

The Radical Laird

by CHARLES TENNANT

Radical Laird

Murray Armstrong

Radical Laird:

Radical Scotland Kenny MacAskill, 2020-02-27 The Political Martyrs memorial in Edinburgh looms large on the city's skyline but its history is relatively unknown And that is not by accident As Edinburgh's New Town was constructed a narrative of kilts and loyalty was created for Scotland with its radical history deliberately excluded The French Revolution lit a spark in Scotland inspiring radicals and working people alike and uniting them in opposition to the King and his government The oligarchy of landowners that ran Scotland was worried Leading radicals like Thomas Muir and fellow political reformists were later rounded up and transported to Botany Bay But they fought back and formed the Society of the United Scotsmen seeking widespread political reform throughout the Union and were prepared to use physical force in defence of their ideals As social and economic hardship followed in Waterloo's wake the flame of radicalism was further ignited This is Scotland's radical history **The Radical Laird : a Biography of George Kinloch, 1775-1833** C.

Tennant, 1970 *The Radical Laird* Charles Tennant, 1970 *British Working Class Politics, 1832-1914* G. D. H. Cole, 2018-12-07 First published in 1941 This purpose of this history of the earlier phases of the political Labour movement was due to the author's belief that there was a need for a positive effort to re create the legion of inspired and untiring propagandists for Socialism whose work made the Labour Party possible This title will be of interest to scholars and students of history and politics *Ilan Eshkeri's Stardust* Ian Sapiro, 2013-07-16 Based on Neil Gaiman's novel of the same name Stardust 2007 was an instant hit with fans of fantasy and science fiction The film follows the adventures of a young man who crosses through a gap in a wall which separates England from a magical kingdom The fantastical atmosphere required by the narrative is maintained by the scale and grandeur of much of the musical score written by rising British composer Ilan Eshkeri Trained in the craft by composers Michael Kamen Ed Shearmur and Hans Zimmer Eshkeri more than lived up to the task of producing music for one of his first feature films In Ilan Eshkeri's Stardust A Film Score Guide Ian Sapiro carefully examines both Eshkeri's music for the film and the working habits of the composer himself An introduction to Eshkeri establishes the context within which he developed as a film score composer followed by an analysis of his musical style and his scoring strategies particularly for the film Stardust Eshkeri's collaborative partnerships with music producer Steve McLaughlin contractor conductor Andy Brown orchestrator Robert Elhai and copyist Vic Fraser are also discussed in addition to Eshkeri's relationship with Stardust director Matthew Vaughn Eshkeri's involvement in the musical identity of the film during the production phase is also evaluated as are developments in the score in the context of a new conceptual model of film score production in the UK With complete cooperation from Eshkeri who provided the author privileged access to primary materials Sapiro presents a unique look into the art of film scoring The first detailed investigation of this composer and his music Ilan Eshkeri's Stardust A Film Score Guide is sure to be of interest to film and music scholars and fans

Goslington Shadow Mungo Coulter Shoggle, 1825 [One Week in April](#) Maggie Craig, 2020-06-02 The acclaimed author

