leading scholars from around the world take stock of two centuries of international intellectual investment in Hinduism Since the early 19th century when the scholarly investigation of Hinduism began to take shape as a modern academic discipline

Hindu studies has evolved from its concentration on description and analysis to an emphasis on understanding Hindu traditions in the context of the religion's own values, concepts and history. Offering an assessment of the current state of Hindu studies, the contributors to this volume identify past achievements and chart the course for what remains to be accomplished in the field. Routledge Handbook of the History of Colonialism in South Asia Harald Fischer-Tiné, Maria Framke, 2021-09-01 The Routledge Handbook of the History of Colonialism in South Asia provides a comprehensive overview of the historiographical specialisation and sophistication of the history of colonialism in South Asia. It explores the classic works of earlier generations of historians and offers an introduction to the rapid and multifaceted development of historical research on colonial South Asia since the 1990s. Covering economic history, political history and social history and offering insights from other disciplines and turns within the mainstream of history, the handbook is structured in six parts: Overarching Themes and Debates; The World of Economy and Labour; Creating and Keeping Order; Science, Race, Religion, Law and Education; Environment and Space; Culture, Media and the Everyday. Colonial South Asia in the World. The editors have assembled a group of leading international scholars of South Asian history and related disciplines to introduce a broad readership into the respective subfields and research topics. Designed to serve as a comprehensive and nuanced yet readable introduction to the vast field of the history of colonialism in the Indian subcontinent, the handbook will be of interest to researchers and students in the fields of South Asian history, imperial and colonial history and global and world history.

Jivanmukti in Transformation Andrew O. Fort, 1998-09-03 Examines the Hindu concept of liberation while living from the perspective of the Advaita Vedanta school from the Upanisads to modern times. Radhakrishnan and the Ways of Oneness of East and West Troy Wilson Organ, 1989 Papers of a conference of the Institute for Environmental Studies, Ramapo College of New Jersey, May 1986. The book provides an interdisciplinary overview and analysis of radon and the environment. No math. Accessible to lay readers. No index. Using the works of Radhakrishnan, Organ, philosophy emeritus, Ohio U identifies eight ways of oneness and concludes that one of them, nondestructive dualism, is the path toward which Eastern and Western philosophers should work.
