Radical Agenda After The New Right And The Old Left:

The Centre-left and New Right Divide? Steven R. Smith, 2018-11-09 First published in 1998 this volume offers some solutions to the inherent difficulties with moving from philosophical generalities to specific policies by exploring how a bridge might be built between political philosophy and social policy analysis In light of these findings Steven R Smith evaluates the relationship between the Centre Left and the New Right focusing on the way in which concepts of individual autonomy and equality are used by political philosophers and social policy makers Smith explores post 1945 training education social security and community care policy within the United Kingdom *A Radical Agenda* David Donnison, 1991 **The Three**

Pillars of Liberty Francesca Klug, Keir Starmer, Stuart Weir, 2003-09-02 First published in 2004 Routledge is an imprint of Taylor Francis an informa company Christian Justice and Public Policy Duncan B. Forrester, 1997-08-28 Disagreements about justice are not simply academic matters They create problems for practice and for policy making In a morally fragmented society in which nobody knows what justice is issues such as wages policy punishment and poverty become particularly difficult to handle People striving to act justly are often uncertain how this might be done Secular theories such as those of Rawls Hayek Habermas and modern feminist theorists examined here give some guidance for problems of justice that arise on the ground but have serious limitations This book argues that Christian theology although it can no longer claim to provide a comprehensive theory of justice can provide insights into justice theological fragments which give illumination challenge some aspects of the conventional wisdom and contribute to the building of just communities in which people may flourish in mutuality and hope *Social Policy Towards 2000* Prof Vic George, Vic George, Stewart Miller, 2013-07-23 Governments in all advanced industrial societies are involved in an endless struggle of how to square the welfare circle as demand for public services rises due to demographic social and labour market factors Government ability to finance this rising tide of public service demand is constrained by economic and at times ideological factors but failure to make welfare provision has adverse electoral consequences This is not an issue which is likely to go away *Social Policy Towards 2000* examines the issues and factors affecting the welfare state and by comparing the proposals of the three main UK political parties for the welfare system for the remaining part of the decade offers a prospective analysis of the future of welfare

Changes in Society, Crime and Criminal Justice in Europe C. J. C. F. Fijnaut, Johan Goethals, 1995 In 1994 the School of Criminology a part of the Department of Criminal Law Criminal Procedure and Criminology in the Faculty of Law of the Katholieke Universiteit Leuven celebrated the 25th anniversary of its study programme To give added lustre to this landmark in its history the Institute accepted the invitation from the International Society of Criminology to organise the 49th International Course of Criminology The title of the course was Changes in Society Crime and Criminal Justice in Europe A challenge for criminological education and research This course explored two themes both of which are likely to be the focus of debate in criminal policy in the near future crime and insecurity in the city and international organised and

corporate crime The presentation and discussion of both themes followed two main approaches Lectures and seminars focused on the analysis of the nature the quantity and the development of the phenomena and meetings were focused on the policy needed to gain control of these phenomena Moreover attention was paid to technical and ethical problems which show up at the moment that empirical research is carried out This publication brings together the main part of the introductory lectures Part one relates to the theme of crime and insecurity in the city the second part contains the lectures on international organised and corporate crime Together both parts present a good picture of what was explained and commented on during the Course especially in relation to important European developments concerning crime criminal justice and criminal policy This book will become an important source of inspiration for both criminological education and research

Before and Beyond the 'Big Society' Joseph Forde, 2022-01-01 John Milbank's theology has shaped much modern political thinking both within and without the Church In *Before and Beyond the Big Society* Joseph Forde presents the first study devoted exclusively to John Milbank's theology of welfare and how it has influenced policy in the Church of England since 2008 By examining the favourable response the Church gave to the Big Society project in 2010-12 Forde shows that Milbank's Blue Socialist fingerprint increasingly dominates Church policy This theology has not evolved in a vacuum however and Forde expertly places it in its historical and theoretical context He offers a detailed critical discussion of Milbank's own critique of what has been the mainstream Temple Anglican theology of welfare in the Church of England since the 1940s and a fresh contribution to the assessment of Anglican social theology Finally he demonstrates how Milbank's ideas have been furthered by other influential Anglicans It is this influence that will carry the greatest implications for the Church of England's policy on welfare in future making this study relevant to all who care about its contribution to the provision of welfare