of Damn Rebel Bitches dives into the week when Scotland's impoverished exploited workers said enough was enough The Sunday Post In April 1820 a series of dramatic events exploded around Glasgow central Scotland and Ayrshire Demanding political reform and better living and working conditions 60 000 weavers and other workers went on strike Revolution was in the air It was the culmination of several years of unrest which had seen huge mass meetings in Glasgow and Paisley In Manchester in 1819 in what became known as Peterloo drunken yeomanry with their sabers drawn infamously rode into a peaceful crowd calling for reform killing fifteen people and wounding hundreds more In 1820 some Scottish Radicals marched under a flag emblazoned with the words Scotland Free or Scotland a Desert sic Others armed themselves and set off for the Carron Ironworks seeking cannons Intercepted by government soldiers a bloody skirmish took place at Bonnymuir near Falkirk A curfew was imposed on Glasgow and Paisley Aiming to free Radical prisoners a crowd in Greenock was attacked by the Port Glasgow militia Among the dead and wounded were a 65 year old woman and a young boy In the recriminations that followed three men were hanged and nineteen were transported to Australia from Scotland In this book Maggie Craig sets the rising into the wider social and political context of the time and paints an intense portrait of the people who were caught up in these momentous events This is an excellent book the best and fairest account of the Radical Rising I have read Allan Massie *The Scotsman* **James Hogg** Valentina Bold, 2007 This book sheds new light on James Hogg the Scottish poet 1770 1835 going beyond the Ettrick Shepherd stereotype By focussing on Hogg's poetry Scottish Pastorals The Queen's Wake Jacobite Relics Queen Hynde Pilgrims of the Sun it shows that his work and the critical response to it was significantly shaped by the concept of the autodidact a working class writer who was considered to be a poet of Nature's Making The image of the autodidact is pursued from its beginnings Ramsay's Gentle Shepherd Macpherson's Ossian Burns as ploughman poet through its development in the nineteenth century to its last gasps in the twentieth Poets considered include Isobel Pagan Janet Little William Tennant Allan Cunningham Robert Tannahill Janet Hamilton Ellen Johnston Elizabeth Hartley Alexander Anderson David Gray David Wingate and James Young Geddes Despite facing difficulties autodidacts produced some of the most innovative and exciting poetry of the nineteenth century The author argues that the autodidactic tradition exemplified by Hogg nurtured the creative vigour manifested in twentieth century Scottish poetry While Scotland's autodidacts shared poetic concerns and techniques they were characterised above all by diversity of poetic voice *Union is Strength* Albert Schrauwers, 2009-01-01 Nineteenth century Canada experienced two other revolutions apart from those of W L Mackenzie and Louis Riel the transition to capitalism and to responsible government Union Is Strength argues that these major socio political changes happened in Ontario without a revolutionary moment because of the intertwined relationship of reformers with capitalists Examining a small utopian socialist group named the Children of Peace Albert Schrauwers traces the emergence of a vibrant democratic culture in the province from the decade before the Rebellions of 1837 Schrauwers shows how the overlapping boards of unincorporated joint stock companies managed by both

Toronto reformers and the Children of Peace produced a culture of deliberative democracy in competition with the gentlemanly capitalism of chartered corporations Noting the ways in which Ontario's capitalist and democratic revolutions were linked through cooperative joint stock operations he also situates these revolutions in an international context and links them to the development of Owenite socialism and Chartism in the United Kingdom Union Is Strength is an insightful study of both nineteenth century Canada and the ways in which regional political cultures arise **Crowd Actions in Britain and France from the Middle Ages to the Modern World** Michael T. Davis, 2015-09-01 Crowd Actions in Britain and France from the Middle Ages to the Modern World explores the lively and often violent world of the crowd examining some of the key flashpoints in the history of popular action From the Peasants Revolt of 1381 to the Paris riots in 2005 and 2006 this volume reveals what happens when people gather together in protest The Laird's Runaway Wife Sarah Mallory, 2022-05-24 A gripping marriage reunited story set between the Highlands and London Finding his wife Puts them both in peril When they were newly married their lives had been full of joy but tragedy has struck and Grant Rathmore's wife has run away to her father a dangerous Jacobite sympathizer Fearful for Madeleine's life Grant finds her at a London ball looking more beautiful than ever and dancing without a care in the world Now Grant vows to do whatever it takes to keep her safe From Harlequin Historical Your romantic escape to the past Lairds of Ardvarrick Book 1 Forbidden to the Highland Laird Book 2 Rescued by Her Highland Soldier Book 3 The Laird's Runaway Wife *1820: Scottish Rebellion* Gerard Carruthers, Kevin Thomas Gallagher, Craig Lamont, George Smith, 2022-11-03 The 1820 Scottish Rising has been increasingly studied in recent decades This collection of essays looks especially at local players on the ground across multiple regional centres in the west of Scotland as well as the wider political circumstances within government and civil society that provide the rising's context It examines insurrectionist preparation by radicals the progress of the events of 1820 contemporary accounts and legacy memorialisation of 1820 including newspaper and literary testimony and the monumental afterlife of the rising As well as the famous march of radicals led by John Baird and Andrew Hardie so often seen as the centre of the 1820 moment this volume casts light on other more neglected insurrectionary activity within the rising and a wide set of cultural circumstances that make 1820 more complex than many would like to believe 1820 Scottish Rebellion demonstrates that the legacy of 1820 may be approached in numerous ways that cross disciplinary boundaries and cause us to question conventional historical interpretations **The Razing of Tinton Falls: Voices from the American Revolution** Michael S. Adelberg, 2012-06-08 On June 10 1779 a Loyalist raiding party landed on the shore of Monmouth County New Jersey and advanced unnoticed on the town of Tinton Falls It captured five leading Patriots and plundered many others Homes and barns were burned to the ground stores were looted and livestock driven off The local militia scattered That afternoon as the raiders loaded their barges a reinforced militia engaged the Loyalists in a battle that climaxed with vicious hand to hand combat Historian Michael Adelberg brings the Tinton Falls raid to life re-creating the day in the voices of ten narrators based