The New Politics of Welfare Bill Jordan, 1998-09-24 This critical and highly topical introduction to the current debates and politics surrounding welfare reform in the United Kingdom and the United States explains the origins and main tenets of the Blair Clinton orthodoxy Central to the book is an examination of this orthodoxy's appeal to the concept of social justice Bill Jordan demonstrates how values derived from the family and voluntary associations are in danger of running counter to the more fundamental principles of liberal democracy and the requirements of transnational economic exchange He links the new politics of welfare to liberal and communitarian theories of citizenship and social justice and assesses the broader prospects for European social policy in the struggle over economic and political integration For more than a decade Bill Jordan has been one of our most thoughtful and independent thinkers on the future of welfare Anyone who wants to know more about what is happening to global welfare and why and how it should be changed should read this book Chris Pierson Department of Politics University of Nottingham

Economic Growth, Low Income and Housing in South Korea Kim Woo-Jin, 1997-01-12 a wide ranging scholarly and humane book which should be read by anyone seriously interested in this country David Donnison From the devastation of the Korean war there emerged one of the most dynamic rapidly growing economies the world has ever seen Starting from a concern about the housing of people struggling to survive on low incomes in the cities of South Korea Kim Woo Jin throws light upon the whole development of Korean society since the civil war He argues that housing has played a central part in both the development of the economy and its more recent slowdown In the future housing policies may play their part in resisting the destructive forces that the probable reunification of North and South will bring and recreate hope for the future

New Left, New Right and Beyond G. Andrews, R. Cockett, A. Hooper, M. Williams, 1999-05-19 The 1960s represented a defining turning point in the politics and cultures of western societies But what of the lasting political and cultural legacies of the sixties In this book a range of leading thinkers show how the sixties

continue to influence contemporary debates on globalization and democracy **Globalising Democracy** Peter Burnell, 2006-09-27 This volume brings together expert contributors to explore the intersection of two major contemporary themes globalization and the contribution that both domestic party politics and international party support make to democratization *Globalising Democracy* clearly shows what globalization means for domestic and international efforts to build effective political parties and competitive party systems in new and emerging democracies Contrasting perspectives are presented through fresh case studies of European post communist countries Africa and Turkey The reader is clearly shown how international party assistance is a manifestation and vehicle of globalization and explores how it may be assessed in terms of global economic integration the growth of global communications the development and implications for party politics of multi level governance This is the first book to analyze the impact of globalization on democracy and will be of great interest to all students of international relations governance and politics **Evaluating British Urban Policy** Suet Ying Ho, 2017-05-15 Since the Conservative government of the late 70s introduced its stringent spending policy a value for money ideology has dictated most new approaches to policy management As a result monitoring and evaluation have become an integral part in the policy process Focusing on the experience of British Urban Policy this book examines the theoretical and practical issues in the monitoring or evaluation of public policy It argues that as a result of the value for money ideology influencing urban policy in Britain various conflicts have arisen in both policy and implementation and compromises have had to be made By exploring the experiences of monitoring and evaluating urban policy the book examines key issues such as changing approaches the interface between monitoring and evaluation and the utilization of monitoring information and evaluation studies It concludes that a long term evaluation strategy is required in order to improve the utility value of evaluation studies vis a vis policy formulation at the national level and implementation at the local level *Critical Perspectives on Service-Learning in Higher Education* S. Deeley, 2014-11-25 Through innovative analysis of theory and practice this book offers refreshing critical perspectives on service learning in higher education It constructs a theoretical paradigm for service learning which extends to critical pedagogy and investigates critical reflection and academic reflective writing supported throughout by empirical evidence *The Australian Welfare State* John Wilson, Jane Thomson, Anthony McMahon, 1996 Textbook for tertiary students which provides documentary sources as well as commentaries from academics in the field to outline the historical development of the Australian welfare state Suitable for introductory courses in social welfare politics sociology and public policy The material is presented in five parts including policies for the employed in the last century the struggle of Australian women to receive employment and child related benefits from the state the development of policies relating to indigenous and immigrant Australians and how the welfare state has dealt with the aged and refugees The final part considers documents in Australian history that contrast discordant understandings of the purposes of the welfare state Includes a table of contents an index and list of references Also available in hardback **New**