on real people a child of a Revolutionary leader a Loyalist officer a militiaman a pacifist a businesswoman and many others each of whom experienced the day very differently *The Fight for Scottish Democracy* Murray Armstrong, 2020-04-20 Three Scottish weavers James Wilson Andrew Hardie and John Baird were hanged and beheaded for high treason in the summer of 1820 Nineteen more men were transported to the penal colony of Botany Bay Their crime To have taken up arms against a corrupt and nepotistic parliament and the aristocratic government that refused to reform it This Radical War was the culmination of five years of unsuccessful mass petitioning of Westminster by working people in Scotland and England The contempt and intransigence of the Tory government forced an escalation in tactics and on Easter Monday of 1820 the call for a general strike was answered throughout the western counties of Scotland Their demands were threefold the vote for all men annual parliaments and equal constituencies Coupled with an armed rebellion the strike was met by the full military might of the British state hundreds were arrested and imprisoned without trial while hundreds more fled the country This Scottish general strike and insurrection is a little known chapter of British history and yet remains an immensely important one in the long fight for democracy In *The Fight for Scottish Democracy* Murray Armstrong brings these events dramatically to life

Discovery, Innovation, and the Victorian Admiralty Erika Behrisch, 2022-08-23 This book examines the British Admiralty's engagement with science and technological innovation in the nineteenth century It is a book about people and gross misunderstanding about the dreams and disappointments of scientific workers and inventors in relation to the administrators who adjudicated their requests for support and about the power of paper to escalate arguments reduce opinions and frustrate hopes From instructions for naval surveying to debates about rewards to civilians for inventions *Paper Navigators* puts a wide range of primary sources in the context of public debates and explores the British Admiralty's engagement with decision making around and management of questions of value support and funding with citizen inventors the broader public and their own employees Concentrating on the Admiralty's private internal correspondence to explore these themes it offers a fresh perspective on the Victorian Navy's history of innovation and exploration and is a novel addition to literature on the history of science in the nineteenth century

Napoleon in British Culture James Gregory, 2024-12-12 This book studies British cultural engagement with Napoleon Bonaparte from his 1815 surrender and time in British custody until the return of his remains to France in 1840 Adopting a chronological approach James Gregory studies the British use of Bonaparte in various spheres covering political dramatic literary and visual culture and popular entertainment over a 25 year period Gregory acknowledges not only canonical literary treatments but also appearances of the figure in novels anecdotes travelling shows and private collections in order to analyse contemporary fascination with Napoleon Centring on key themes such as responses to Napoleon's presence on British territory and later reactions to his death Gregory also takes into account the influence of factors such as geography and gender in order to craft a comprehensive picture of cultural engagement with Napoleon in the period 1815-40 Covering factors including the role of commemoration the impact of Peterloo and Queen

Caroline's death and the rise of Romanticism this book demonstrates how truly pervasive the myth of Napoleon became in 19th century Britain **McNab** David Mulholland, 2006 In 1823 Archibald McNab thirteenth Chief of Clan McNab eluded his creditors in Scotland and escaped to Upper Canada to the banks of the Ottawa River In 1825 McNab paid for the passage of 115 emigrants from Perthshire He tried to impose a feudal system by having his settlers sign bonds and location tickets for their lots McNab is the story of the settlers sixteen year struggle to free themselves from the tyranny of a Highland chief who held tenaciously to the tradition of the Scottish clan **Battle for the North** Charles McKean, 2006 Presenting a dramatic and scandalous story of the building of the Tay and Forth Bridges and the 19th century railway wars this work explores the complicated reality underlying the Victorian pursuit of progress **Department of Defense Appropriations for 1972** United States. Congress. House. Committee on Appropriations, 1971 **Department of Defense Appropriations** United States. Congress. House. Committee on Appropriations. Subcommittee on Department of Defense, 1972

Radical Laird Book Review: Unveiling the Magic of Language
